AZTEC

1984

27

To Jeff, A very nice guy I had the privilage of meeting this year. Good luck in the future and in all you do. Thanks for letting me be the first one to sign this book. Good Luck with all the girls, and <u>don't</u> do anything I wouldn't do if you know what I mean. See you next year as a junior.

Love Always

Jackie Sylvé "86"

(K.I.T) 923-8929

To Jeff

I guy I met this year in Biology who helped me out with the frog, worms, and snails and has been a good friend in the summer and hope to see you with the girls this summer. Hope you have fun in the summer & in your future. Hope to see you in the summer & the years to come.

Alicia Parker

Jeff

A super sweet guy & met this year in Biology. Hope you have fun in the summer & in your future. Hope to see you in the summer & the years to come.

Love Friend Forever

Madonna P.

(Lauren)

Dawn K.

KIT 926-5507

Jeff Charlton

To Jeff
A cool dude I met this year. Good luck in the future and have a nice summer.
Your friend
Sam Salazar

Jeff
you such a pool
you know that but you're a cool
dude here's my window summer
Call me up sometime so we can play
one of your locker games
227-6454

To Baby Jeff,
a nice guy
I met this year...
Stay sweet and nice
and don't talk to you
if anyone wants to know next year. Love.
who rote this
tell them to
soccer picture

Jeff, would you believe the school Dr Suits year is almost over, I can't! Did you also know of my most sweetest lerk in the hallways. stay that way
TO: Jeff,
A nice dude I got to meet in 1st and 4th period. It was really nice to know you because your pretty cool. Well keep cool and stay out of trouble. And keep that babyface up! Have a nice summer and good luck with all your sports. Love, Jackie Ramirez
(K.I.T -8419)

Jeff,
A great dude I met this year during football. You're pretty good. You better your on of the best out S cooter next season. Have a Summer of Endless Party;
Your Friend

Jeff,
It really nice, funny guy I met in Spanish. Have a great summer and I'll see ya next year.
Your Friend,
Rachel Ruiz
Class of 85

Jeff
Wishing you success. Jared keeping your head held high in spite of the lack of motivation from our external source such as a "teacher". Survive -
Alfredo De la Rosa

To Jeffy Chausser

The big stud (She said). We kicked ass in frosh-soph football and Let's wait till next year. The C.C connection returns for another fantastic season. Campos/Charleston. I won't say bye-cause I'll see you next year
Stay cool and workout.
"Hell Week is Coming"
Jose Campos
#81

Jeff,
Well how did you like the Ecology class? It was pretty fun, wasn't it? It was also boring. Have a great summer, and hopefully we have some more classes together next year.

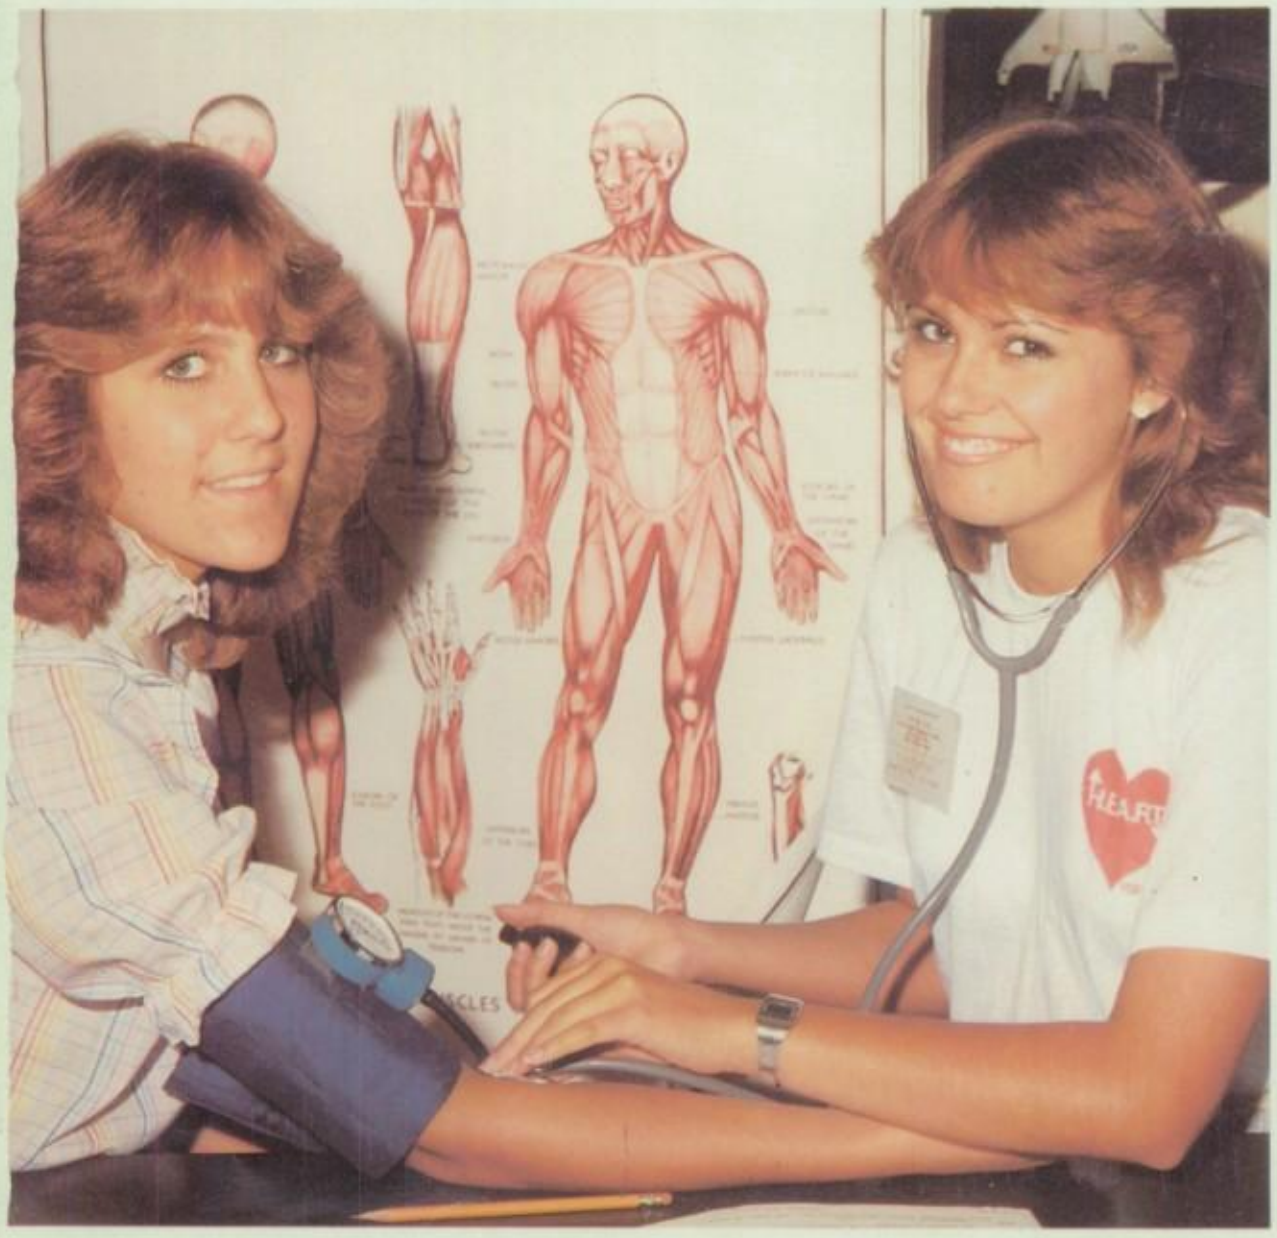
P.S. Thanks for voting for me!

Love, Tam Lee

To Baby Jeff.
You're a real nice guy. I'm glad that we became friends. I wish I wasn't moving so we could become even better friends. Hope you have a fun summer.

Your friend,
Christene Gibson
'86

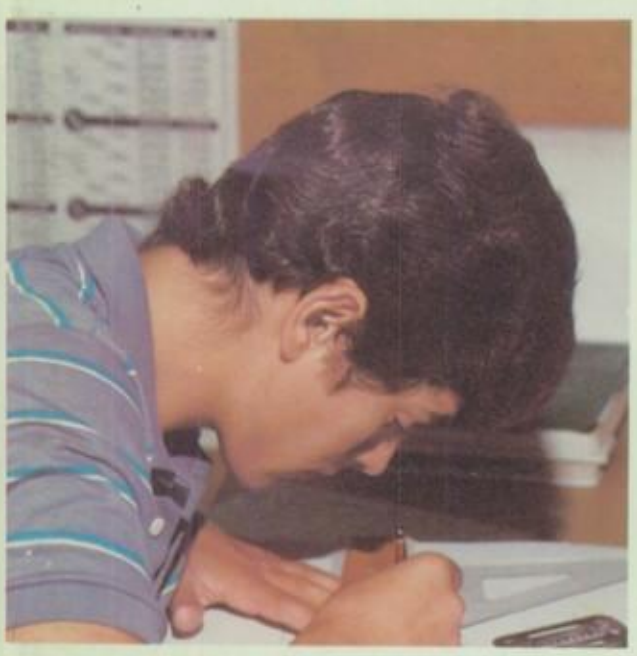
What is talent?

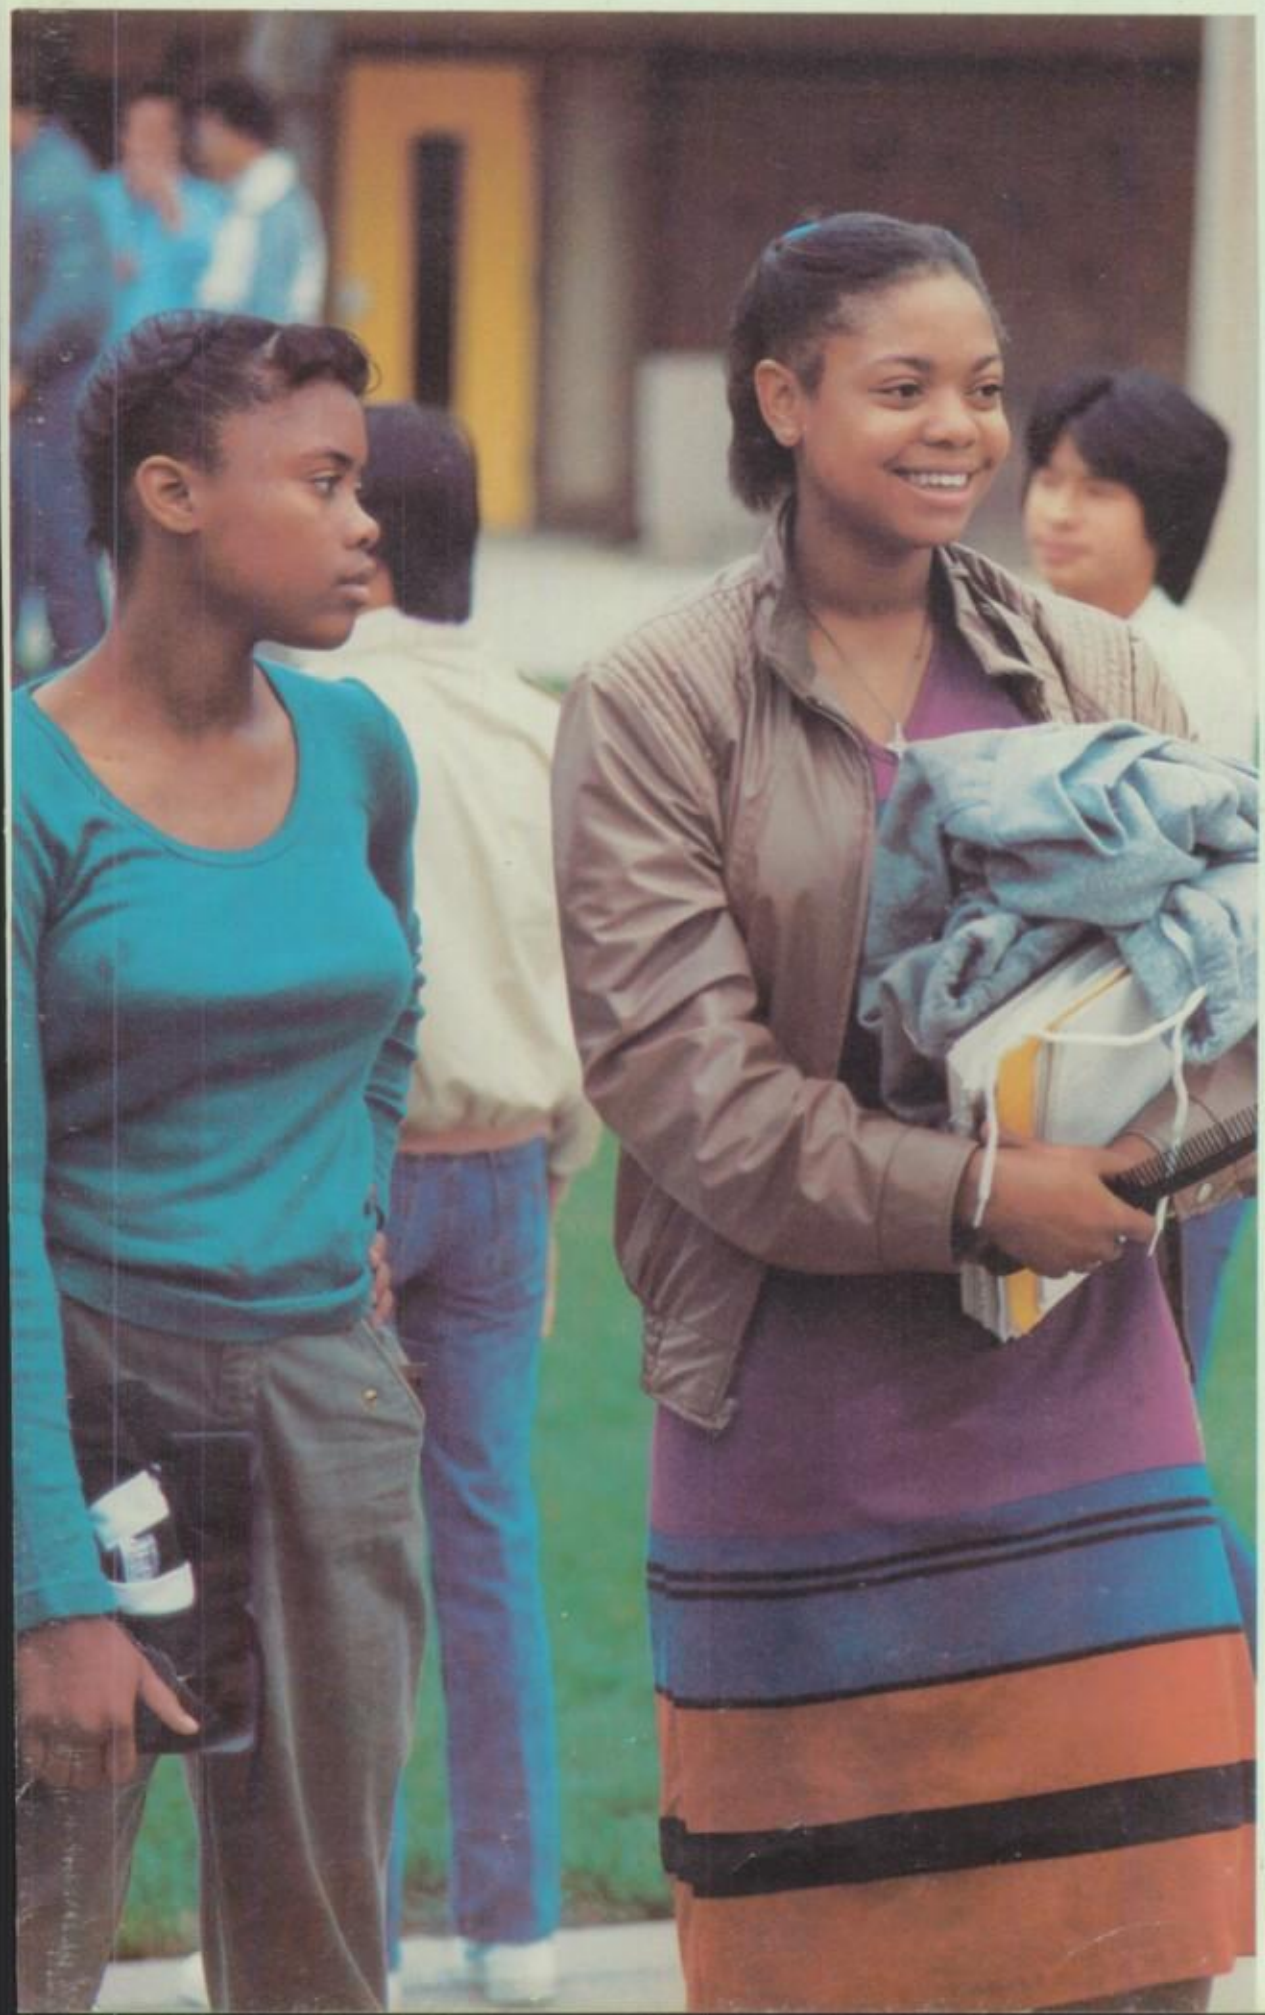


Jeff,
Hi. It was no problem lending my English answers to you. In fact I enjoyed it. Do you know you're the only person I know that has a joke for every situation? Some of them were funny! Well, I hope you don't get Harvey again, but if you don't I won't feel sorry for you because I had her 2 yrs. in a row! Have a great summer!

A dictionary definition of the word "talent" is "A special innate or developed aptitude for an expressed or implied activity."

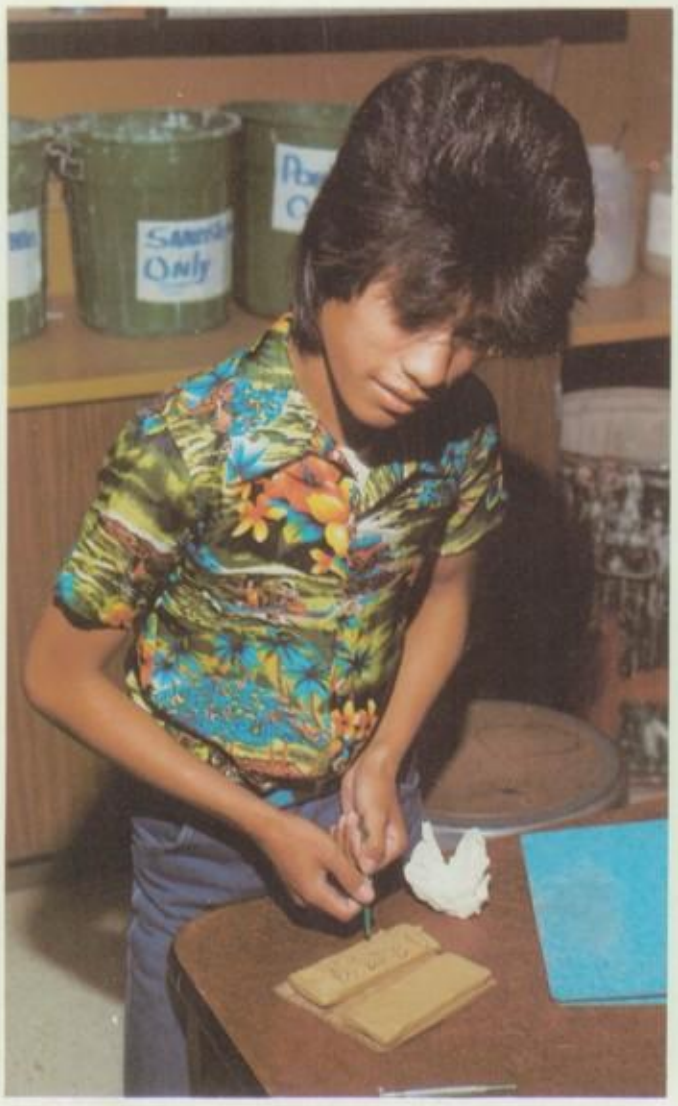
You're a great athlete & you sure made English fun.
Your friend
Encarnita

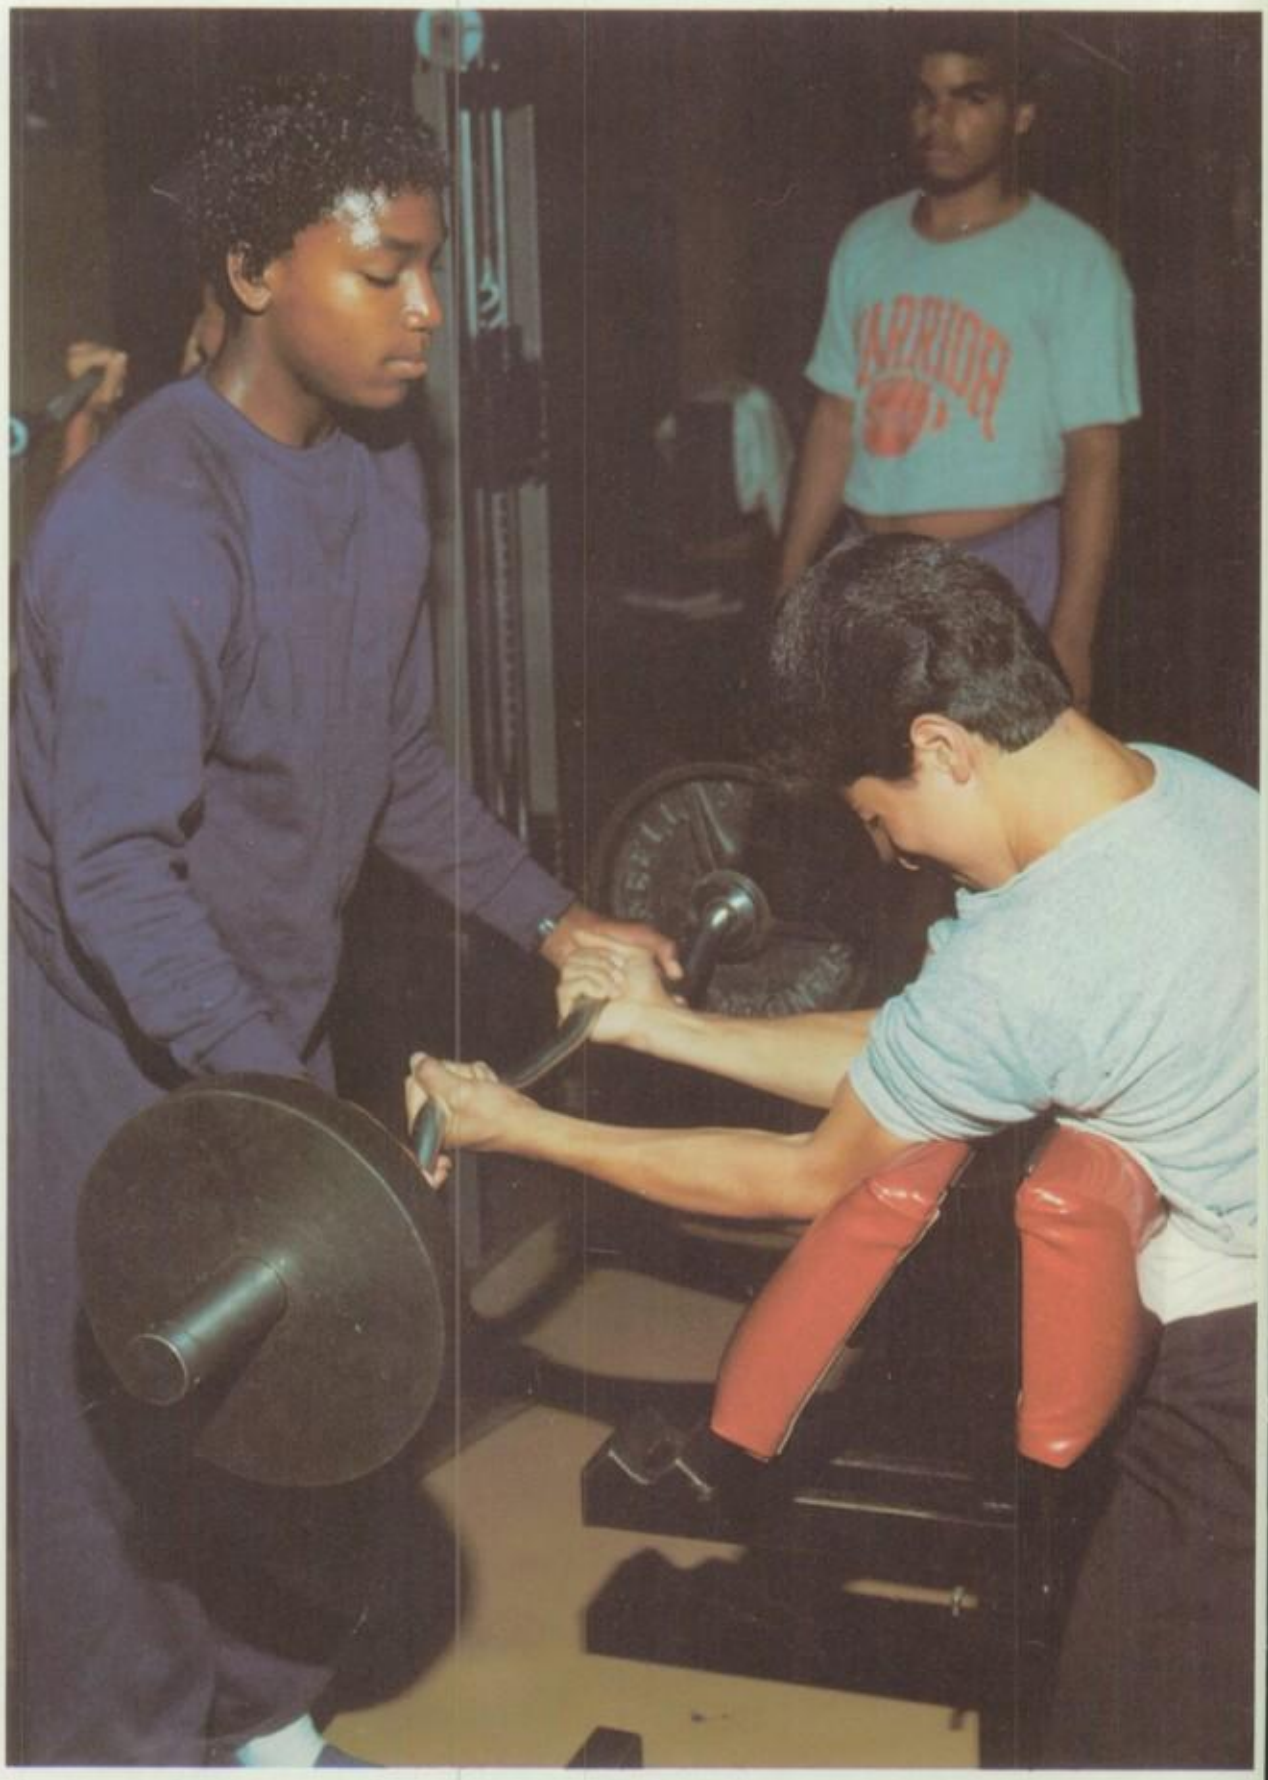




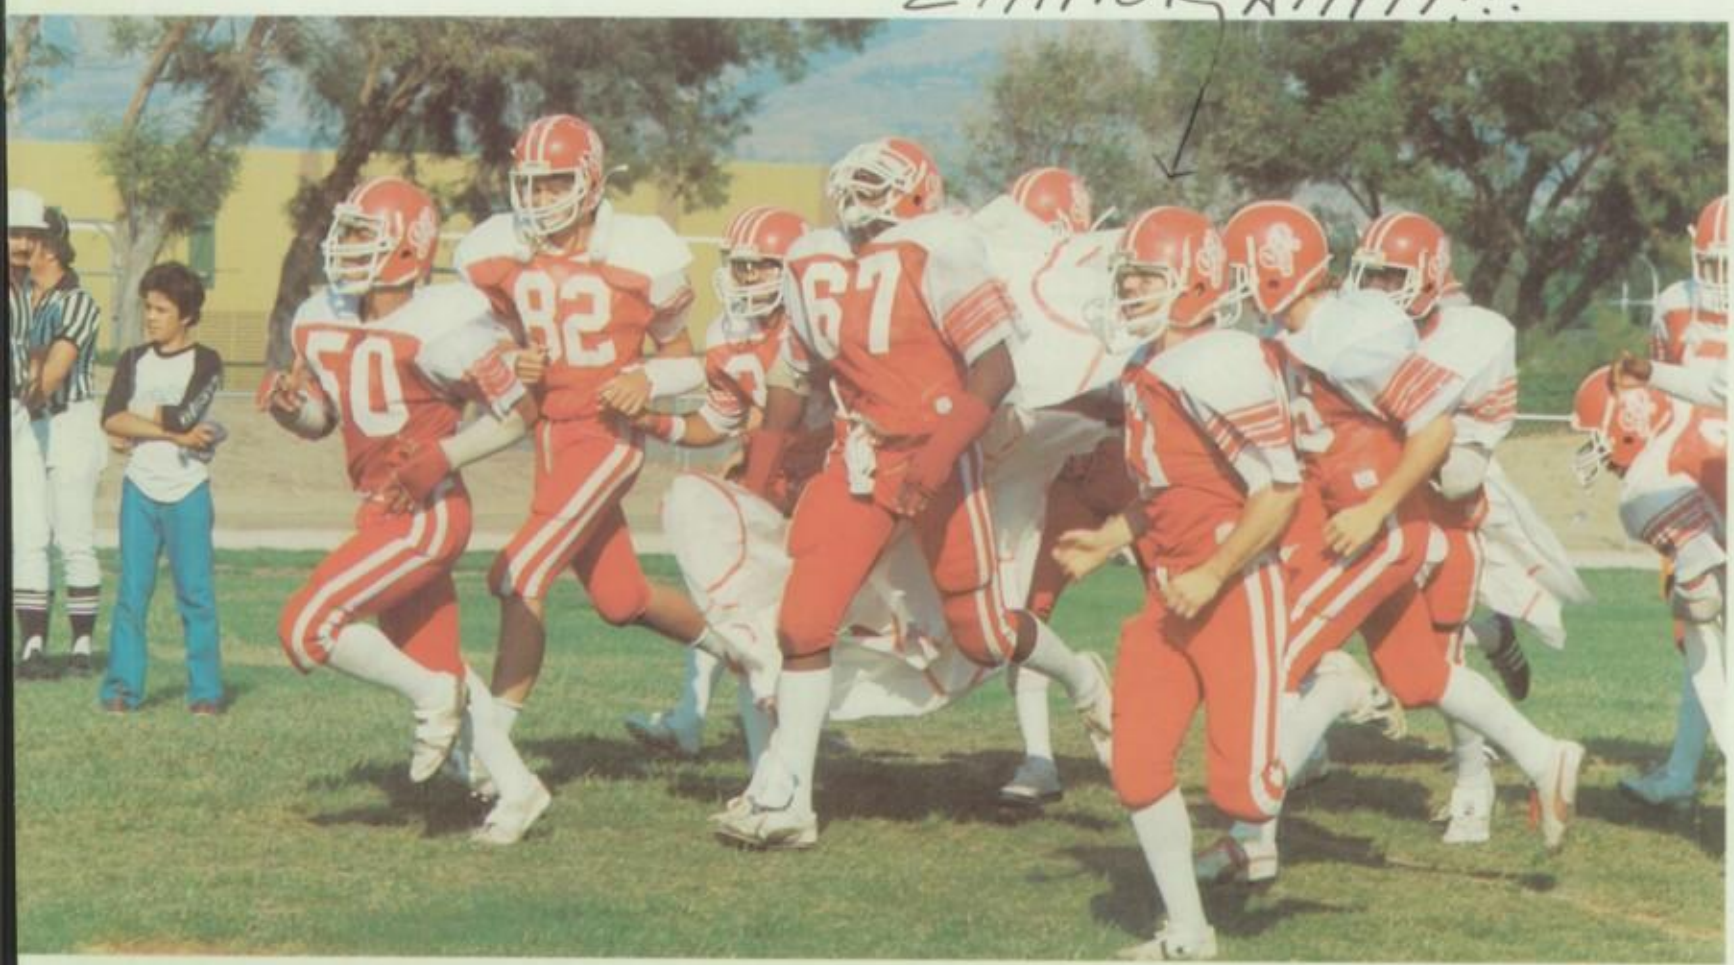
Jeff,
We talked a lot in the beginning of the year, but after a while we didn't talk to each other much. That's not supposed to happen!!! Don't forget to talk to me next year, and have a great summer.
Lynn

We also can define "talent" as an ability to perform or achieve something in an outstanding manner.

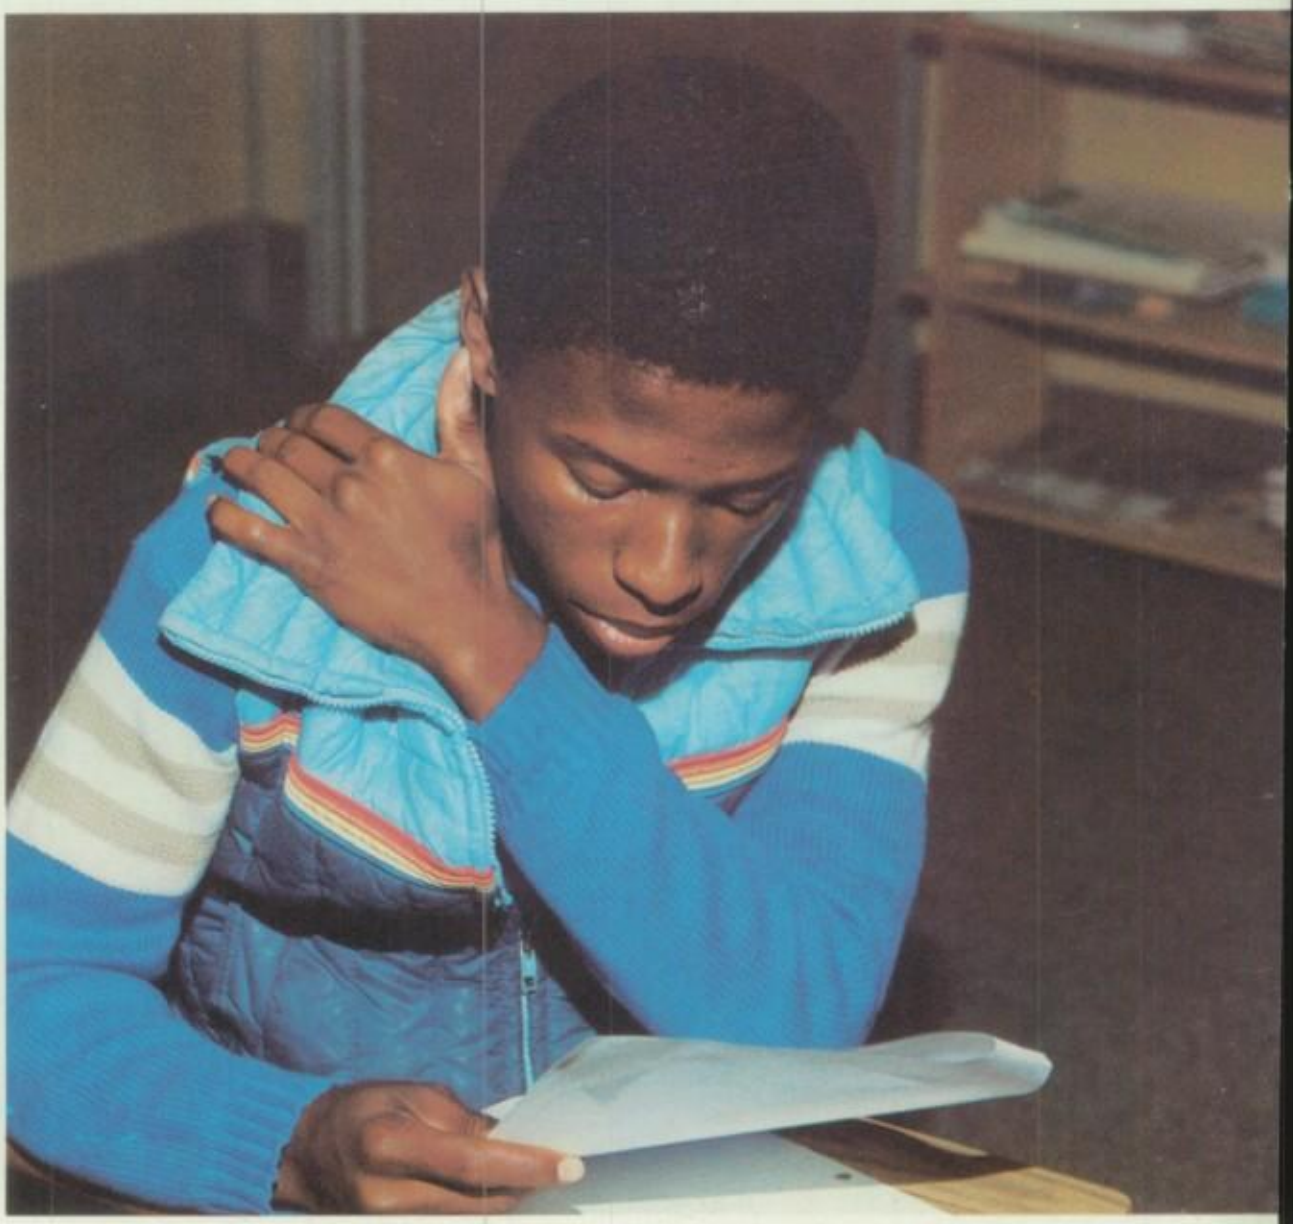


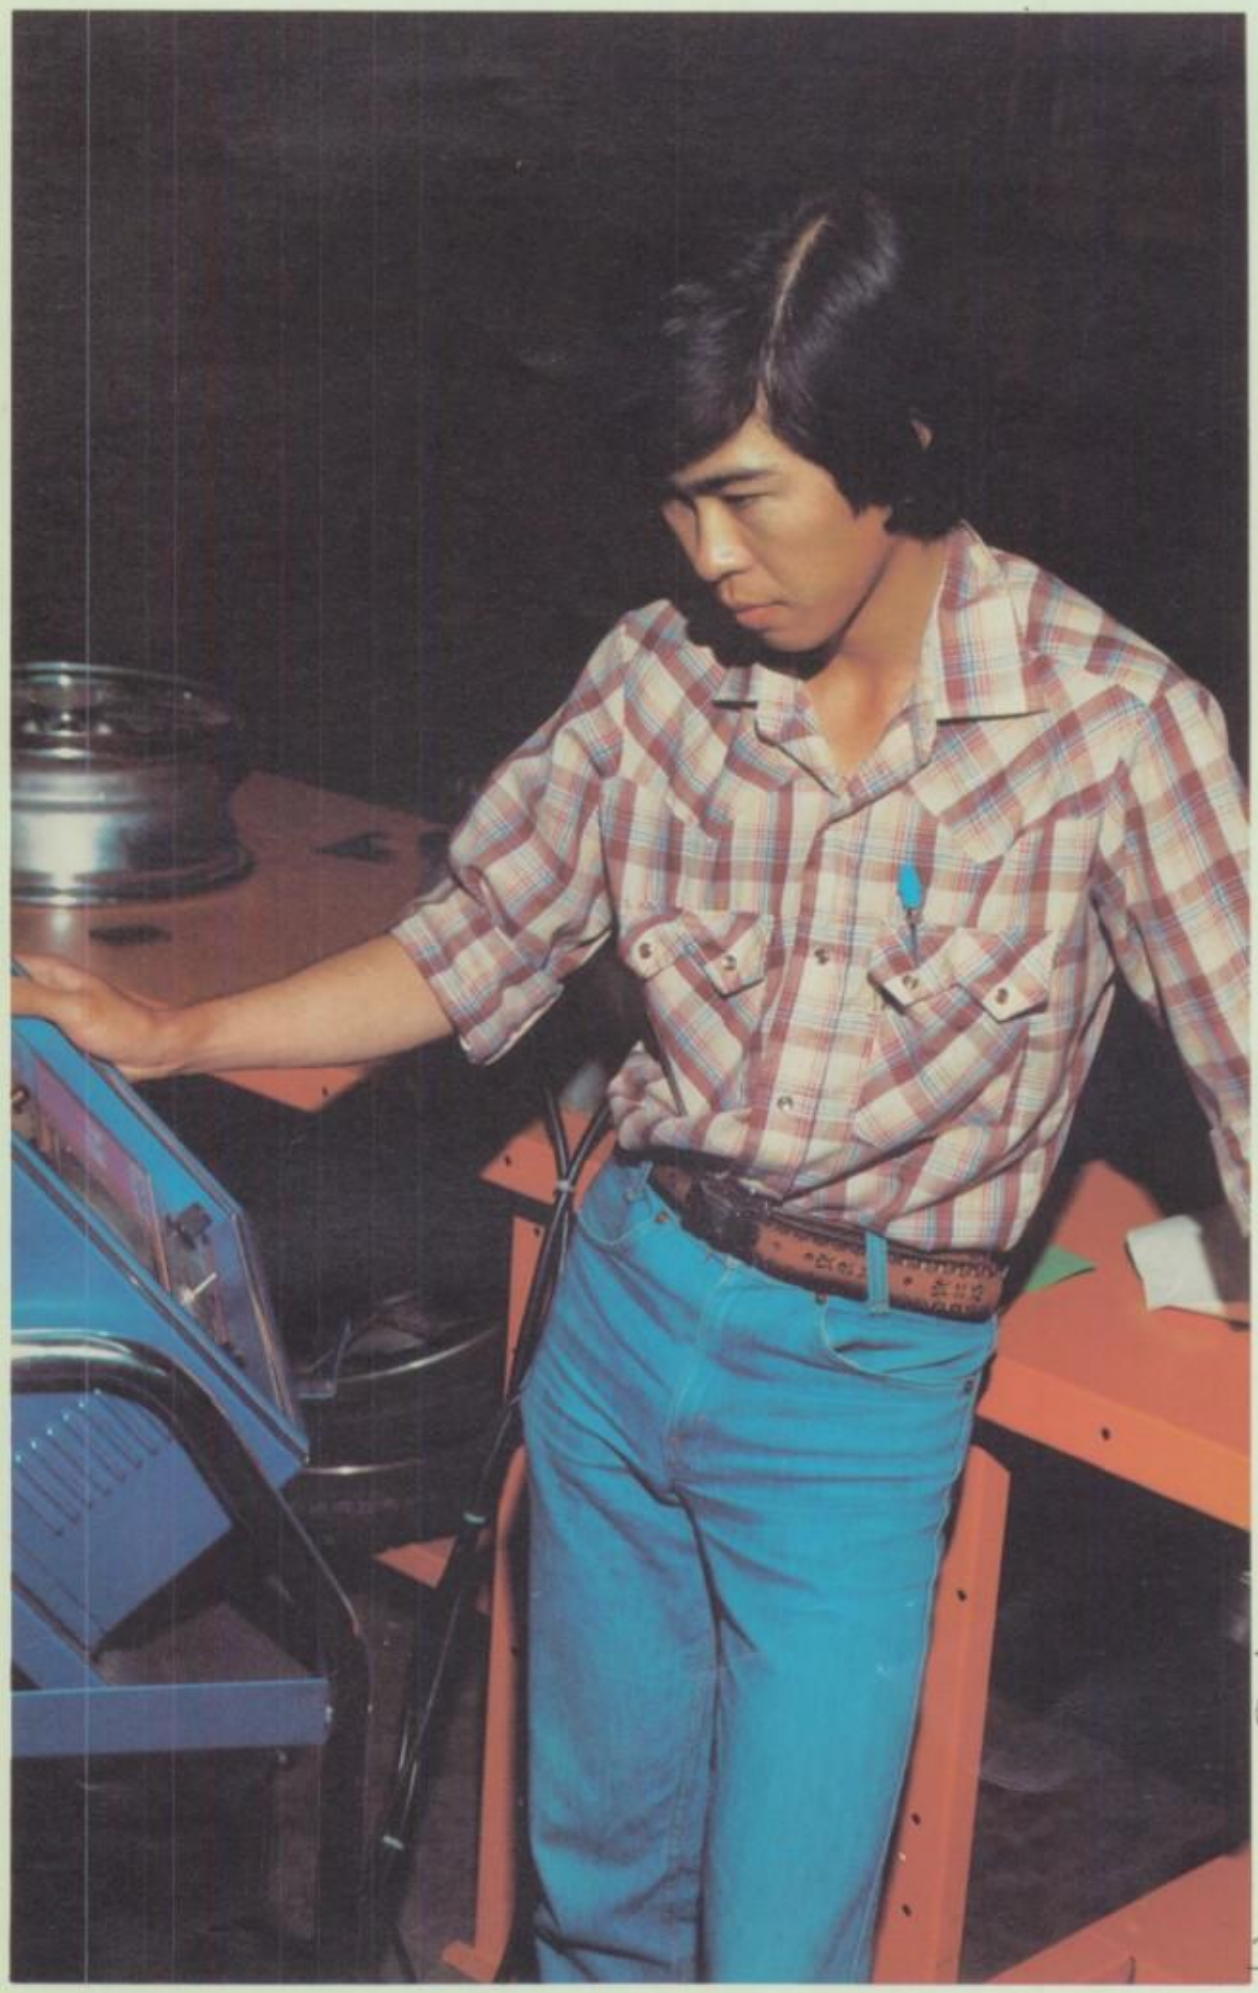


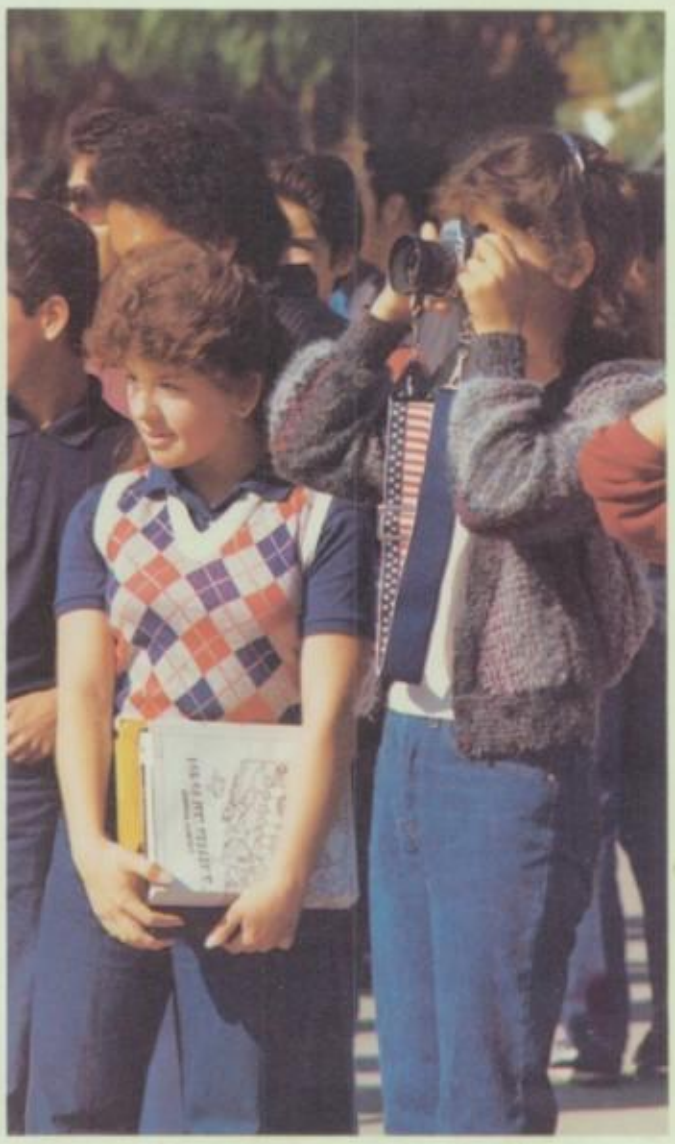
ZIMMER AYYYYY!!!



While talents may exist from birth, constant practice and training often are required.





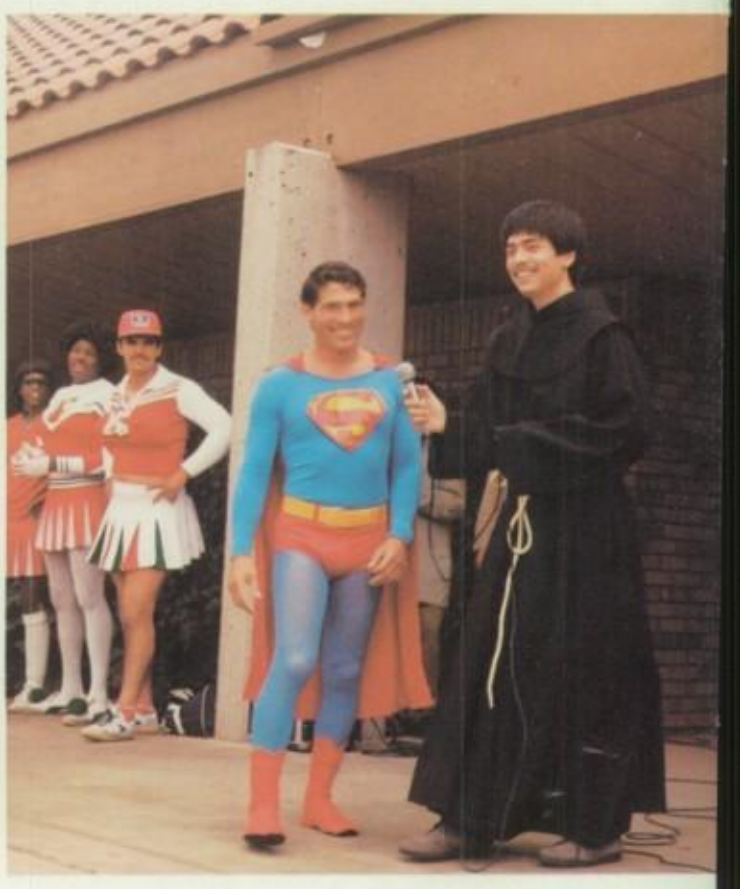


DEAREST, JEFFRY
YOUR ONE COOL STUD.
AND YOU PROBABLY
SAY YOU WISH THAT YOU
DIDNT KNOW ME CAUSE
I'M SO WITO AND CRAZY.
WELL WE MADE IT
THROUGH THIS CLASS →
WHICH WAS A SUPRISE.
AND YOUR PROBABLY THE
SMARTEST ONE. HAVE A
PARTY HARTY SUMMER AND
ILL SEE YA AT THE
PRISION AGAIN NEXT

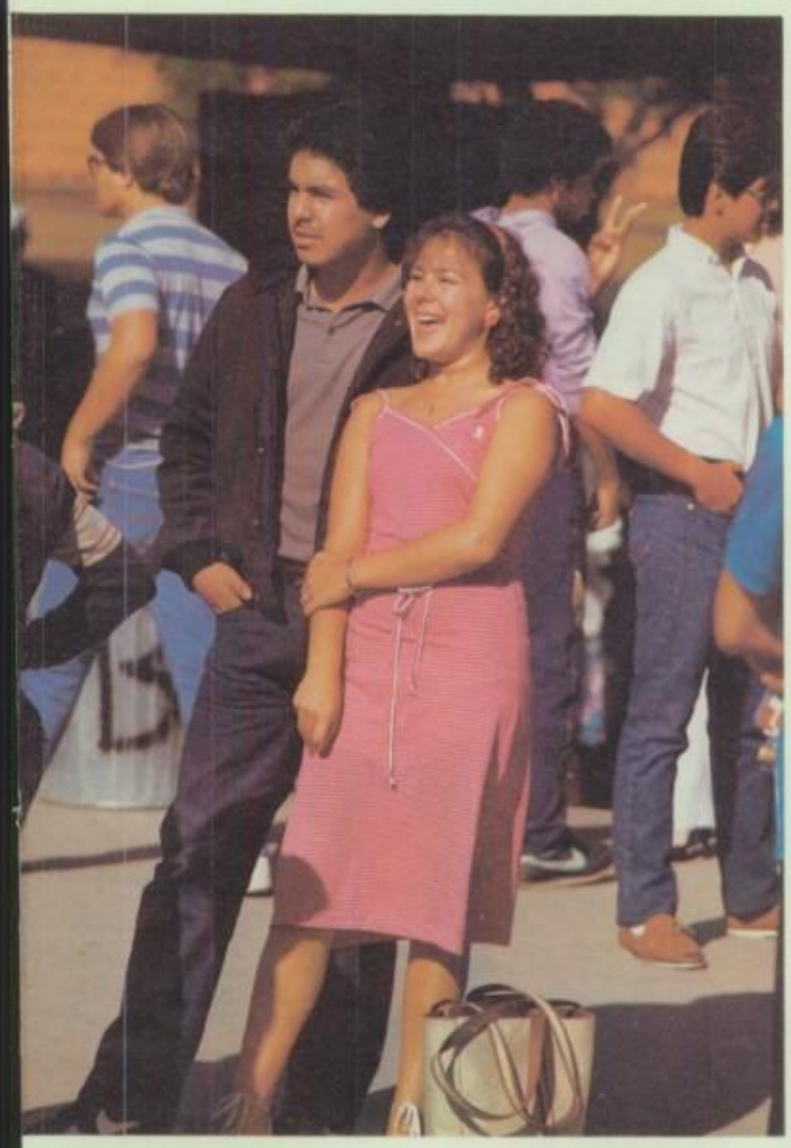
YEAR. PLEASE KIT SAY- ODY AND DON'T DO ANYTHING THAT I WOUDNT DO (WHICH ISTN'T A HELL OF A LOT) SO ILL

BE SEEING YA AROUND YOU LADY KILLER

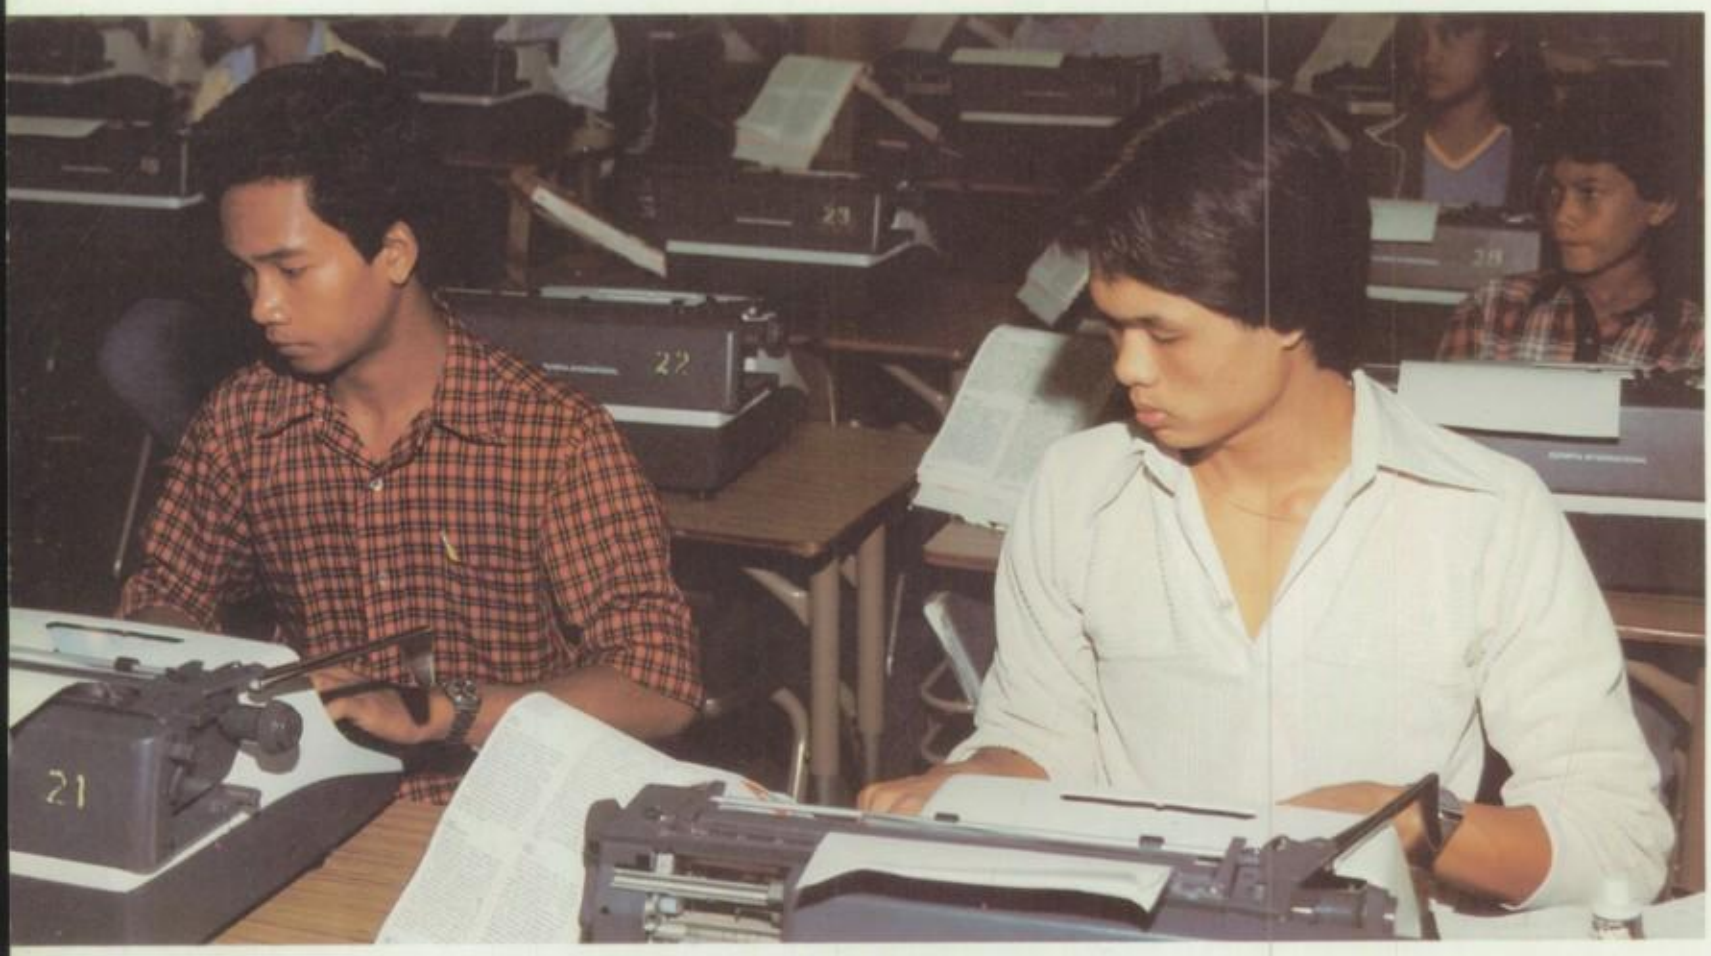
YOUR FRIEND FOR LIFE, Tony

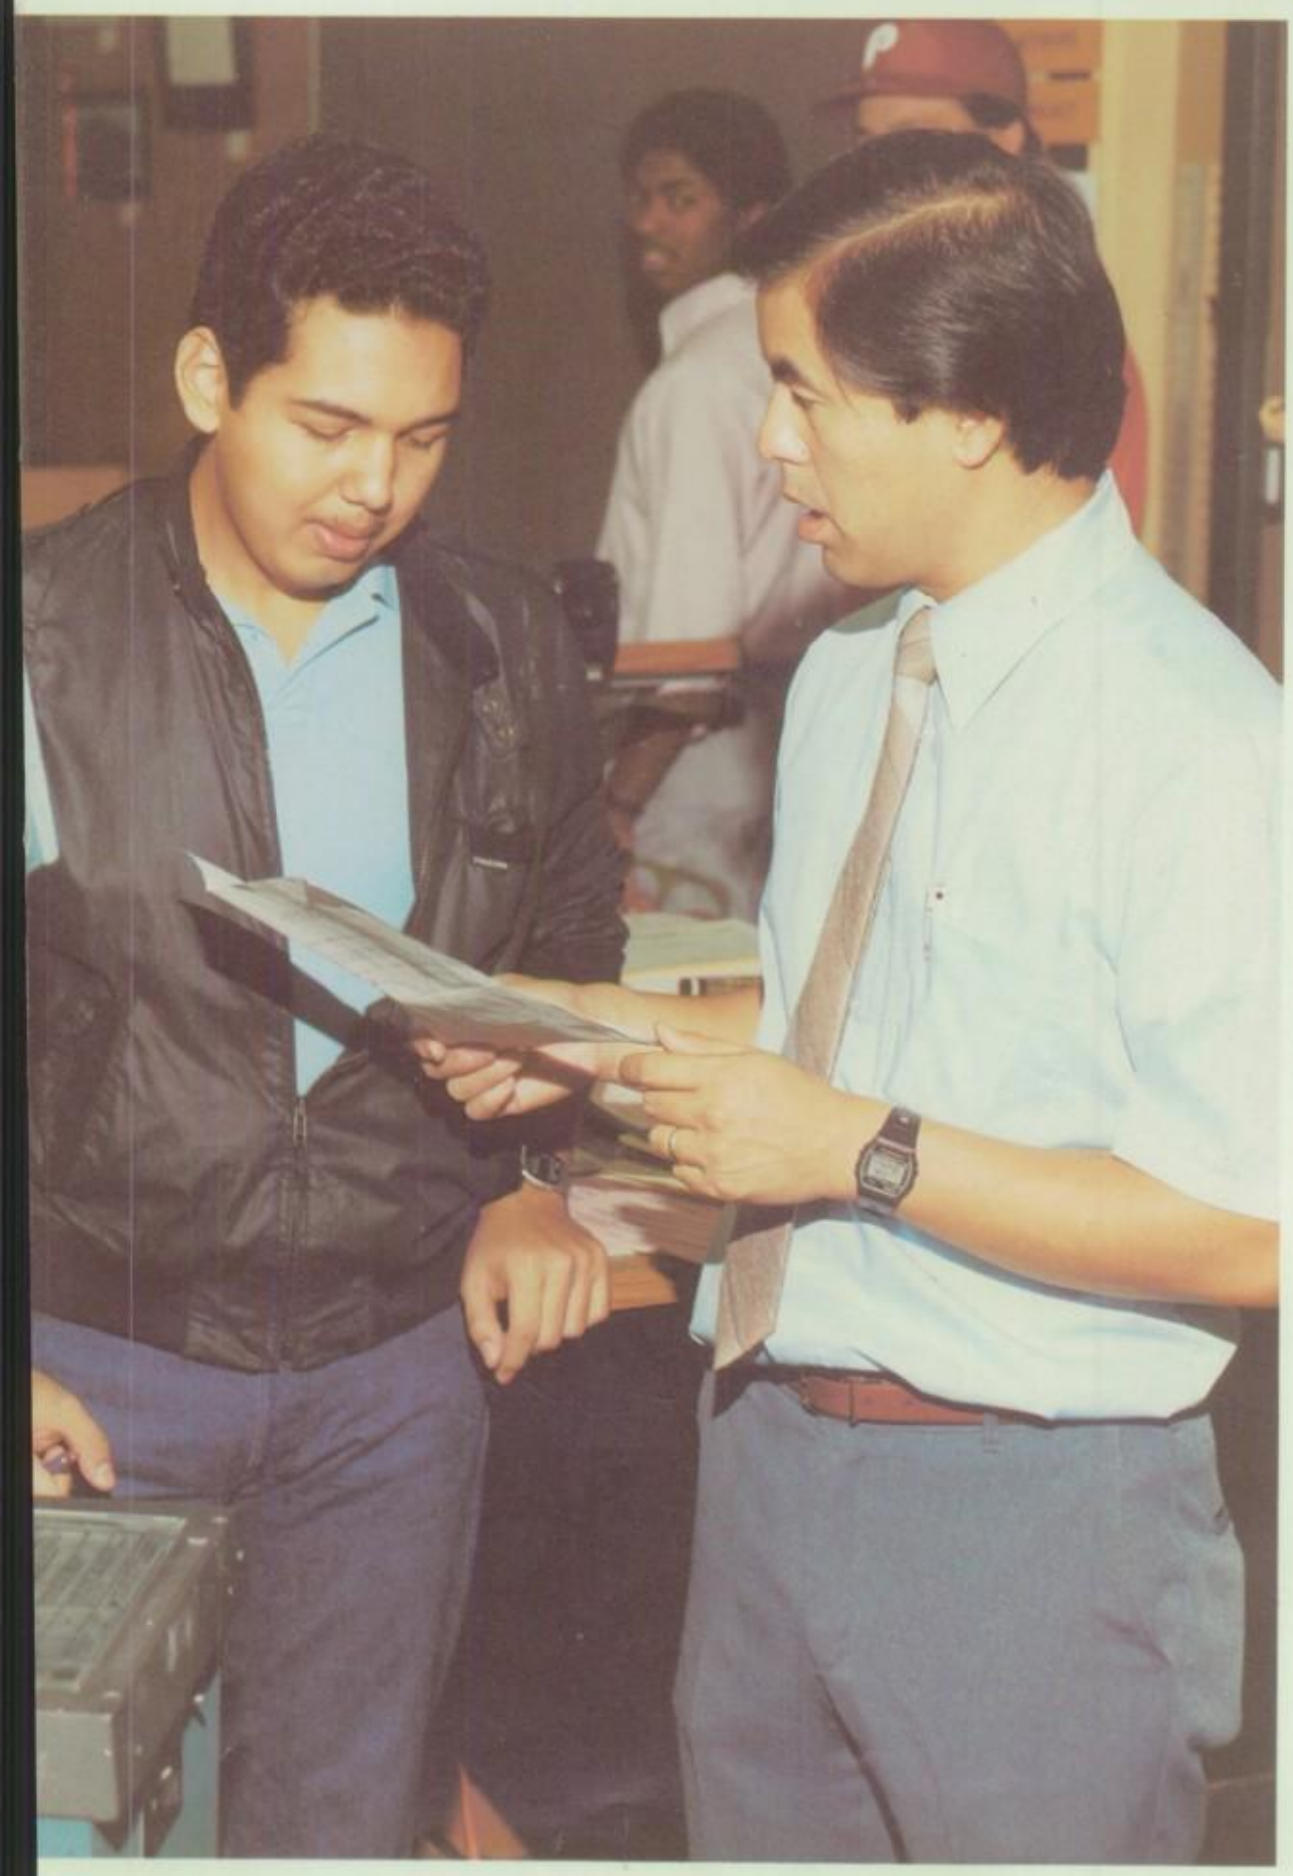


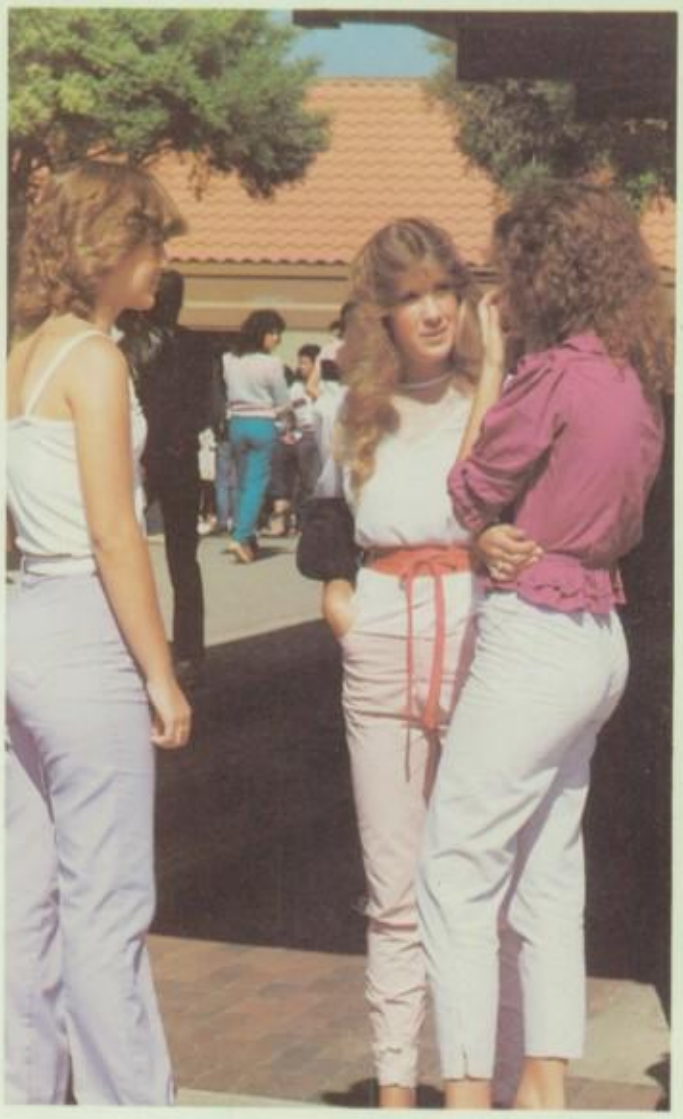
The school environment provides opportunities to refine old talents as well as to develop new ones.



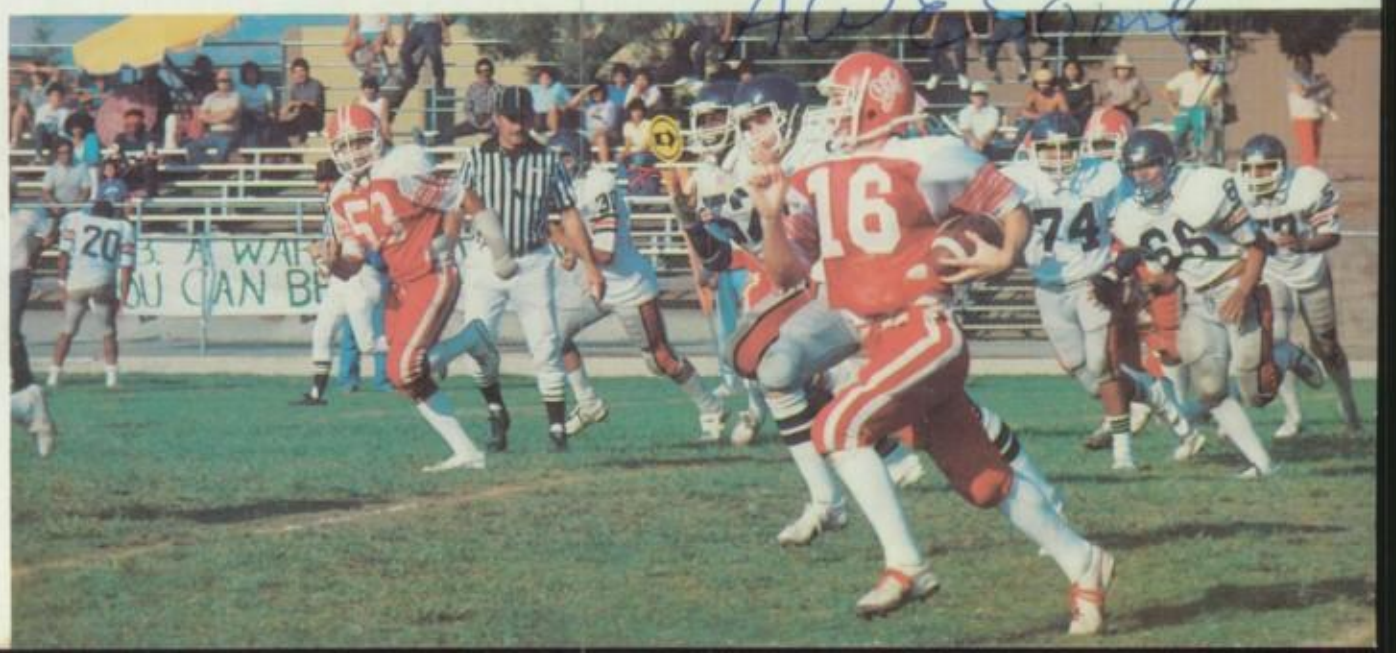
Mathematics and Science provide opportunities for us to develop our abstract and investigative skills.



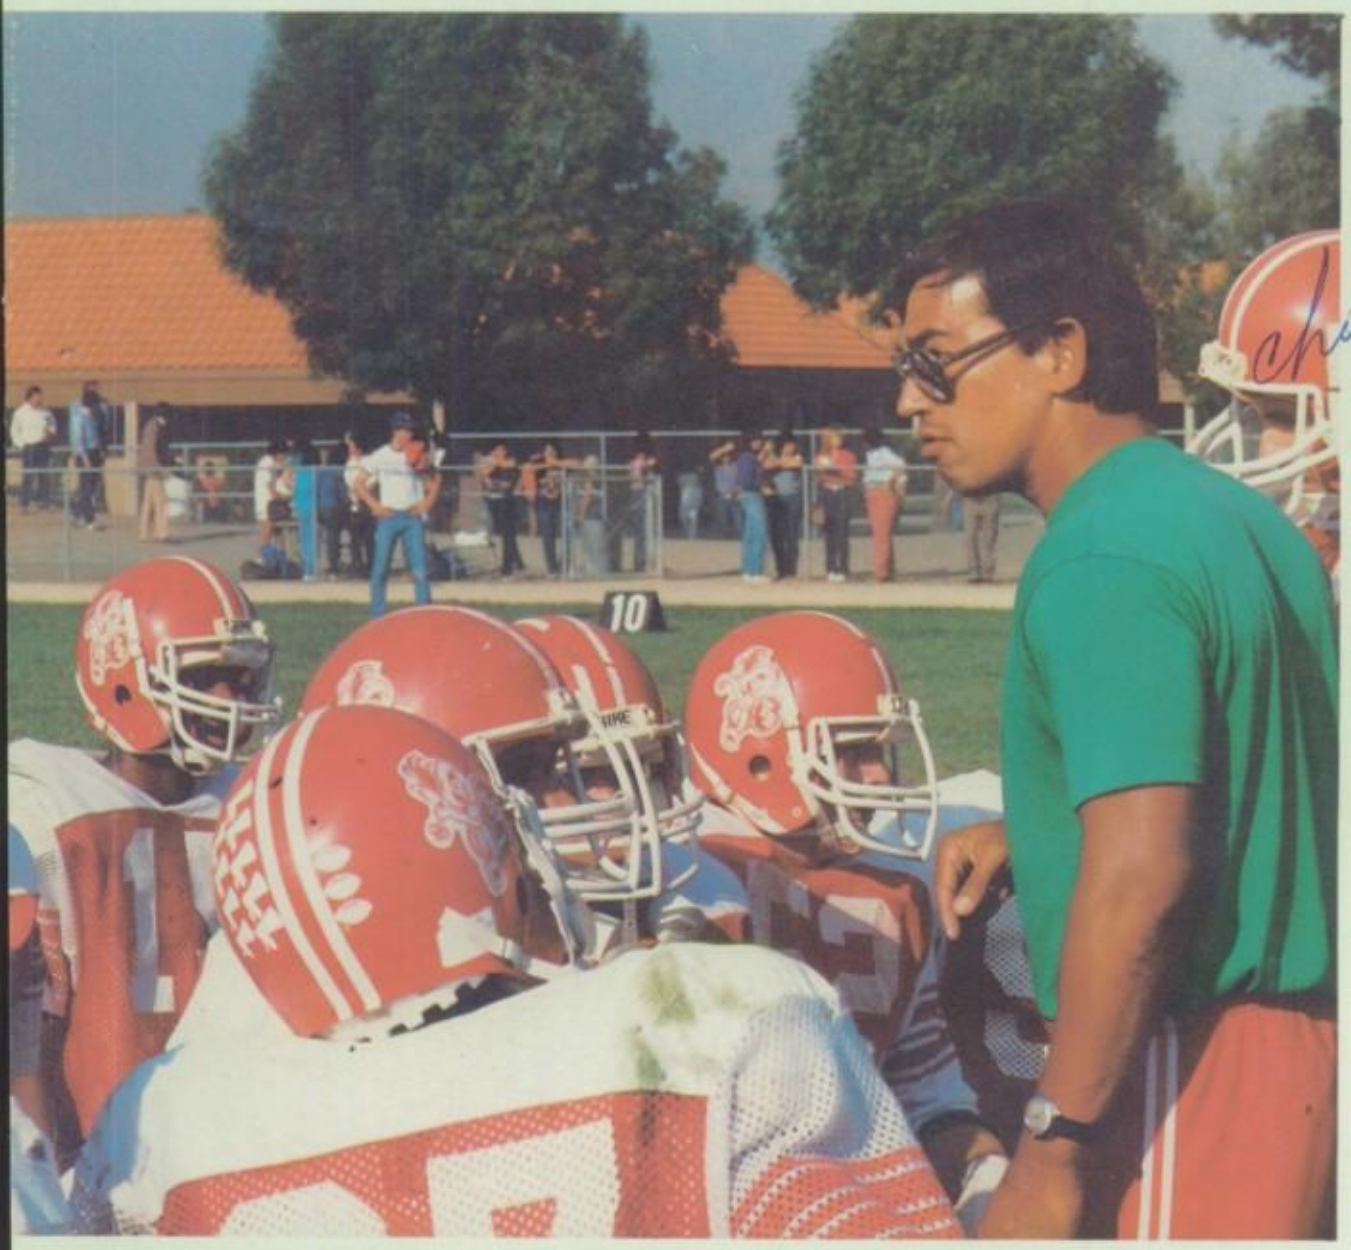




The humanities and fine arts foster our artistic abilities.

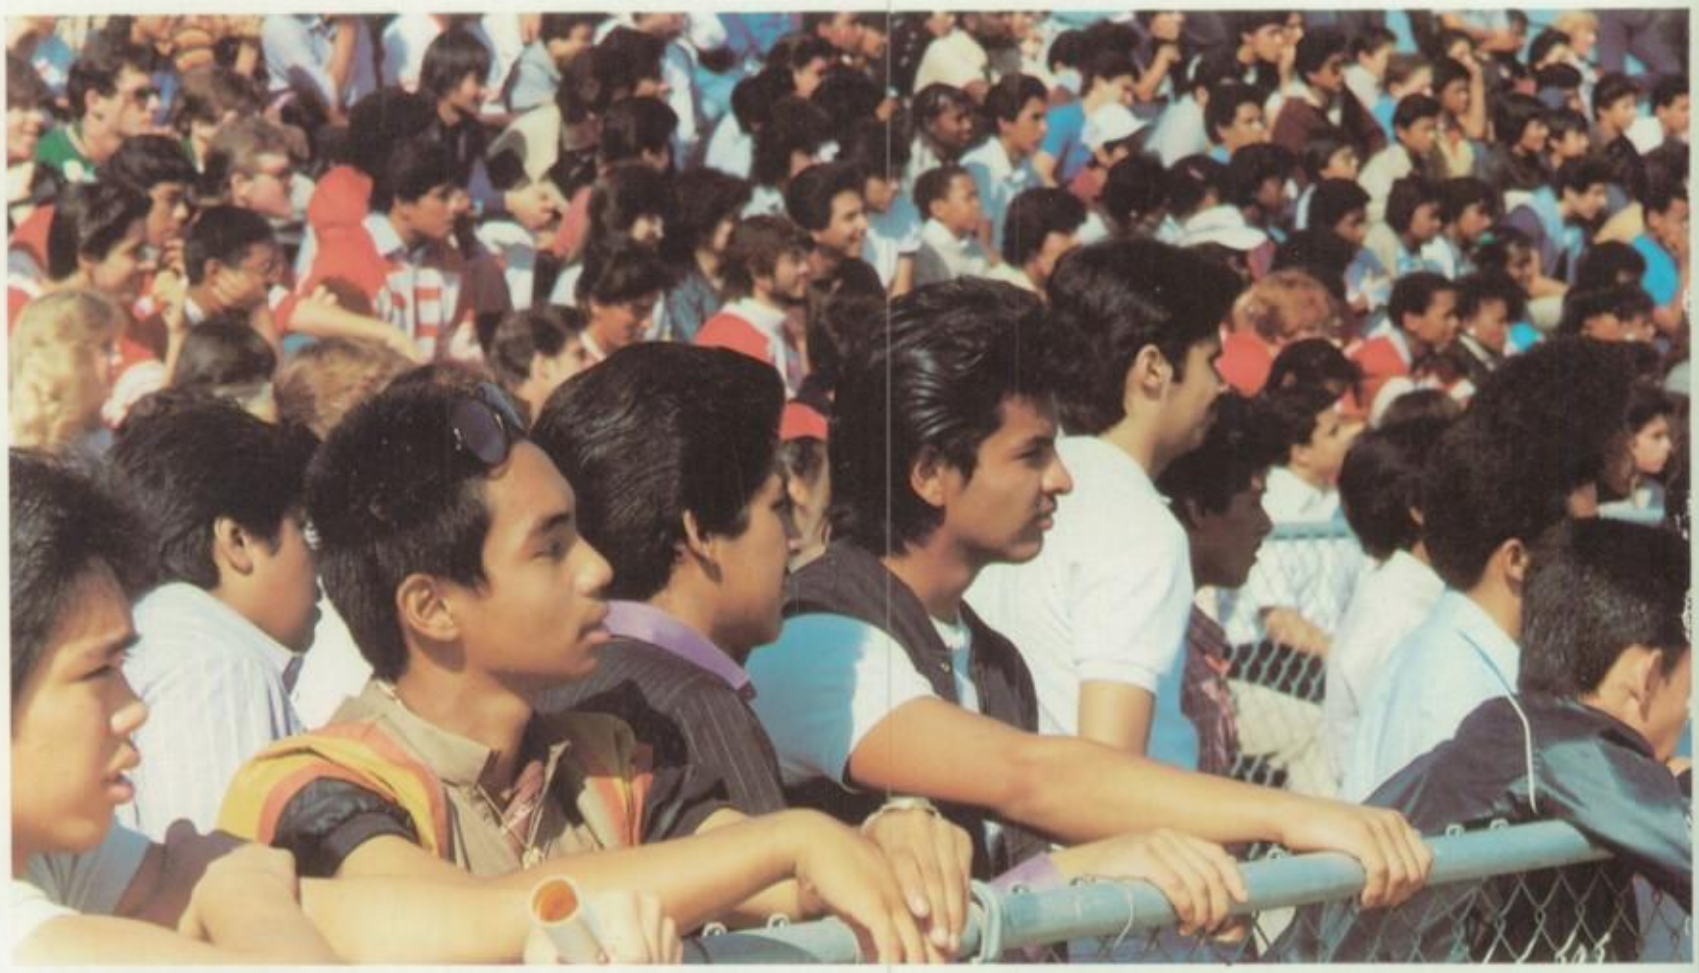


20
16
74



The technical subjects emphasize practical, but also creative skills, while the athletic subjects provide us opportunities to combine our thinking skills with our athletic talents.

All school subjects emphasize a critical appreciation of our talents. We must discipline ourselves to take advantage of the opportunities to both develop and sharpen our skills.



Dedication

Mr. Richard Greene was a Social Studies teacher at Yerba Buena for several years. As well as doing an excellent job in the classroom, he devoted much of his free time to helping the Senior Classes with their events.

We all were saddened to learn that Mr. Greene passed away last August. He has been missed by us all.

We dedicate the 1984 AZTEC to the memory of a fine teacher Mr. Richard Greene.

Board of Trustees

Standing: Mr. Herbert Sawyer, Vice President; Mr. Richard Tanaka, Clerk. Sitting: Mrs. Catherine Taylor, Member; Mr. Henry Gage, Member; Mr. Stan Keller, President.

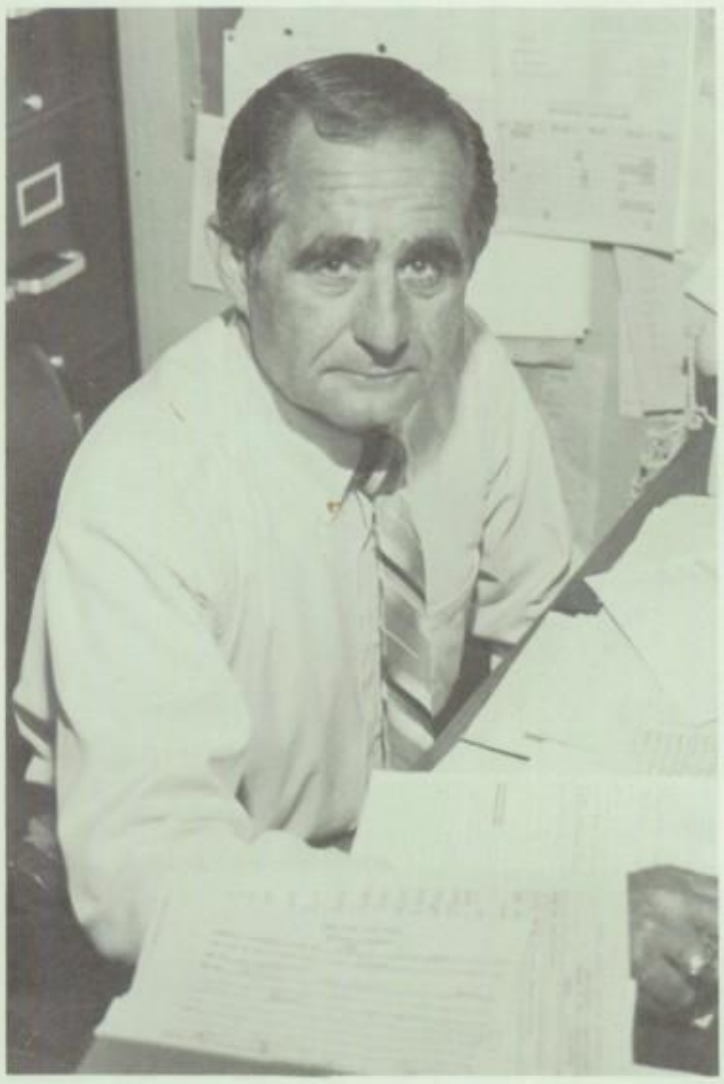
District Administration

Standing: Mr. Alan Hopewell, Director of Instruction; Mr. Louis Rose, Assistant Superintendent of Personnel Services; Mr. Tino Noriega, Director of Human Relations; Mr. Ted Faley, Director of Special Services; Mr. Mike Raffetto, Business Manager. Sitting: Dr. Harry Reynolds, Superintendent of Schools.

School Administration

Dr. John L. Hernandez
Principal

Mr. Jim Minor
Associate Principal



Mr. Frank Bocca

Art Department

This has been another fruitful year for the Art Department. To begin with, 2 new sections were added to Mr. Mora's ceramics classes. Mr. Stubbs continued with his fine photo program and we can be sure to enjoy another excellent yearbook produced by his yearbook class.

Mr. Sierra's classes were again producing excellent drawings and paintings. He always manages to cultivate talent in his students.

As in the past years there have been several opportunities for the school and community to see the excellent art work created by students. Art work is displayed in the library throughout the year, as it is also displayed in the East Side District Office, The Santa Clara County Office of Education, San Jose State University and the major show of the year where all the high schools of the East Side participate. This show is held at the Oakridge Shopping Center.

Last year Yerba Buena's Phuoc Ngo received first place in the Senior Portfolio contest where top senior from the East Side high schools participated. Phuoc received a scholarship and is now attending San Jose State University.

Children's Center

The Children's Center is designed to help high school students prepare for a job related career in child care, and to develop an awareness of future family responsibility. The child development lab helps students to understand the development and the physical and emotional needs of young children by participating in the lab daily. This year students planned Halloween, Christmas (including Santa Claus) and Easter parties, given for the children at the center. Oh Halloween, students and children paraded through the high schools in costume. Our big fund raising event this year was designing and selling "Yerba Buena children center" T-shirts.

Compensatory Education

The Office of Federal and State Program has made its primary goal for its student program growth in basic skills, especially in Writing. Its priority is to bring Career Education & Practical training of its students through the Career Center Program and the Singer Vocational Lab.

In the areas of Multicultural Activities State & Federal Programs sponsored a Multicultural Week in April and "Open House" in March.

The Multiculture Newspaper sponsored a "Cambodian Issue" in March 1984.

Federal & State Programs honored parents, students, & staff at the Annual Parent/Staff Recognition Night in May.

English Department

The English department has been involved in many activities this year. In addition to helping our students increase their individual skills in reading, writing, and job-related skills, we have worked very hard to prepare them for the AB-65 testing that they must pass in order to graduate from high school.

Our ESL department has worked with great devotion and enthusiasm, helping students new to our language and our culture.

The English Lit Club has been involved in multiple productive activities, including their usual spectacular musical in the spring time.

English teachers district-wide have devoted a great deal of time to planning the implementation of a new English curriculum in 1984-85. We hope that when our students return to school in the fall, they will return to a new, and even better English program.

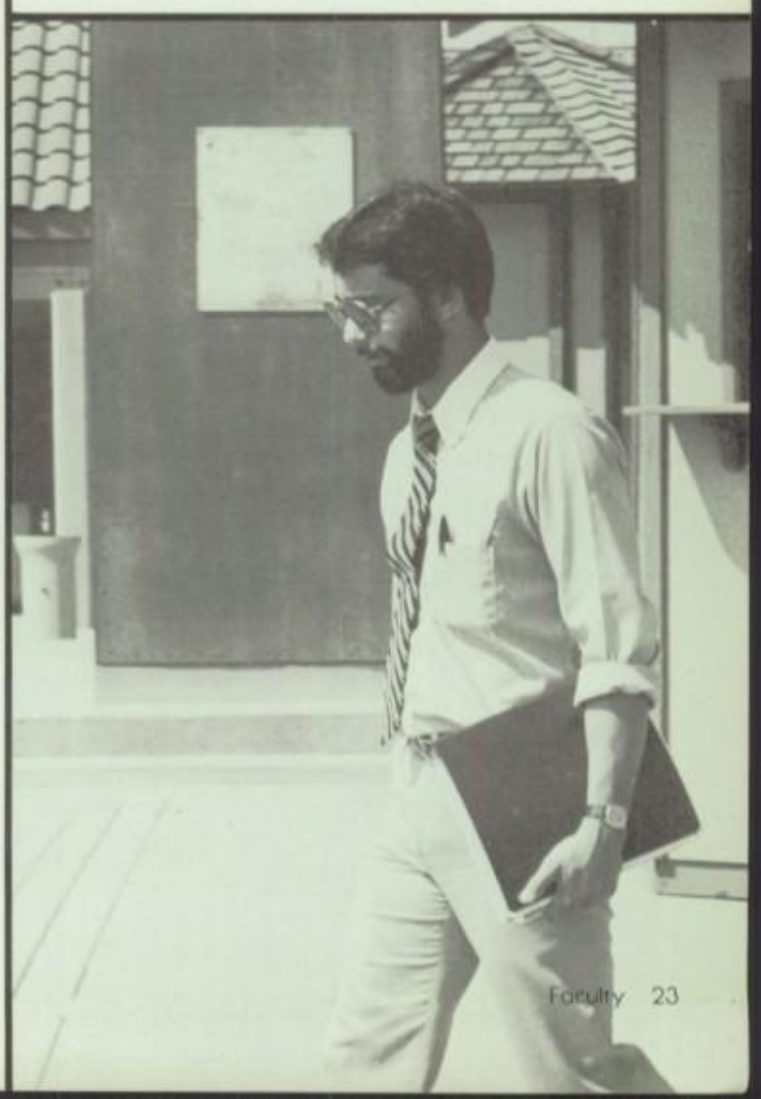
Foreign Language Department

The Foreign Language Department grew with the great influx of students this year. French continues to be popular, with Mssrs. Ton That and Tran teaching along with Mrs. Kitchin. Mrs. Kitchin added lessons using the school Apple computer and the students responded well to this. The yearly field trip to the Defense Language Institute in Monterey took place in May and was again very popular with the students. Mrs. Maes' and Mrs. Harvey's classes did some nice projects which included short skits, art projects, and reports.

Health Services

Immediate first-aid services were offered by Mrs. Barron every day in the school's health office.

Special referrals, screening clinics, and counseling groups were offered by Mrs. Esquivel — our school's registered nurse. During the year, health screening for new Indo Chinese Students was offered on an ongoing basis. Separate immunization, dental, and high blood pressure screening clinics took place throughout the year. Our purpose was to immunize, educate, increase awareness, and to provide assistance when necessary. Preventive mental health counseling groups were held weekly for students who were having school and/or personal problems. Counseling groups helped students to effectively learn to communicate and improve concentration in school work. Students also learned how to adjust more readily to changing or new situations.



Roseanna Jones – Mathematics. **Brenda Jordan** – Home Economics.

Bill Kiely – Mathematics. **Millie Kitchin** – Foreign Language, French Club Advisor.

Dan Leong – Mechanical Drawing. **Penny Levitus** – Women's P.E. Dept. Head, Varsity Volleyball Coach.

Stan Lorente – Business Education, Mathematics. **Steve Lucero** – Woodshop.

John Lyon – Mathematics. **Kevin Lyter** – Science Dept. Head, Academic Decathlon Advisor. **Jose Maes** – Foreign Language Dept. Head, Chess Club Advisor. **Grace Maestas** – English. **Victor Maestas** – Social Science.

Helen Mah Low – Mathematics, Computer Club Advisor. **Carolyn Marck** – Child Care Supervisor. **John Martinez** – Physical Education, Athletic Director. **Magdalena McCoy** – Physical Education, Varsity Tennis Coach, Frosh/Soph Basketball Coach. **Mary McElroy** – English.

Orlando Michelon – Mathematics, Safety Education. **Edna Miller** – Mathematics, Math Club Advisor. **Robert Miller** – English. **Robert Montoya** – Science, C.S.F. Club Advisor, Mesa Club Advisor. **John Mora** – Art, Jr. Anglers Of America Club Advisor, Class of 1987 Advisor.

Jerry Mullins – Counselor. **Anna Musumeci** – English, Reading Consultant. **Cynthia Hays-Musumeci** – Special Education, Special Olympics Advisor. **Ben Neveras** – Social Science. **Doris Noriega** – Science.

Andrea Ocamb-Winters – English, Spirit Club Advisor. **JoAnn Olvera-Bohn** – Counselor, English Lit Club Advisor, Academic Decathlon Advisor, Musical Director. **Macario Ortiz** – Social Science, Soccer Club Advisor, F/S Volleyball Coach, Soccer Coach. **Deborah Perez** – Social Science, C.S.U. Club Advisor. **Bich Pham** – English, Vietnamese Club Advisor.

Linda Pico – Physical Education. **Dianne Pors** – Mathematics Dept. Head, Academic Decathlon Advisor. **Nancy Pors** – Special Education. **Arlene Ramon** – Special Education Dept. Head. **Ann Reid** – Science, C.S.F. Club Advisor.

Paz Rocha – Business Education. **Doug Roselli** – Science, Class of 1986 Advisor, Spirit Leader Advisor.

Al Russel – English. **Donna Ryles** – Mathematics, Physical Ed.

Paula Schineller – Mathematics. **David Schmidt** – Auto Shop, Industrial Education Dept. Head.

Juan Sierra – Art Dept. Head, Academic Decathlon Advisor. **Ed Sims** – Social Science.

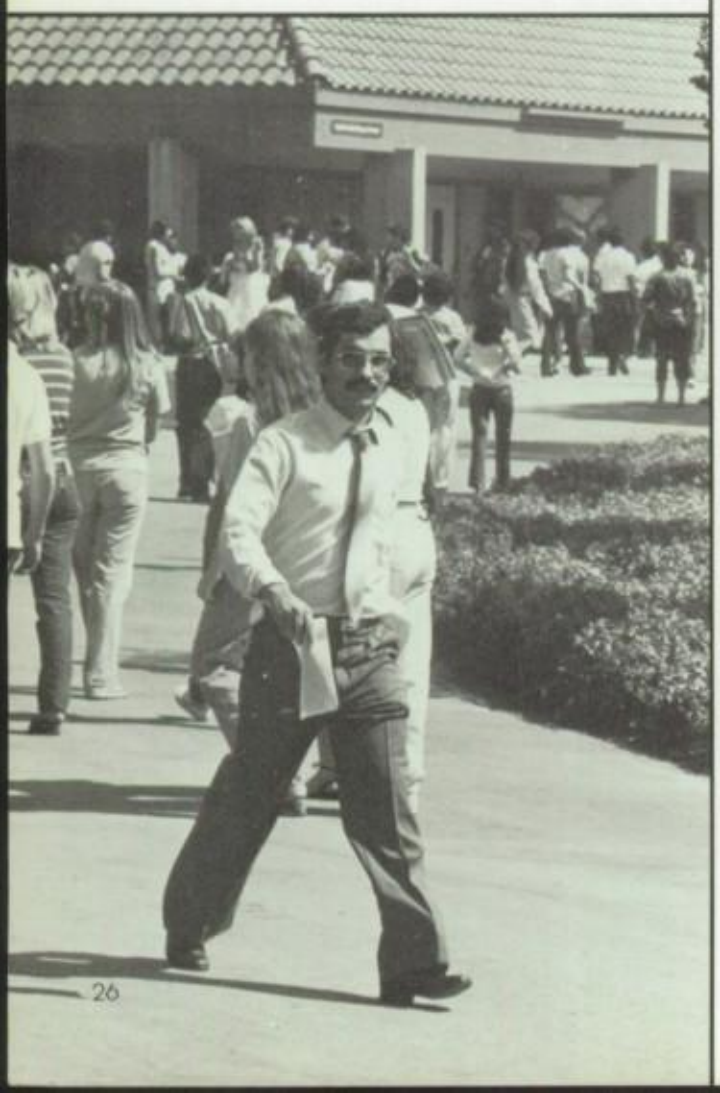
Home Economics Department

The Home Economics Department is doing many of fascinating and educational things.

The Foods 3 classes are doing lots of exciting things. They take a "trip around the world" and study many cultures, preparing their native dishes. We also learn professional cake decorating and each student makes and decorates their own cake. They look like they were purchased at a bakery!

Independent Living is a course designed for anyone who plans to move out on their own sometime in the future. Some ideas covered are: budget planning, apartment hunting, and furnishing, chemical abuse, career and college planning, job interviews, and human reproduction and relationships. This class is a necessity for any young adult.

If you're interested in sewing, designing, or modeling some of today's latest fashions, come join us in our clothing classes. Guys, you're truly welcomed also.



Industrial Education Department

Another successful year was enjoyed by the Industrial Education Department at Y.B. We ran a full load in '83-'84 and further integrated "High Technology" and practical job training into many of our classes.

Students enrolled in Wood this year shared the victory of the "Best of Show" win by a Y.B. student at the county fair. This was the first time that the award was swept away by an Eastside school beating the usual winner, Saratoga H.S. Congratulations are due to Mr. Lucero & his students.

As metal students completed their quality projects in sheet metal, casting, forging, welding, & precision machining. Mr. Campagnolo & his students looked forward to the many 1st place awards won every year at the Santa Clara County Fair by Y.B. metal students.

Technical drawing posted a high quality display in the library during much of the year, showing some of the illustration & air brush techniques that make Mr. Leong's programs so popular.

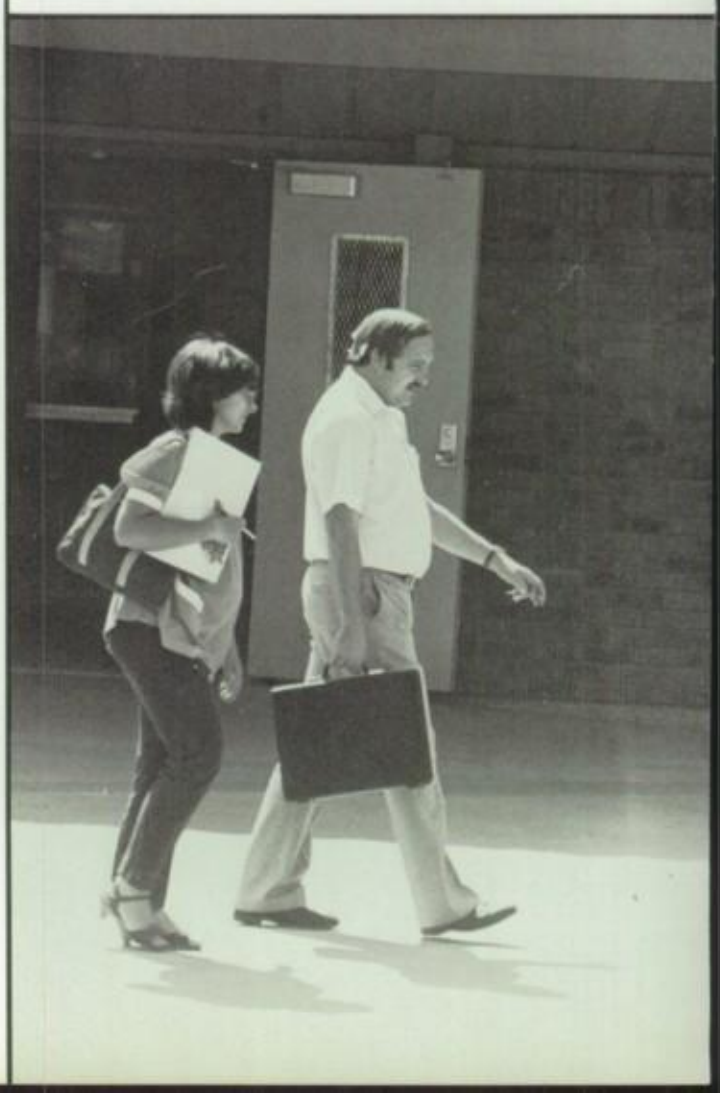
Electronics offered 6 classes this year because of high demand. Mr. Soffiotto developed a highly successful program that's a model for electronics classes throughout the state.

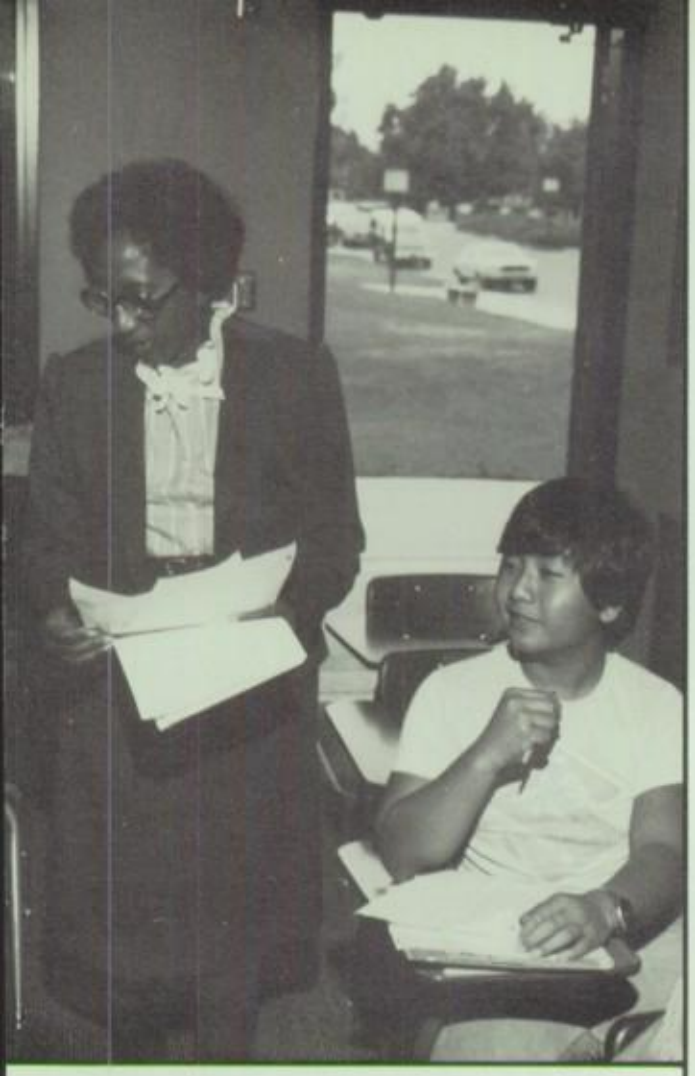
The Auto Lab recieved a 1976 Demo car as a gift & purchased some specialized equipment to speed wheel alignment & engine rebuilding. They survived their largest classes ever.

Library

This school year the main goal and challenge for the library was to have enough books to meet the demands of our large student population. Federal money partially alleviated the situation.

Another goal was to encourage the students to use their library and take care of their resources.





Safety Education Department

Our major goal was to teach more than what is needed to know. We stressed attitude as the major source of driver conflict. Another goal was to emphasize defensive driving as a tool to use to reduce driver conflicts. The students were exposed to films, lectures, and class activities that were aimed at specific attitudes.

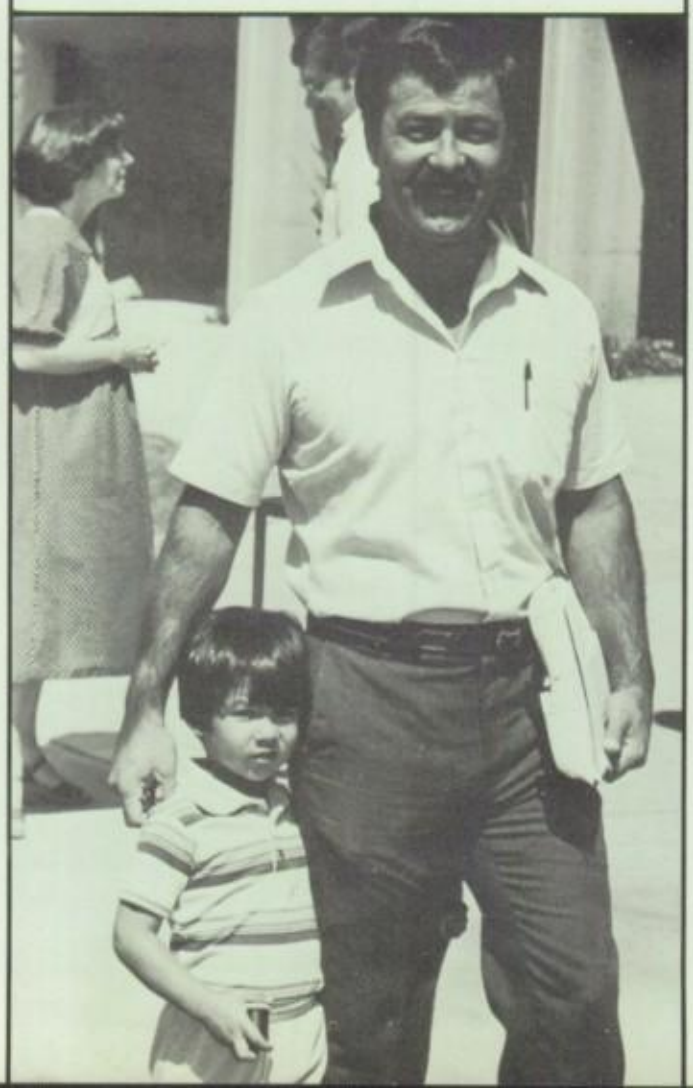
One specific goal we had was to get the students to wear seat belts and not drink or use drugs while driving.

In our Drug Abuse section the emphasis was on how students thought, attitudes and conflicts that caused stress and what alternatives are available.

First Aid gave the students the opportunity to wrap up victims of accidents. CPR and mouth to mouth were stressed. The students explored many types of accidents and how the basic care for these injuries will help relieve pain and suffering.

Reading Department

The goal of the Reading Deparment is to help the reading students improve their reading skills according to their individual needs and at their own rate of speed. This is done by prescribing lessons to meet the needs of the individual student. Each student becomes totally involved in the reading development process in terms of his language and reading experiences. The student is introduced to a variety of aural, oral, visual, and writing skills needed to improve his reading. With this approach, reading students should be able to improve their reading skills significantly.



Science Department

1984 was a great year for Y.B.'s Science Department and Science students.

Our goal of excellence in education through participation took students to heights never before seen on the Y.B. campus. Members of the Academic Decathlon Team scored high in Science, and team member Boonyong Meksovan brought home the gold from the county wide competition.

More students than ever before found out the road to higher education leads through Biology, Chemistry, Physiology and Physics. Biology students led by Mrs. Wong, Mr. Isberg and Ms. Reid visited Yosemite, designed and entered projects for the Science Fair, and found themselves as camp counselors at the YMCA's Camp Campbell in the Santa Cruz Mountains. Mr. Montoya and his Chemistry students delighted the rest of the school with the annual "Chemistry in Action" demonstration show. Physiology students got a chance to put their skills to work and sponsored two Red Cross Blood Drives. They also spread the word about High Blood Pressure to all Y.B. students and the community (including City Hall!!!). And for the first time Physics students spent a winter night star-gazing with Mr. Lyter and drinking hot cider and soup.

1984 will be remembered as the best year for Y.B. Science.

James Smrekar – English. **Nick Soffiotto** – Electricity. **Steve Stubbs** – Photography, Photo Club Advisor, Yearbook Advisor. **Russ Tanaka** – Science. **Art Taylor** – Social Science, B.S.U. Club Advisor.

Mike Therrell – Social Science. **Dong-Nai Ton That** – Foreign Language, Social Science. **Tony Tran** – English. **Lisa Unruh** – Home Economics. **Al Vacio** – Physical Education, Head Track Coach.

Brook Vasconcellos – English, Varsity Football Coach. **Colleen Watson** – English. **Sharon Wheldon** – Special Education, Class of 1984 Advisor. **Susan Wong** – Science, Science Club Advisor, Yosemite Club Advisor. **Frank Garcia** – Counselor.

Social Science Department

Social Science Department Goals: In addition to teaching the basic Social Science curriculum, Citizenship, Economics, Geography and History, the Social Science department also stresses great importance on enhancing and promoting the real purpose of education, which is preparing the Student for Adult Life. This goal is accomplished by stressing basic reading and writing skills, decision making, good discipline habits, and cooperation.

To ensure the future survival of our students, the department feels that the qualities a graduate should have are: high motivation, dependability and responsibility, to name a few. This is the direction in which we aim our students.

ACTIVITIES: December — 10th Annual Around the World Christmas Program; April — Faculty vs. Students' Basketball Game, Multicultural Spring Music Festival; February — Black History Program/Drama Production; March — Social Studies Schoolwide/Community Talent Show.

Special Education Department

Special Olympics: This is our third year that we continue to have a Special Olympics Program at Yerba Buena High School. We are the only high school in our district with such a program! Our special olympic team placed first in the "A" Division at the Santa Clara County Soccer Tournament on October 22, 1983. We had two atheletes take first and second in the 1½ mile state cross country run. We also participated in floor hockey, roller skating, basketball, swimming, softball, and track and field.

Women's P.E. Department

The goals for our department are to try to incorporate varied activities within the program, to give the students not only a balanced but diversified curriculum. And the goal is to allow the student a successful experience in physical activity so that upon leaving high school he/she will want to continue in activity of same kind for the rest of his/her life.

For the first time this year we are teaching aerobics as a new offering and the more students that are learning about it, the more successful it is becoming.

Custodial Staff

Standing: Frank Oropeza, Dan Lopez, Ed Rosa, Daniel Duarte, Harry Sakogawa. Kneeling: Antonio Ayala, Paul Holand (Head Custodian), Jacob Ignacio, Miguel Silveira.

Cafeteria Staff

Back Row: Judy LeMasters, Nancy Lopez, Lillian Stedman. Front Row: Carmen Colson, Betty Drought, Beverly Aceves.

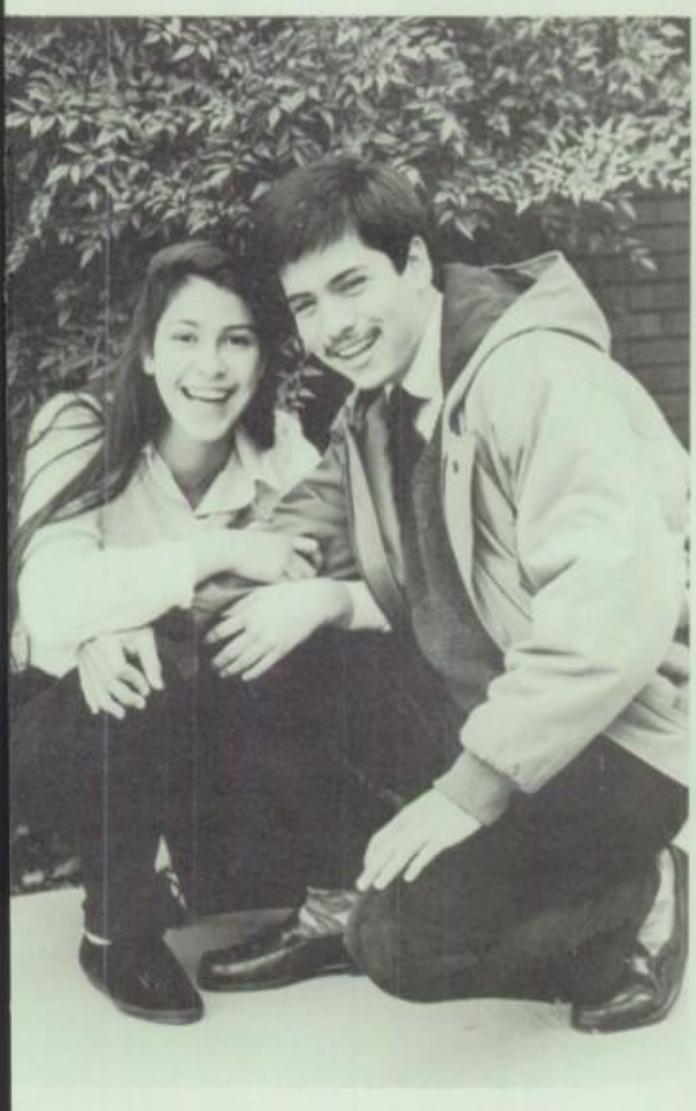
Mauricio Cuevas, who is ASB President. He plans to become an electrical engineer.

Class
of
1984



The Seniors of "1984" were awesome. They won spirit week and they were all charged up about Fantastics. The Senior Ball at the St.Claire April 27th was a blast, thanks to the hard work of the class officers Michelle Hannibal, Shirley Rocha and James Garcia.

This year the Seniors' spirits were very high. They worked on many projects such as fund raisers, Sadie Hawkins Dance, and the Senior picnic.

At their graduation they were privileged to have the Army Band play, which was an all-time first. We, the Seniors of "1984" believed in tradition and hard work — this was the key to our success. May the spirit of our class always be remembered here at Yerba Buena!

Being Means

a Senior
Going for Broke!

"Dad, the rep. from Jostens is taking class ring orders today. Could you give me the $40.00 deposit, and I'll pay the rest when it comes? . . . Thanks Dad, I love ya, see you after school."

"Mom, wake up quick. I just got out of 2nd period and today is the last day to buy caps and gowns. I need a check for $13.09; make it out to Jostens."

DDRRRing . . . "Hi Grandma, this is Tony. How is everything? I was wondering if you could possibly help me pay my $30.00 application fee to Cal Poly . . . OK Grams, thanks a lot. I'll see you Christmas vacation."

Dear Dad,

Just a quick note to let you know I've been thinking about you, and also I need $11.50 to take the SAT, $22.00 for my yearbook, $25.00 deposit for senior trip, and $7.00 for my ASB card. I've also ordered my senior portraits, and they came to $203.00. These things are urgent. Please send money soon.

Seniors Have It Easy? Ha!

The only required class of a Senior was Civics, therefore it would seem study time would not be difficult to fit into a Senior's schedule — guess again. With the hassles of meeting graduation requirements, passing college exams, and coping with Senior life itself, some Seniors have informed the yearbook staff that they take in studying wherever they can. However, reading a chapter of American Political Behavior while driving can be hazardous. Also, reading while walking to class can be tripped up before starting. Therefore, it is best to give up the extra time usually spent socializing, and find a quiet place to (Yes, you can) study.

Special Parental Messages

Le:
You have been a wonderful daughter! Your future succes is assured!

Your Loving Parents

Dan:
Congratulations, Son!
We are very proud of you. Continue your education. We are all behind you.

Mom, Dad
Paul & Cruzsilla

Train up a child in the way he should go and when he is old, he will not depart from it.

Prov. 22:6

Giao:
We know that you're going to continue to make us very proud of you.

"We all Love you."
Your parents

Mark:
Congratulations! We know that your future is bright!

Kim:
We all love you. We are very proud of you.

Your Folks

To all graduating seniors: Congratulations! Your persistence and hard work have paid off!

Elvia Loya I leave my heart to all the Teachers I had in the past 4 years. Thank you for everything. I will always remember you all with love.

Jim Buantello I, Jim Buantello, hearby leave my 4.0 G.P.A. to Luie and to Joe I leave my advice "Don't Cut!" Good luck to the class of 85!

Linda Ny Heng I leave all my love and kisses to Mrs. Musumeci, all my smiles and giggles to Mrs. Harvey, and all my hugs to Mr. Foehr.

John Mishkanian To all my relations, I leave my memory. To my former teachers, I leave my undone homework. To my friends, I wish good luck.

Giao Tran I would like to thank Mr. Hare, Mr. Montoya, and Mr. Stubbs for all their help throughout the years.

Senior Wills

Castor Calvillo I hereby leave my doctor who video, comic, rock, model, and coin collections to the Smithsonian Institute.

Millicent Cardillo Dear Mom and Dad: I would like to thank you for being sweet parents. Also, thanks for helping me with my education. Love, Millicent.

Rosana Santiago To all seniors: We've had 4 great years. We came in with the winter Olympics and are going out with the summer Olympics. Good luck in all you do.

Luana Montez I will my little Red Corvette to Adam Garcia, my spare time to Lorente, my unfinished work to Mr. Smrekar, my accounting mistakes to Mr. Rocha, old times to Norma. Dynamic Duo lives on! My sincere love to Charlie Imys.

Angela Simpson I leave to you my deepest gratitude for 1983-84. It has been the livest year and I am proud to be a senior at Y.B. Good luck, my fellow seniors!

Hoang Kim Van Hi, Ha. You are so nice to know, and I would like to say thank you for everything. I hope to see you around sometime. Forget me not.

& Messages

Vanessa Reed To Sonja Midget and Angie I leave my lunch tickets. And to my baby, Kerwin, I leave my love.

Diane Orozco To all my friends, Have a nice summer and Good Luck in the future. Bye, Norma Jean and Lupita Brown! Your friend always, Diane Orozco.

Kimberly Klish I'd like to thank Syl, Jo, Jr., Mona, Kelly, and Liz for being my Dear Friends. You all mean a great deal to me. Luv, Kimberly Klish.

Kim Klish To Sylvia Guzman: Yea! We finally made it. We've been through so much together. I'd like to say thanks for being my best friend. Luv, Kimberly Klish.

Mauricio Cuevas I bequeath all of my offices to Mai Anh. I entrust the continuity of school spirit to the future classes of Y.B. Hey Michelle, we finally made it!

Mark Tran First of all, Best wishes to the class of 84. Good luck to those who are going to college or universities. Keep up the good work. Special thanks to the staff of YBHS.

Norma Zamora I will my sincere friendship to Scotty, my serious crush to Mr. Smrekar, my tardies to Mr. Mora, my errors in accounting to Mr. Rocha, my greatest memories to Luana. Sharky, we miss you!

1983-84 Favorites

Student Messages

Kimberly Ramsey Thelly, Good luck at SJSU in the years to come. To all my Friends: I wish you the best of luck in the upcoming years.

Becky Gomez Lisa: Get ready for crazy 1985! Becky.

Lynette Jacinto To Millicent: Have fun during your college years. To Derrick and Shedrick: Pals 4-Ever! To all my friends: Hope you guys get what you want!

Mario N. Orozco To all my friends: I want you to have the best of luck because you all deserve it. I also want to say "Stay nice and stay friendly."

Nestor Ramos Little Bird and Miss Phillippines pinays. Love Pinoy!!! Pinoy like Bad Rock of Song.

Shelly Rivera To: Lucy Pinheiro, I just want to say, "I Love You!" from: Shelly Rivera.

Z. C. Little bird look out for Pinoy because they're players.

Karen Stewart I'm leaving my old books and pencils to my best friend, Cheryl Jones. Have a great year. Your friend, Karen Stewart.

Someone who loves you To Robert Grande: You're a very special friend. I would have liked to spend more time with you. I had a lot of fun when I was with you.

"Eddie Money" Hey "T" Best friend. You kept me sane and calm thru the years. Keep your chin up and don't worry about that Brad! Luv Ya! E.M. Rocks!

Laura Vasquez Rudy Tellez: Good Luck with the Furious Street Breakers! You Too, Rodino!

Someone To Mr. B., A very fine looking guy. Glad we are friends again. I will never forget you after all we've been through. Good luck in the future. "Truely Yours."

Junior Class of 85 We are leaving our last Testimony to the Yerba Buena choir for making the year enjoyable for the classes of 1984-1988. God Bless!

Sommay Phanthasomchit To my brother: Best of luck at College next year! Congratulations!

David Earl I'm going to miss you Seniors. Too Bad you're leaving. I was going to treat you to Santa Cruz beach Boardwalk, but you're leaving. Good Bye!!

Y. HeavenBee Vang Ying is the Heavy Metal Nija. He is BAD and he's on top as long as the music's loud. Rock on! Love to all my chicks.

Donny Smith I'm leaving a message to a girl who is pretty. Belen Nava: you were always on my mind and I wish that we could get to know each other better.

Ted Michael I, Ted Michael, want to say hi to all you freaks out there. I want you all to know I'm watching all your moves, if you know what I mean.

Anthony Gil To Jennifer: I'll never forget you. From Anthony.

Isabel Favela, Maria Reyes, and **Sofia Hernandez** Alex Guttierez: Good luck and we hope you do well at St. Mary's or wherever you'll be going. Take care. Your friends always, "us."

Sonya Perez Class of 85! Next year is ours!

William Jackson To a special person I'm going to miss after she goes to N.M. I wish you luck in the future and Let's still keep our friendship even though we'll be hundreds of miles apart from each other.

Anthony Martinez To my friend Luz Maria, the best looking girl on campus. From your friend, Anthony. P.S. Have a great year in 1986. I will miss you!

Tuyet Tran I would like to say thanks to all the teachers who helped me this year: Mr. Vasconcellos, Mr. Stubbs, Mr. Smrekar, and Mrs. Harvey.

Hey! This Is Becoming Fun!

Class of '85

The high spirited "Class of '85" is very much alive. Its class officers were very involved in student government. The Juniors did very well in the Fantastics competition and everyone had a great time at the prom in April. Next year's Seniors will be the people to beat!

January	27	Junior Class Dance
February	14	Valentine's Carnation Sale
March	3	Paper Drive
March	14, 21, 28	Practice for Fantastics
April	6	Fantastics
April	9-13	Easter Carnation Sale
April	27	Junior/Senior Prom
May	5	Car Wash
May	27	Flea Market

"B" Period at last!

And Tom Selleck said . . .

Potential Parents Learn About Child Care

Learning about parental responsibility and the stages of childhood development are just some of the many things that students in child care classes learn.

In such classes, students learn through first-hand experience, since taking care of small children during class time is a vital part of the program.

The class is an elective for Sophomores, Juniors, and Seniors, although instructors Kathi Andrade and Carolyn Marks feel it should be a required course. Students study child behavior, which is vital to planning activities for different age levels. The purpose of the class is to make students more aware of children, their needs, their differences, and the responsibilities involved.

A Great Year!!

The Sophomore class, led by Nhat Doan, Lisa Nguyen, Jennifer Gray and Jo Jo Gavivla, have been waging a very close war with the Junior and Senior classes.

During Spirit Week, the spirited Sophomores managed to come in the second by using the pajama party theme. At the Homecoming Game, their spirit was very obvious and they were awarded the most points for their enthusiasm that night.

In December, the Sophomore class really went to work. A clean up campaign was employed to show the importance of keeping Y.B.'s tradition of cleanliness intact.

The Jack Emery Driver was aided by the Sophomore class donation of 436 cans. Thir winning total far exceeded the Senior class by more than 300 cans.

A talent show was planned for February to help the sophomores make money for thir future prom. Aside from candy sales, the Sophomores sold baseball jerseys to help generate revenues. Practice for Fantastiks began early and helped the Sophomres do respectably in the competition held in April.

It was a gorgeous Indian summer day, so we all enjoyed getting out of class so that we could work on our tans as well as hear about the exciting plans for the the new school year!

Early in the year, we all gathered together on the football bleachers so that we could meet our school administration and 1983-84 Associated Student Body Officers.

Finally, you really broke through. It happened when you started your first extra-credit project for your history class. As the due date approached, you began to think of your difficult task. At first, it was just another assignment; then you got into it. Your attitude changed from one of worry and frustration, to one of enthusiasm and ambition. Using your imagination you surprised yourself and created something you thought beyond your ability. You discovered that creativity wasn't just a vocabulary word to be studied and forgotten; rather, it was a way of learning, of expressing your ideas. You looked around, amazed at what you had been missing. School took on a totally new light as creativity offered new dimensions of self-expression. You found your classes contained not only textbooks and tests, but also ways for you to express your thoughts. Beginning to understand the depths of your own potential, you found new parts of you waiting to be explored through writing, photography, art, drafting, and sewing. The important thing was that you had recognized some of your talents which could become indispensable in the future. In putting yourself out and striving for the best, you gained a sense of respect for others who possessed talent, and you felt a sense of pride and accomplishment in your own personal achievements.

Freshman Class of '87

The Freshman Class had a slow start this year, but it was active during Spirit Week and made a strong comeback in '84. In January the Frosh concentrated their fund raising efforts on gift gadgets for Valentines Day. The Class of 1987 will be a power to contend with next year!

Birthdays
We All Had One!

As all of us know, we all have birthday celebrations. Once a year, each of us has a special day when we are pinched, spanked, and wished many happy returns. Even if we don't plan to tell our friends about our special day, we are secretly pleased when they find out!

1983-84
Spirit Week

"We are the Champions!" was a favorite expression with all the classes during the week of October 5 through October 9. Each day students began to appear on campus at 4 AM, often carrying flashlights so that they could see what they were doing. By 7:00 the school would be transformed with streamers and signs.

Monday was Pajama Day. Sophomores with their teddy bears in tow were seen romping around campus. The school was taken over by a legion of Freshman Romans on Tuesday. The Middle East came to Y.B. on Wednesday when the Junior Shieks showed their spirit. When the sun rose Friday, the Y.B. campus was dominated by Seniors in Army fatigues.

The results of the competition: 1st place, Class of 84; 2nd place, Class of 85; 3rd place, Class of 86; 4th place, Class of 87. Thanks to everyone for a great Spirit Week!!

The Most Spirited Week of All!

Halloween Excitement!!

TRICK or TREAT!

Like many other school years, spirited Y.B. students and faculty members participated in our traditional Halloween Costume Contest. This year's contestants competed in the categories of originality and overall appearance. The student winners were: 1st place, Mary Ann Sotille for her Monster, 2nd place winner, Hoang-Dung Nguyen as a "vampiress" and Seniors Chela and Susan received 3rd place for their giant M&Ms.

The 1st place Faculty winner was Mr. Doug Roselli for his Unique Generic costume. Mr. Al Vacio took 2nd place with his super pose as Superman and Ms. Elsa Barron went away with 3rd place for her image of a Y.B. punk rocker.

As a result of the many unique costumes, everyone had a great time!

"When you see a guy reach for stars in the sky, you can tell that he's doing it for some doll!"

Adelaide and her "psychosomatic symptom"

Entertaining ladies of the Big Apple

Gamblers enjoy the company of a few "ladies"

David and Mary show their stuff

Hot Box Girls fed up with their fellows

Guys & Dolls

Gamblers Mike, Art and Chris make their bets

The General brings confort to sister Sarah

All eyes focused on the Yerba Buena stage for the English Lit. Club 1983 production of "Guys and Dolls!" Characters created by Damon Runyon came to life as Sky Masterson, Nathan Detroit, Nicely, Nicely, Miss Adelaide and sister Sarah Brown. There were smiles and laughter and an altogether rollicking good time as the cast sang and danced to old time favorites such as "My Time of Day" and "The Oldest Established Permanent Floating Crap Game."

Havana Dancers boogie "all night long"

Nathan and comrades sing their hearts out for N.Y.C.

Adelaide and girls pour out their sorrows

1983 English Lit. Production

Homecoming Dance

A large crowd attended the Homecoming Dance, which was held on the Friday before the Homecoming Game. We all waited anxiously as the Royal Warriors arrived in a special limousine. After the new court had been introduced, the 83-84 King and Queen were announced. They were Chris Gurley and Diana Diaz! Their court included Liz Ochoa, Corney Ross, Kristin Knoughtson, Westly Schrop, Josephine Valdez, and Alvino Sandoval.

Queen Diana Diaz and her date.

Dancing the night away!

Honor Student Luncheon

During February a special luncheon was held in the Home Economics Lab to honor those students who qualified for the Superintendent's Honor List with a perfect 4.0 grade average. Those students included: Cynthia Davis, Mary Fuentes, Back Bu Kuoch, Meksavan Bounyoung, Susan Russell, Thanh Q. Vu, Dawn Abbey, Bernie Baker, Diana Castor, Lang My Hoang, Anh Tuan Nguyen, David M. Nguyen, Dinh Chi Nguyen, Phuong Thanh Nguyen, Tran T. Nguyen, Diana Pereira, Koha D. Pham, Karen Schneider, Jan Tominaga, Diem Ngoc Vu, Dung M. Vu, Raul Figueroa, Hau Ho, Thanh H. Ly, Linh Ngoc Nguyen, S. Lisa Nguyen, Quang K. Pham, Duc Tien Pham, Encorracion Pyle, Kwei Kim Leung, Thanh Phuc Luu, Hoang P. Nguyen, Kha H. Nguyen, Khanh Nguyen, Tuan Quoc Nguyen, Uy A. Nguyen, Thoai Q. Tran, Kham Vo and Triet M. Vo.

Yosemite Program

The Yosemite Program is the real life study of the ecology unit in Biology. The students study eutrophication, renewable resources of the forests, different types of plants and animals, and many more of nature's phenomena.

The group of students who attend the Yosemite Program have various years of experience ranging from one year to three years. The first year group embarks on a more generalized program, while the second and third year have a more rigorous and demanding program.

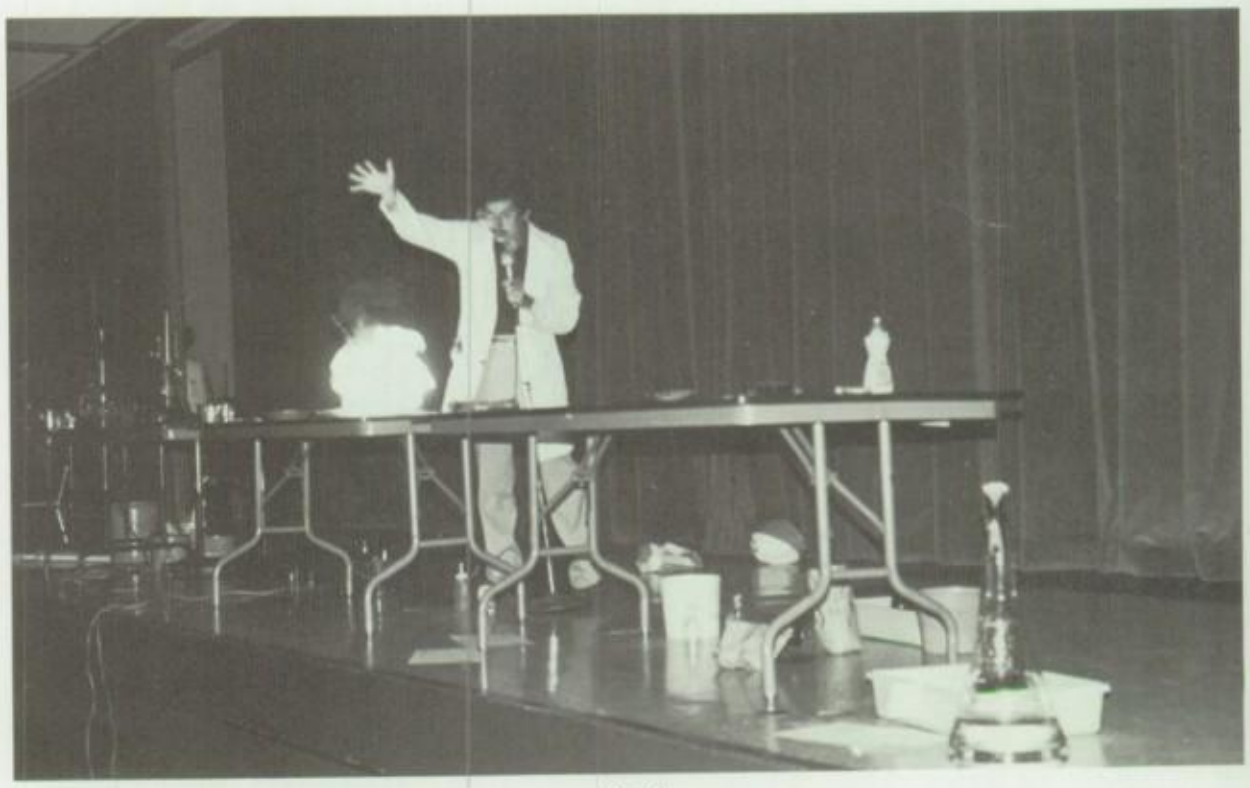
The group visited such places as Crane Flat, Half Dome, Merced Grove and Yosemite Valley. The students, faculty members, and Yosemite Institute staff learn more about themselves and each other. Everyone has a great time cross-country skiing, snow-shoeing, and participating in frontier living.

Next year, you can join us for a week of fun-filled education.

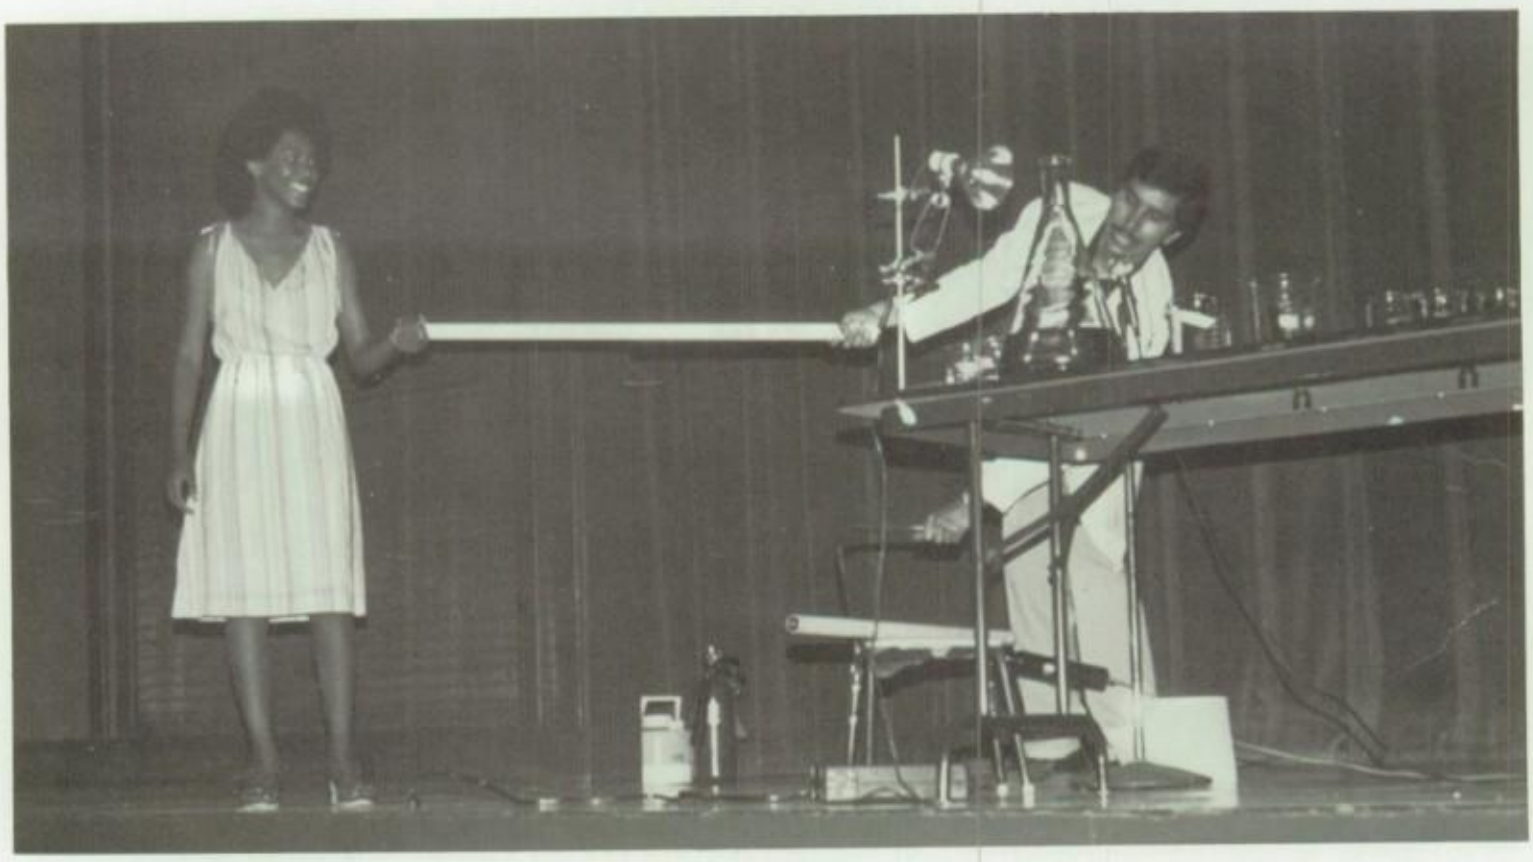
Mr. Montoya prepares us for the thrills to come.

Science "Magic" Show

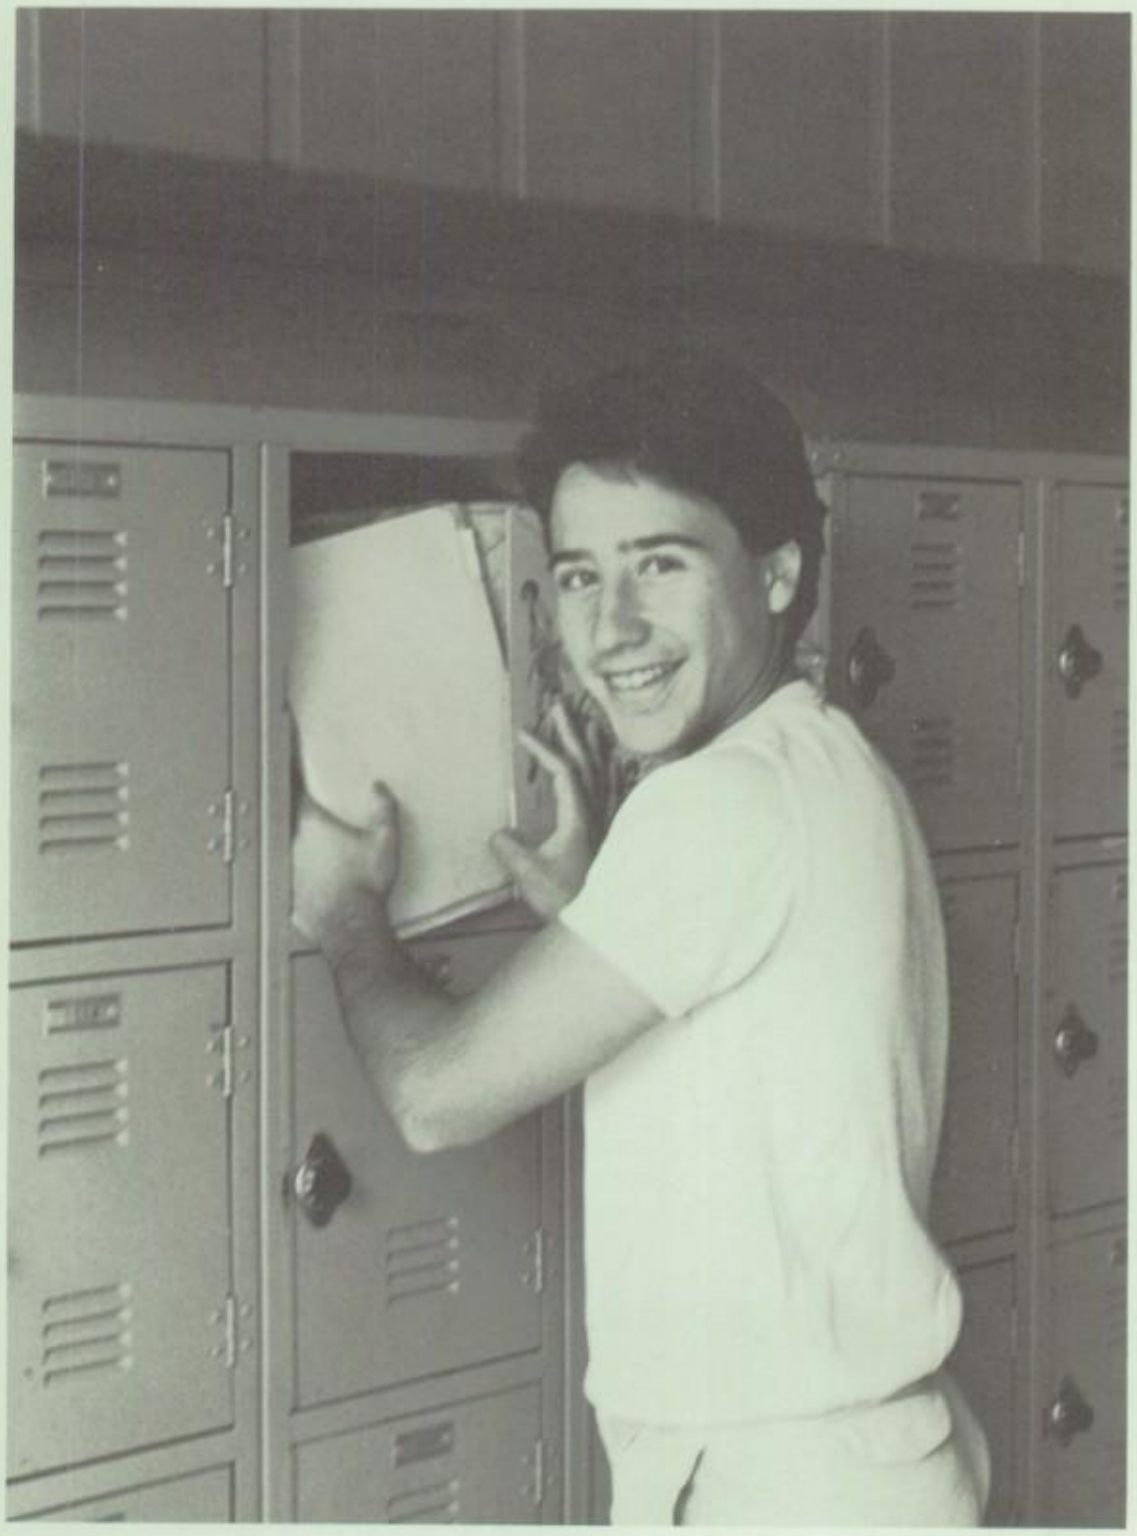
Each year Mr. Montoya surprizes and dazzles us with his display of "magic." We won't divulge his "secrets," but if you take a Science class . . .



Poof!!



"You light up my life!"



Foreign Exchange Student

This year we were privileged to have a foreign exchange student from Bilbao, Spain. Carlos Perinat, who attended Y.B. as a senior, was kind enough to allow us to ask him a few questions about his homeland and his impressions of the U.S.

Q: What do you miss about your home?

A: Principally the people, like my family and my friends.

Q: What are your general impressions about the U.S. and its people?

A: My first impression was that the U.S. is a great country. Its people never lack space or resources. Unlike European countries, this is a very new nation.

Q: What do you dislike about the U.S.?

A: The thing I dislike about the U.S. is that the cities are spread out. You always need a ride (either car or bus) and because of that, people don't know each other.

Q: What would you like us to know about your country and its people? Do we have mistaken ideas about them?

A: Although it's true that we are behind in some scientific fields, we may be ahead in other ones (like, for example, the arts) but what we have for sure is almost everything you can find here in a shopping center, although there's not such a variety. As for the Spanish people, I think we're friendly and we are famous for our hospitality.

Academic Decathlon

Each year the County office of Education sponsors a County wide Academic Decathlon. In this highly spirited and intense competition, nine students from each school are asked to compete in ten academic areas. These areas include Literature, Essay, Speech, Interview, Math, Science, Social Science, Economics, Fine Arts, and a Super Quiz which this year was based on the Olympics.

Certificate winners this year included Fred Sossaman for Interview, Kersten Ramsey for Math and Bounyong Meksavan for Science and Math.

Bounyong Meksavan also won the Bronze medal for Math and the Gold medal for Science.

California Scholarship Federation

The California Scholarship Federation (CSF) is dedicated to promoting academic excellence, which prepares the members to excell in college.

The importance of achieving excellent grades is emphasized. One way to reward the senior members for their academic achievements is to give scholarships. Other members are rewarded by participating in the annual CSF Disneyland night, and a field trip to the manteca waterslides.

Criteria for CSF membership: honesty, integrity, scholarship and leadership. CSF members must maintain a 3.5 grade point average (NHS members need a 3.0 grade point average).

English Literature Club

The English Lit Club started with a few students in 1977. The purpose of the club was to bring cultural awareness to the school in the form of fine arts. Since that time, the club has sponsored "An Evening at Mead Hall" with all the pageantry and color of a Renaissance banquet. Other activities have included a spring drama production. This year's production was "Grease."

Each year an Executive Staff is appointed to organize and execute all the club's activities. This year's Executive Staff included Art Valdez, Patty Munoz, and Mai Anh Nguyen.

Future Business Leaders of America

Future Business Leaders of America is an organization supported by business leaders and is incorporated with Phi Beta Lambda. F.B.L.A. is divided into sections and state chapters. Yerba Buena's Chapter is categorized under the Bay Section of the State Chapter. There are thousands of other F.B.L.A. organizations throughout the nation.

F.B.L.A. sponsored a pumpkin, Carnation, mistle-toe, and Jerky sales on campus. Off campus, we were involved in conferences held in Fresno, Statewide, members of F.B.L.A. will compete in South San Francisco in March 3, and a Nationwide Competition will be held in Atlanta, Georgia during the summer.

F.B.L.A.'s goals are to encourage business leaders to become involved in a free enterprise type of business.

Junior Anglers of America

The Junior Anglers of America was a new club this year. The club consisted of about 22 members. President: Sam Barragas. Vice President: Edwin Carcamoe. Secretary/Treasurer: Reyna Arraya. One of our goals was to attract more students here a Y.B. who are interested in fishing in the nearby Lakes and Reservoirs. The club planned some camping trips. The fund raisers were very successful and Mr. Mora, the club's advisor, was very happy with his participating members.

Le Cercle Francais

Le Cercle Francais, or French Club, was formally called the Foreign Language Club. It has been run by the advisor, Mrs. Kitchin, for quite a few years. The club encourages activities that promote exposure to the French and other cultures. This purpose is fulfilled by members going to restaurants, events, presentations, and meetings. There are, of course, many leisurely moments for the members of the French Club. There is an annual Christmas party at the end of December.

It is only possible for the club to initiate such activities through the support of fundraisers. Throughout the year the club has candy, flower, and catalog sales. With cooperation from the members and success of these fundraisers, the club is ensured a long and prosperous future at Yerba Buena. But most important are the members and officers of the club who continue to support and preserve the club and its purpose.

Math Club

Our Math Club consists of 70 members this year. Our officers are Hau Pham (President); Thien Nguyen (Vice President); Marie Kalinawan (Treasurer); And Hung Nguyen (Secretary). The major purpose of our Math Club has been to fund scholarships for outstanding math students that are members of the club as well as to schedule activities throughout the year. In the past few years, we have scheduled an annual trip to Great America, picnics and a field trip to The Laurence Hall of Science. We have also awarded scholarships to some of our outstanding math students.

Photo Club

The Yerba Buena Photo Club is open to all students — not just those who are in photography classes. The objective is to improve one's photographic skills while enjoying the company of like-minded people. Money was raised in order to purchase equipment for the use of the club members. Informal field trips were held and the photo lab often was open to members after school. Various photo contests were held throughout the year, and photo club members' work qualified for those contests and exhibitions. Of the active members, Mark Tran and Jim Buantello made the most outstanding contributions.

Science Club

In the course of one year, the Yerba Buena Science Club (Y.B.S.C.) completes a series of activities ranging from science projects to field trips. With the purpose of creating an interesting and fun experience for the members in its strive toward knowledge in science and related areas, Y.B.S.C. is a unique club in the way that its members are given a chance to utilize their education and ideas toward a creative goal such as a science project. As an effective stimulus, members can look forward to a field trip to the Asilomar tidepools planned for the latter part of the second semester. These activities are structured by the members themselves and by the four officers including Cynthia Davis (President), Thierry Molangi (Vice President), and Lorna Sumaraga (Secretary and Treasurer) along with the club advisors. The club advisors include Ms. Wong (Head Advisor), Mr. Isberg and Mrs. Reid with the aide of several of the other science department faculty members. In conclusion, Y.B.S.C. is a relatively young club at Yerba Buena that will become a leader in its class among clubs in the years to come.

Vietnamese Club

Like the other clubs of the school, the Vietnamese Club was organized for the purpose of: helping each individual student to fully develop himself, intellectually, morally and physically; promoting Friendship among other ethnic groups; helping other students improve themselves academically; offering the Vietnamese students opportunities to take part in various social activities.

Officers: President — LE, TAM; Vice President — TRAN, TUNG; Treasurer — PHAM, KHOA; *Major activities:* Vietnamese New Year Celebration, Fund raising, Shorts tournaments among Vietnamese clubs in county, Tutoring program for new students.

Christmas Dance Dec. 16, 1983

The big moment has arrived!

The Yerba Buena Yearbook Staff sponsored another very successful Christmas Dance on Dec. 16. Radical Sounds provided its very good mix of the latest hits while we had a great time on the dance floor. The high point of the evening was the announcement of the 1984 Yearbook Queen. Because of a tie, there were five rather than 4 top runner-ups. These princesses were Veronica Ramirez, Joanna Butron, Lisa Luna, Veronica Santa Cruz, and Vicky Brooks. We all held our breath as the new Yearbook Queen was announced: Jennifer Lau!

Yearbook Queen Jennifer Lau and her escort Anthony Gil.

Blood Drive

For the first time, 1984's Physiology Class organized a Christmas Blood Drive and a Spring Blood Drive. Physiology students recruited donors and worked as volunteers with the nurses during each all day affair. With the help of Y.B. Staff and hundreds of students, the Physiology Class presented the American Red Cross with a combined total of over 200 units of blood. 1984 Physiology will always be remembered as the class with the most to give!!

Break Dancing Contest

Breaking is a new term given to a new type of dancing. This new dance is difficult and takes many hours of practice spining on your back or your head.

The Freshman class of 1987 sponsored Y.B.'s first ever Breaking contest. The contest consisted of 4 groups: Midnight Breakers (Max Vellez, Rafael Gongora, and Kim Huiph), Furioss (Bill Soliz, Rudy Tellez, Vince Sanchez, and Rodino), Break City (Rudy Martin, Edgar Martinez), and Universal Street Breakers (Jean Baptiste, Rafael Gongora, Kim Huiph). The event was a great success thanks to all the hard work done by the dancing groups and by the Freshman class.

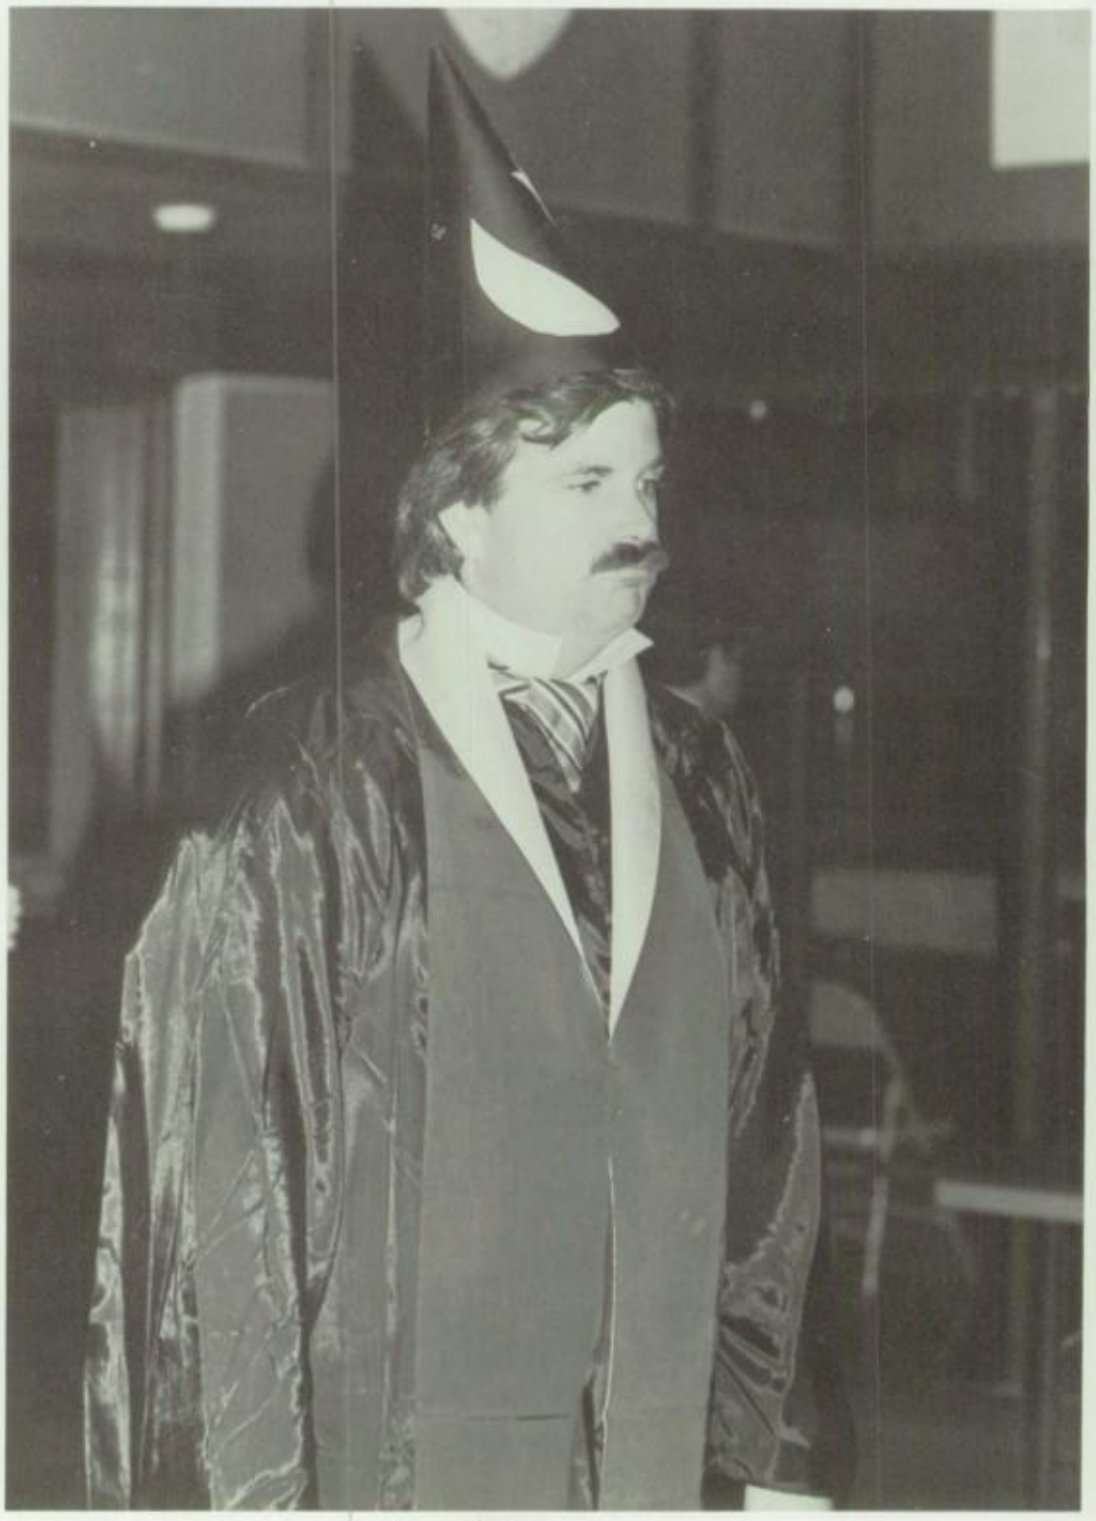
"Styles" of the 80's

This up-to-date group gathered on the quad steps to discuss the events of the day. Their discussion was sprinkled with these current expressions: Awesome megafine, trip out, sad, you're funny, tell me about it, spare me the facts, pretty live, and bump'n.

Mead Hall

On Thursday, February 16, 1984, the English Lit Club presented its annual pageant of "An Evening at Mead Hall." Esteban Camacho was featured as the infamous King Henry VIII and was the host for the evening. Christopher Thompson was the Town Crier and a special appearance was made by the Three Musketeers, alias Kersten Ramsey, Wesley Schropp, and Rick Kilduff.

To highlight the evening, Marc Weishaus made a special presentation of his one-man Shakespearean performance of "Villains, Fools, and Clowns." As the final gesture in his reign, King Henry invited all the participants to join him in the courtly dance.



Merlin made his annual visit.

King Henry and his wives.

Varsity Football

Warrior Power!!

Our Big "D" at Work!

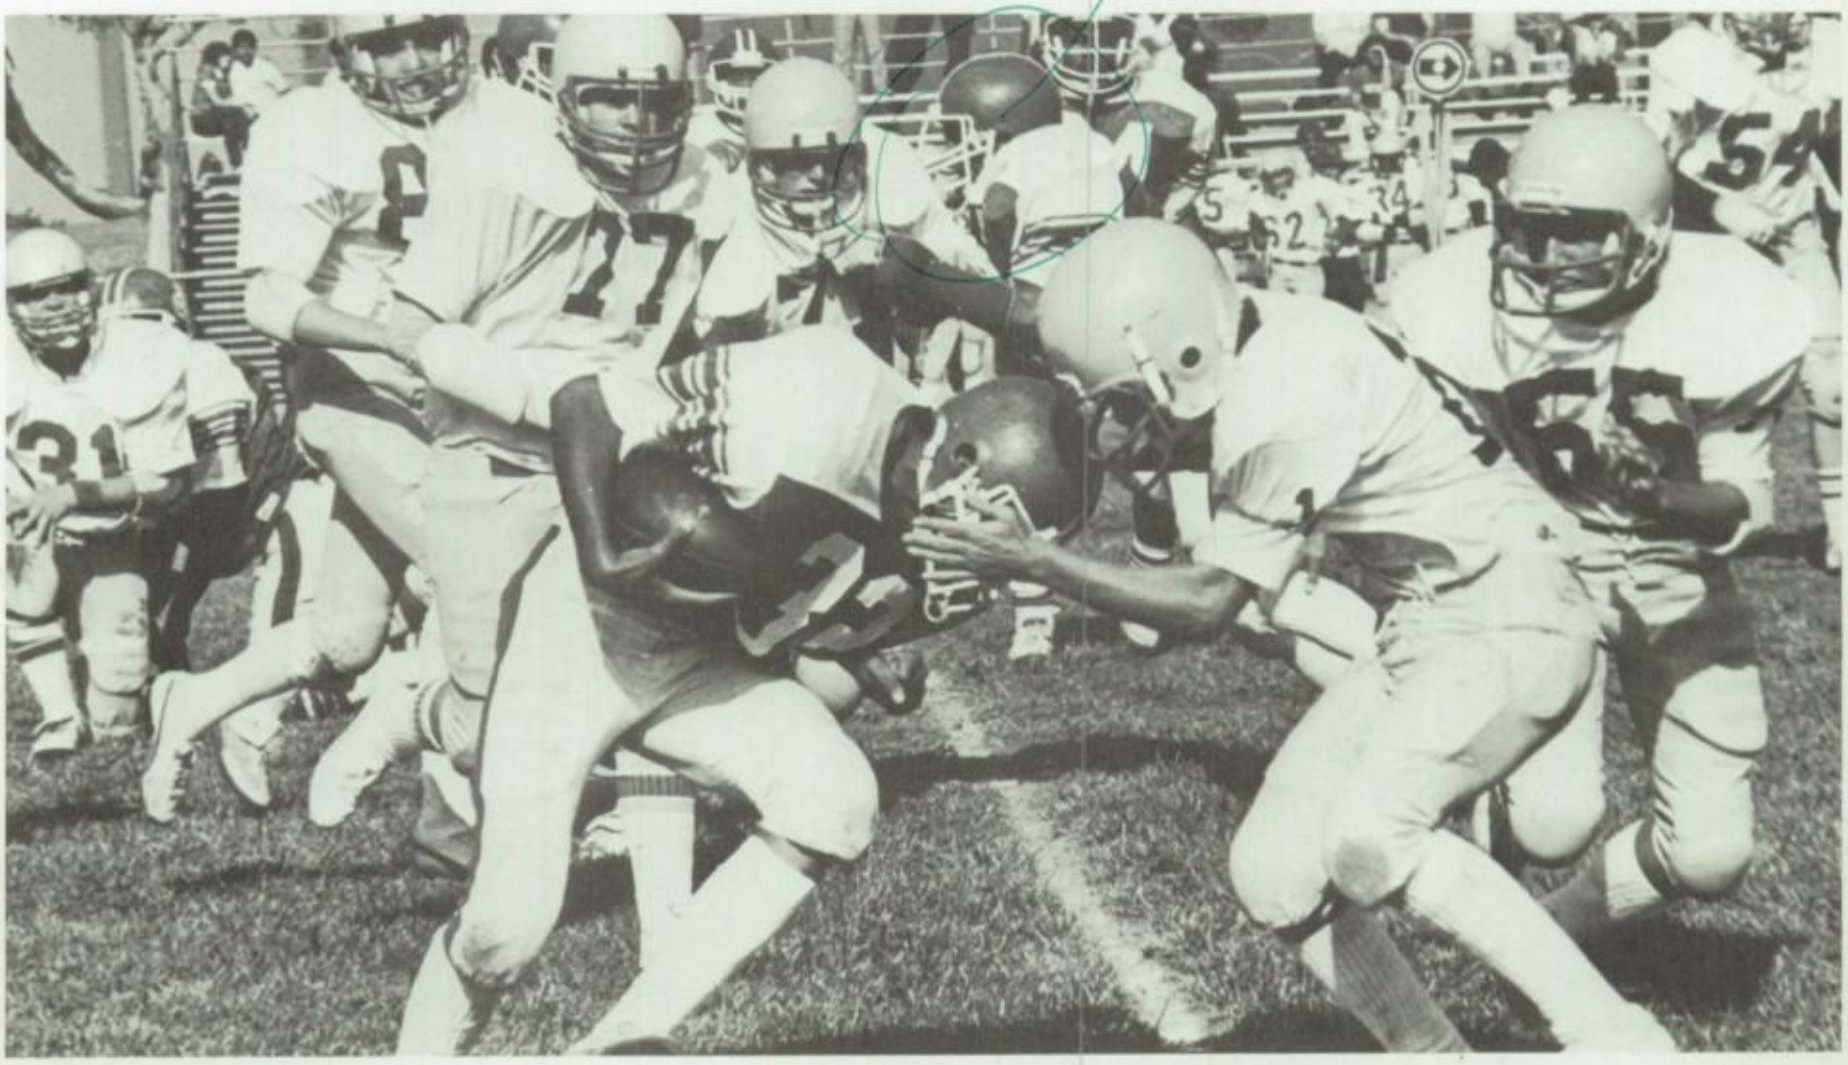
The 1983 Varsity football team was a much better team than it's 6-4-1 record indicated. The Warriors came close to pulling off an upset over the runner up CCS Champs, the Oak Grove Eagles. The game ended in a 14-12 thriller. The rest of the season seemed parallel the Oak Grove game, as the Warriors came close but could not finish off it's opponents.

The three senior captains, Mark "Airborne" Rivera, Jeff Franklin, and Chris Gurley, provided the needed leadership that welded the Warriors into a competitive unit.

The MHAL ALL League selections for First Team were: Jeff Franklin and Cornellus Ross on offense, and Mark Rivera on defense. Cornelius Ross was selected on the Central Coast Section Second team by the San Jose Mercury News. Rick Vidal and Virgil Robinson were All League 2nd team selections.

The following were team awards: MOST VALUABLE — CORNELIUS ROSS, MARK RIVERA, JEFF FRANKLIN; KEN CHAPMAN MEMORIAL AWARD — BILL RHINEHART.

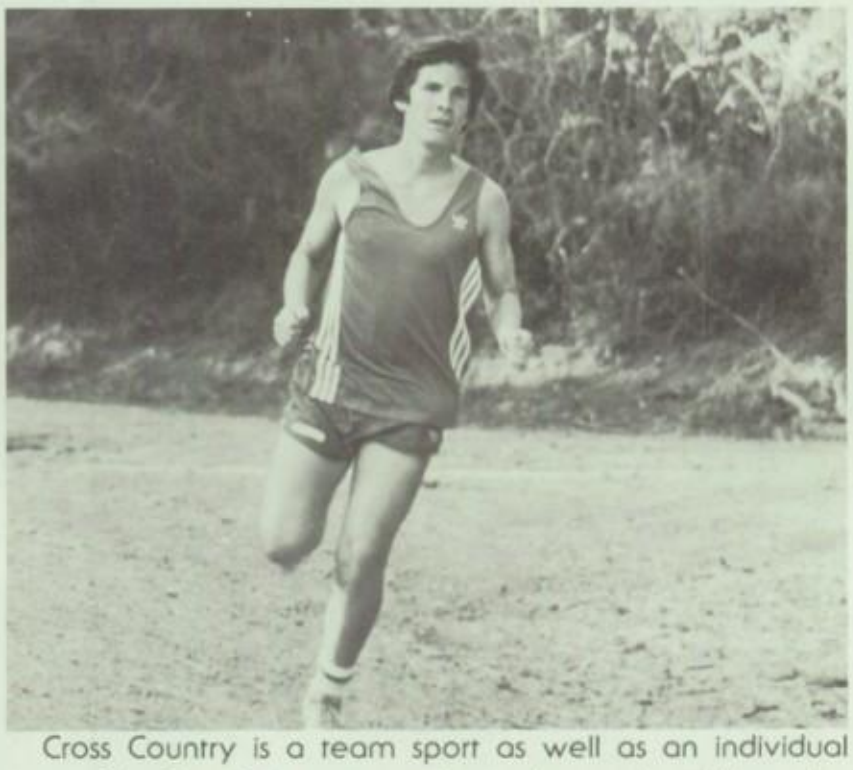
Frosh/Soph Football



If success is measured only in wins and losses, then 1983 was a disappointing season. However, many fine efforts and achievement were accomplished by the Frosh/Soph Football Team. Outstanding players were Sophs Paul Gutierrez, Ron Mailo, Jose Campos and Jeff Charlton. The Freshman were led by Larry Boldon, Moon Schwenke and Robert Aguilar. It is the belief of the players and coaching staff that valuable lessons were learned this season, and that next year's record will be vastly improved.

Coach Dominguez

Cross Country



Cross Country is a team sport as well as an individual sport. Our Cross Country team is made up of a girls' varsity team and a boys' varsity team. We have league and invitational competition. All of our league meets are held at Alum Rock Park Course (2.8 miles). For our invitational meets, we travel to various places such as: Aptos, Soquel, Half Moon Bay and Crystal Springs San Mateo. Most of these courses are approximately 3 miles long.

Our most valuable runner this year was Everardo Rico who received an all league award and participated in Region Three. The most improved award was given to Louie Zamora. Our most dedicated award went to Eleazar Zamora.

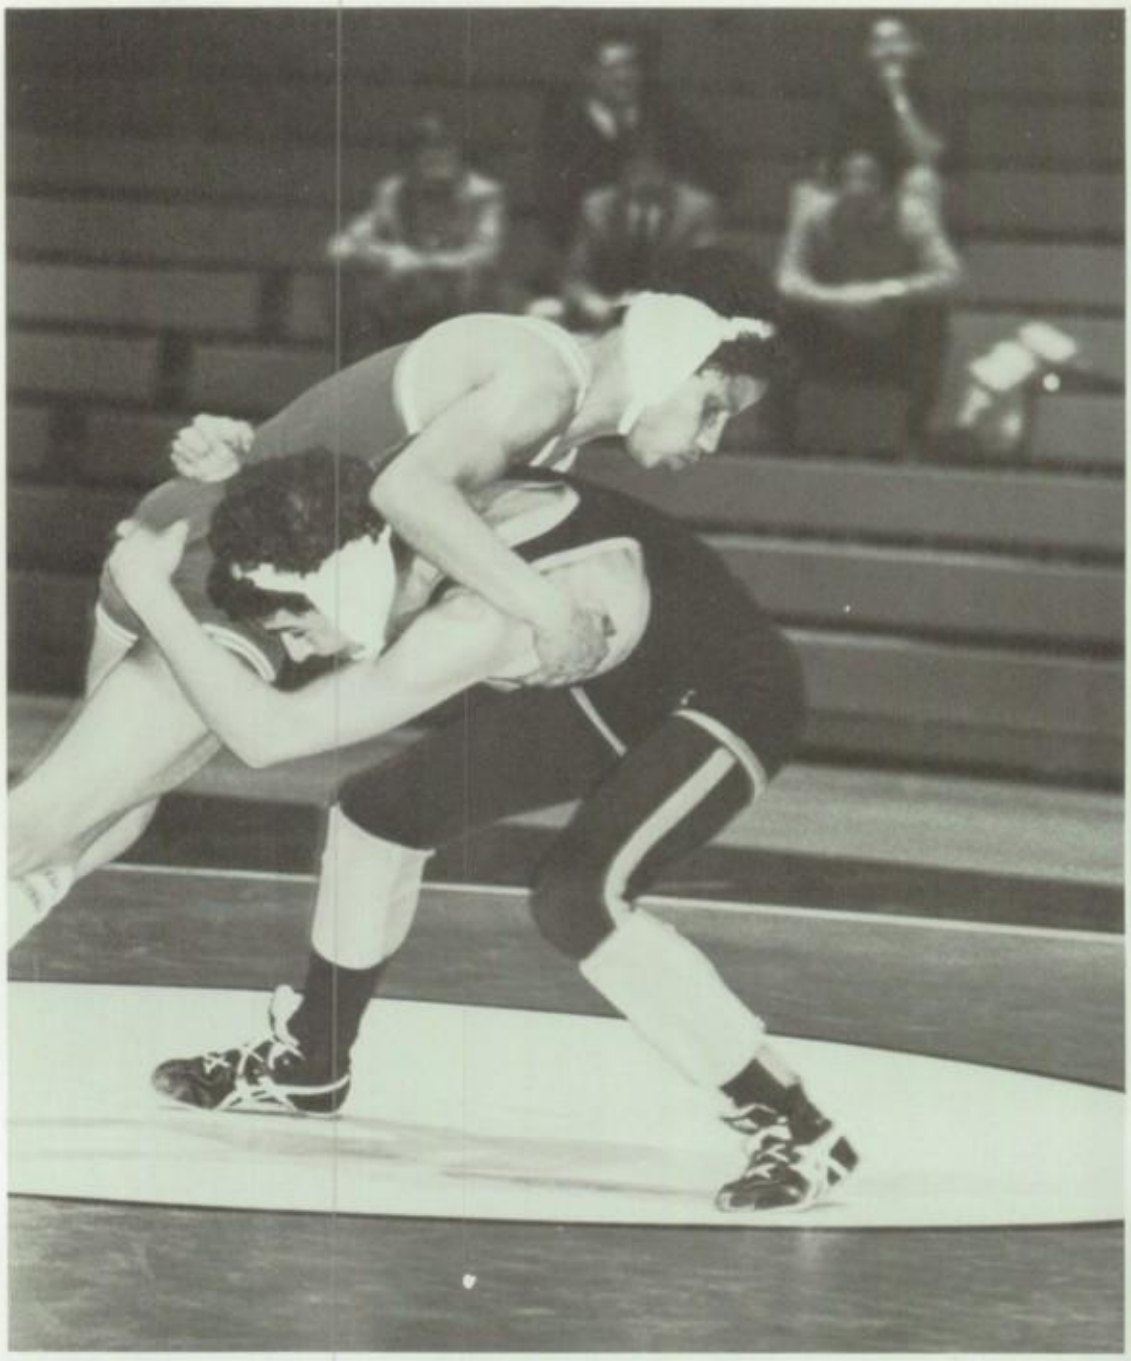
Next year run for your life and join the Cross Country team!

Varsity Wrestling

The 1983-84 Wrestling Team did not fair well in duel team competition. The new grade rule and other individual reasons left what was going to be a strong team overall with only six individuals. Man for man we won five of the six matches on the average, but still lost the duels because of seven weight vacancies.

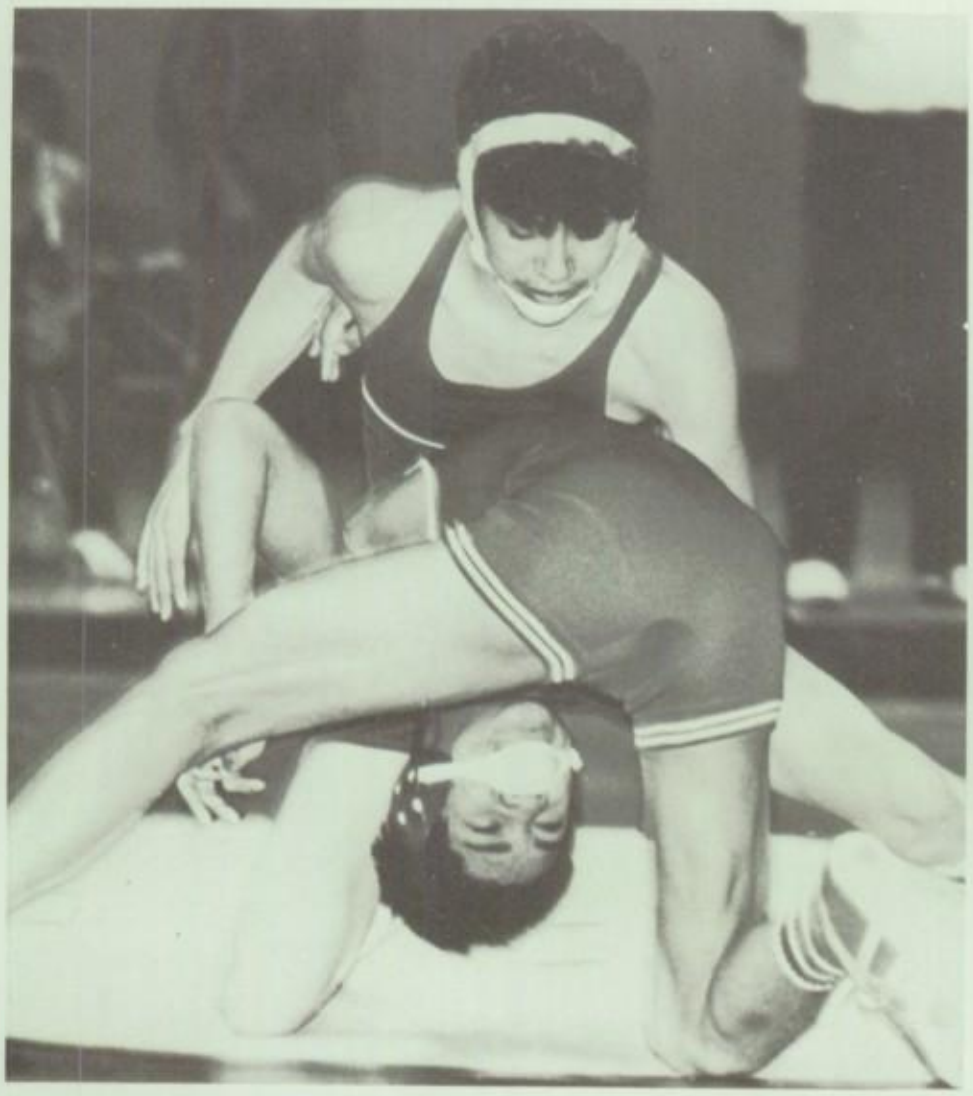
All team members this year are to be commended for their dedication and fighting spirit.

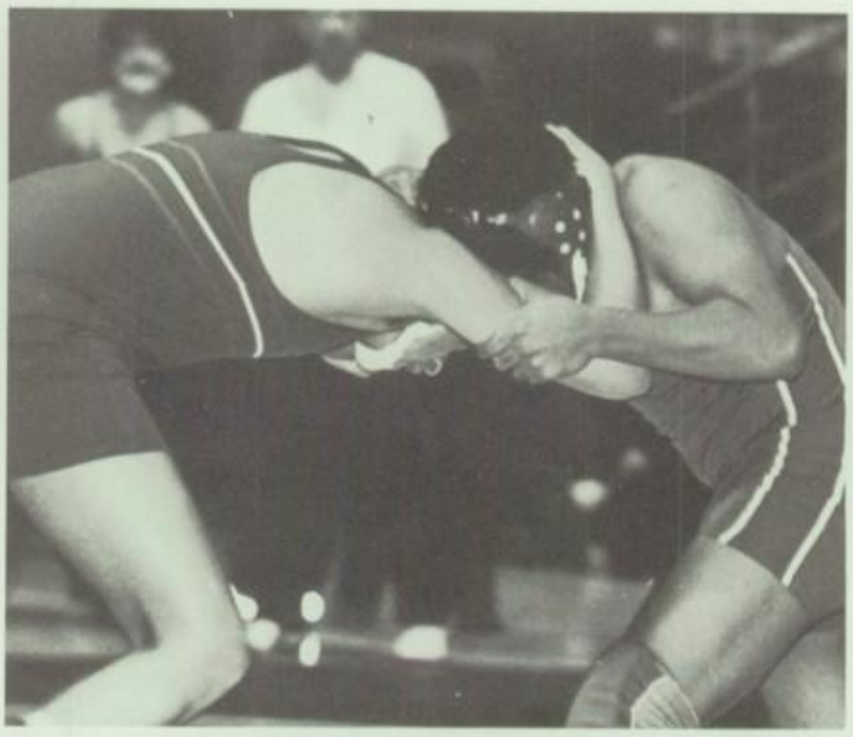
Hopefully, the spring freestyle season will bring back experience lost for those who did not compete in the regular season.

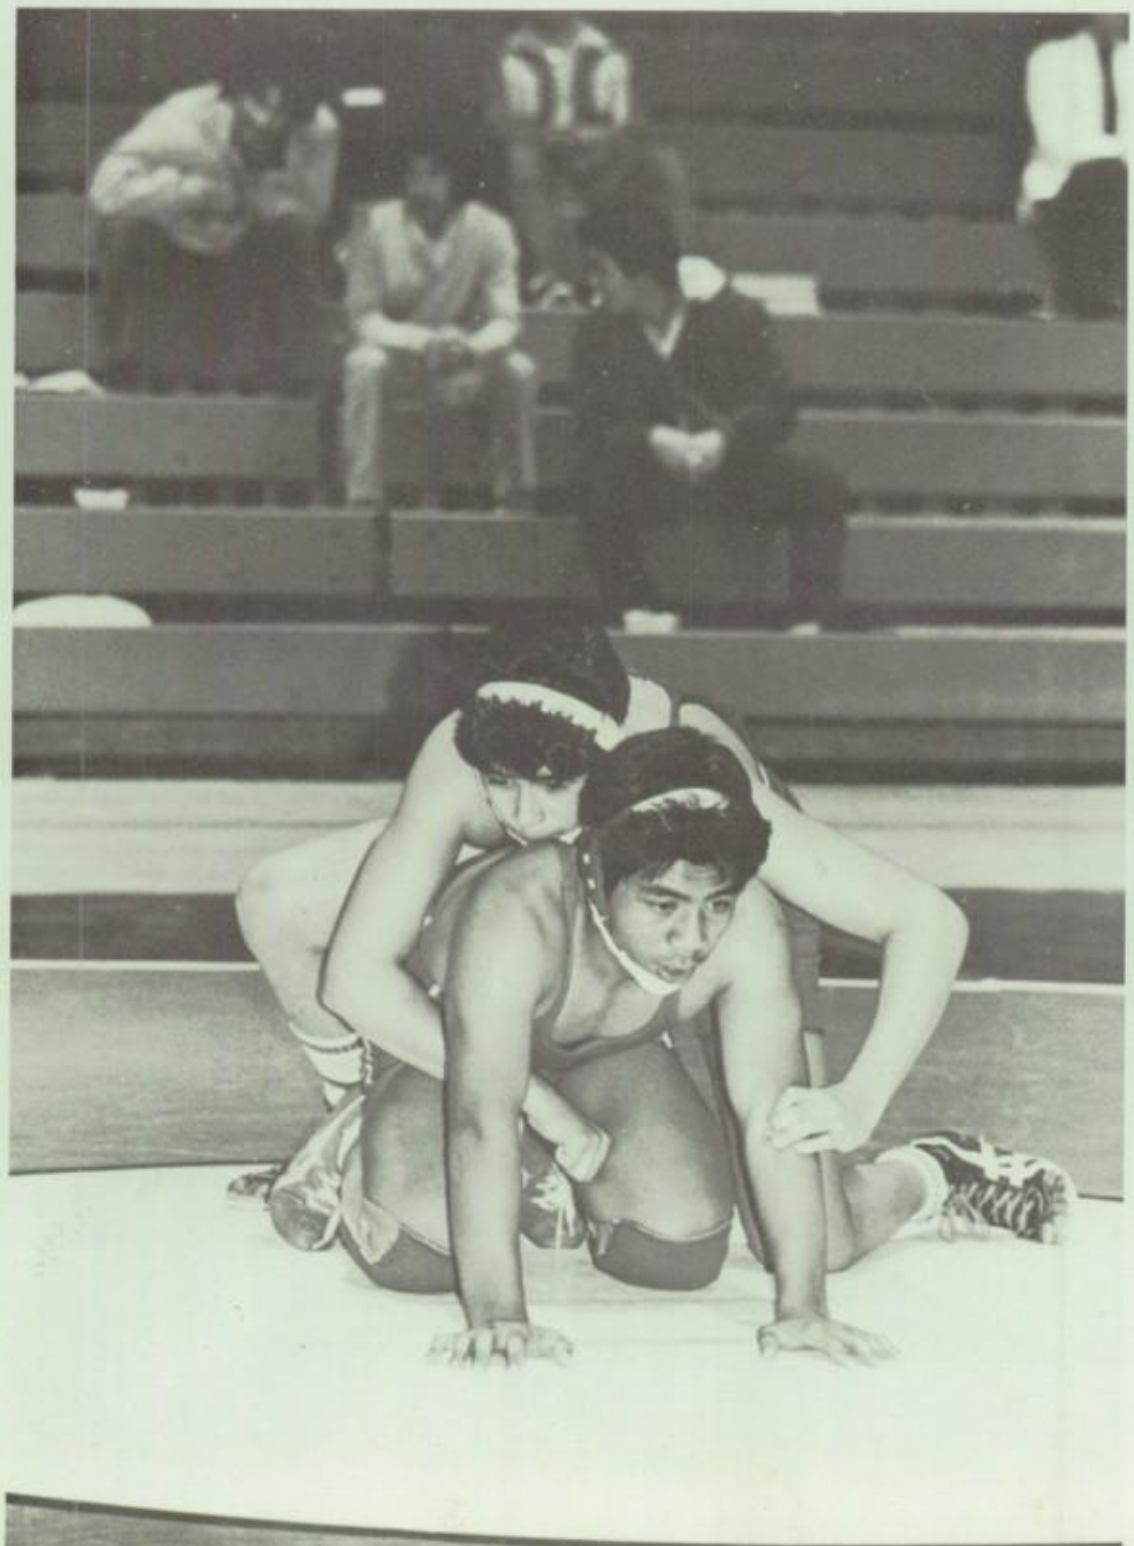


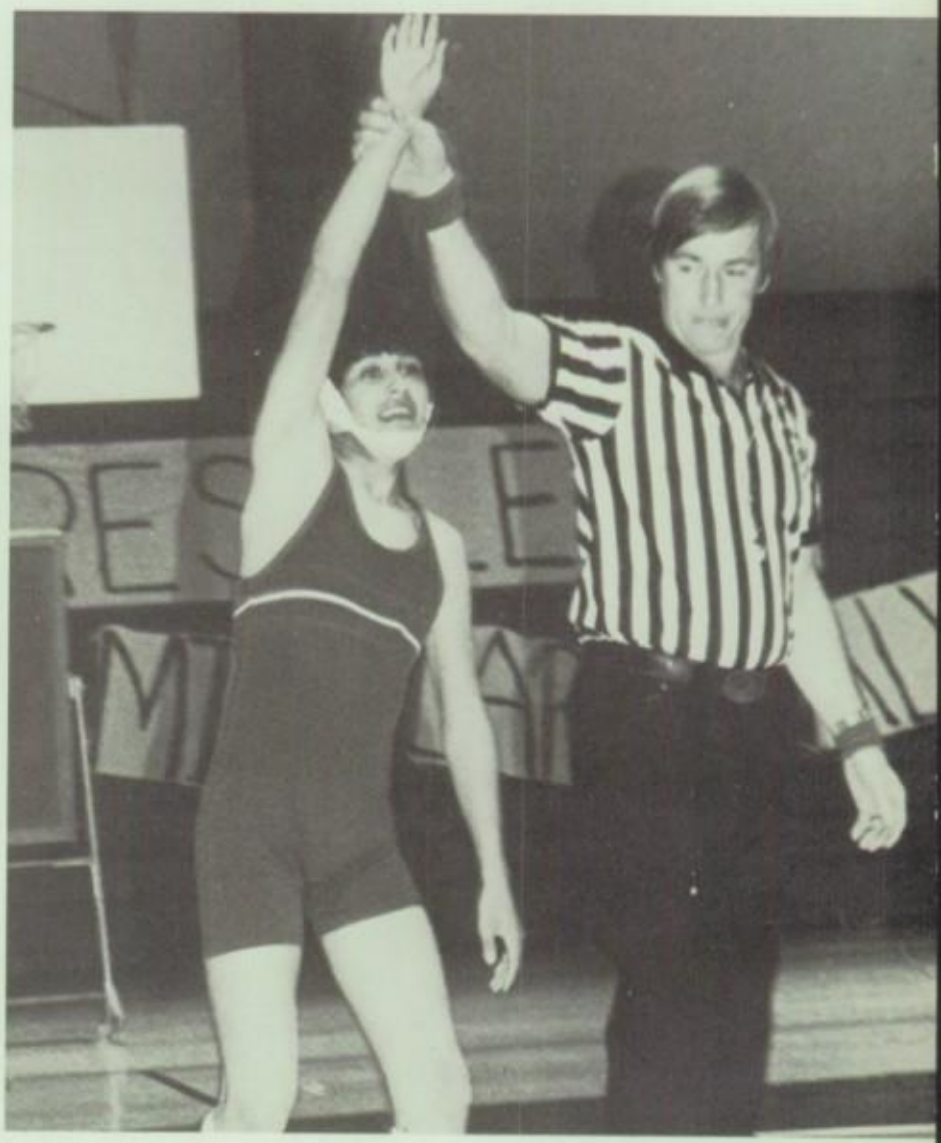
Another
Y.B.
Win!

Frosh/Soph Wrestling

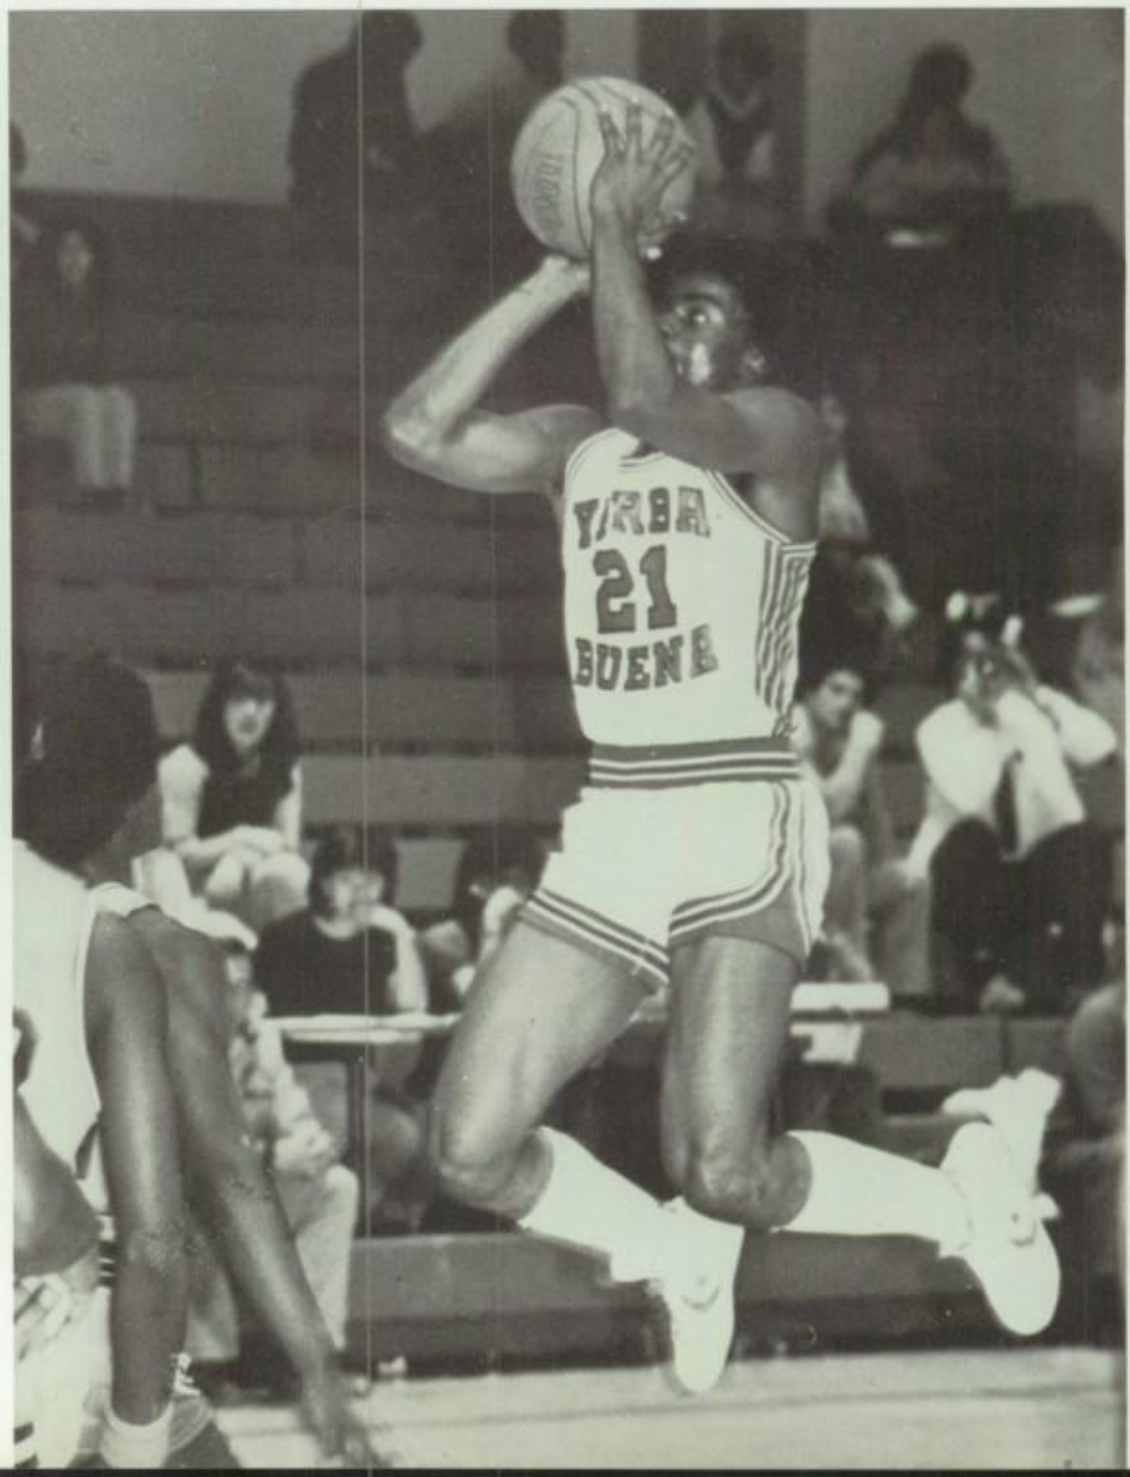








Varsity Basketball



Yerba Buena Power!!

Frosh/Soph Basketball

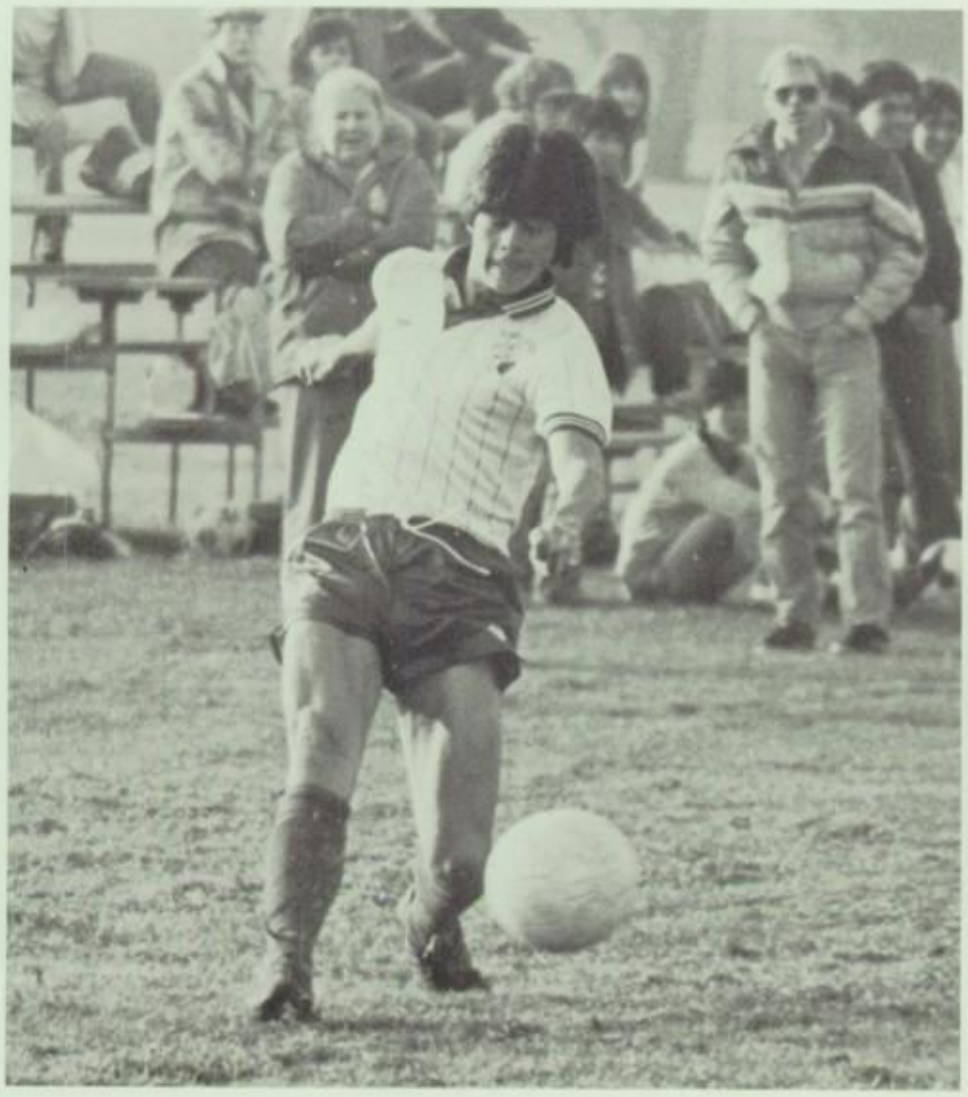
The 1983-84 F/S Basketball team had a fine season. At the time of this printing, they have an outstanding record of 15 wins — 4 losses. Perhaps the team's finest accomplishment was the taking of the Del Mar tournament championship, marking the first time that title that has ever been captured.

All of the Victories were the result of team hustle and defense. The quickness of guards Detrick Warner (Del Mar all-tournament), Vince Mitchell and Zharar McKoy proved to be instrumental in the win. Forwards Nho Quach, Richard Zuniga and Jose Alfaro were always hustling on defense. Centers Harvey Iese and Jeff Charlton provided the rebounding force on the boards.

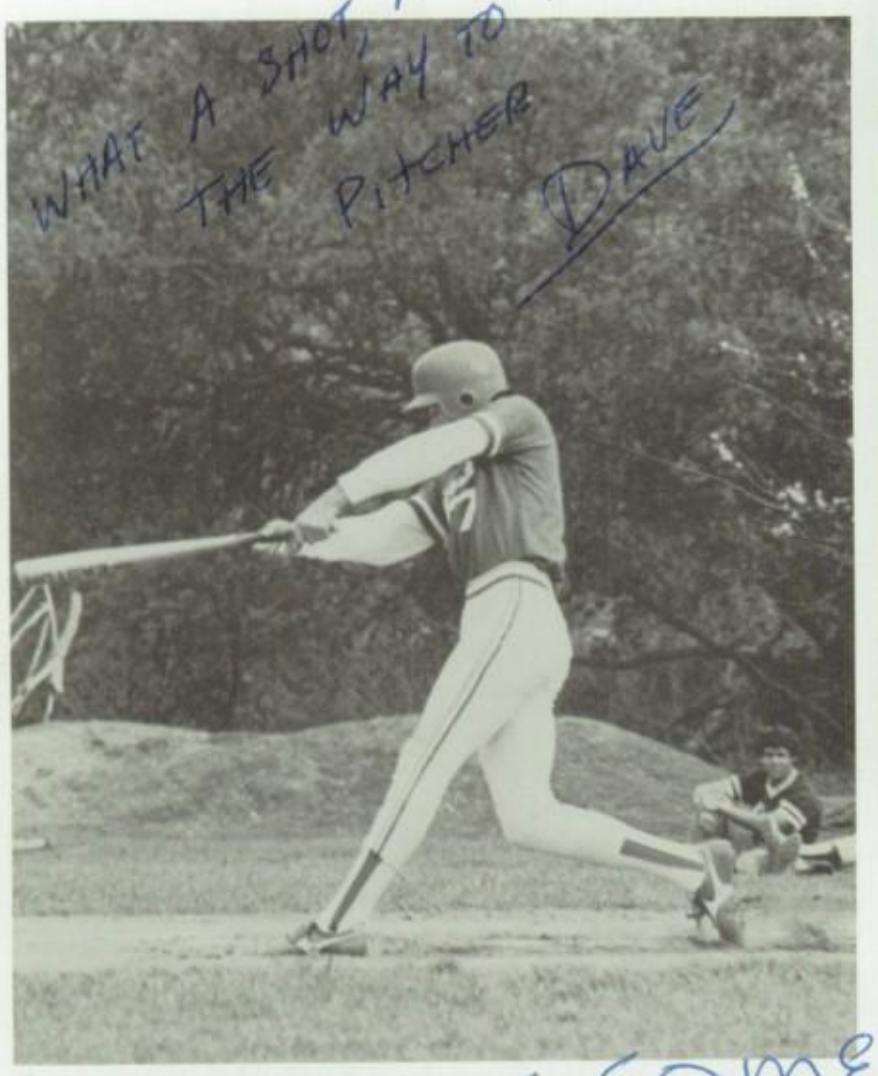
M.V.P. Nho Quach led this year's team in scoring, rebounds and free throw percentage. His impressive performances earned him all tournament honors in the Del Mar and Piedmont Hills tournaments.

Coach Dominguez

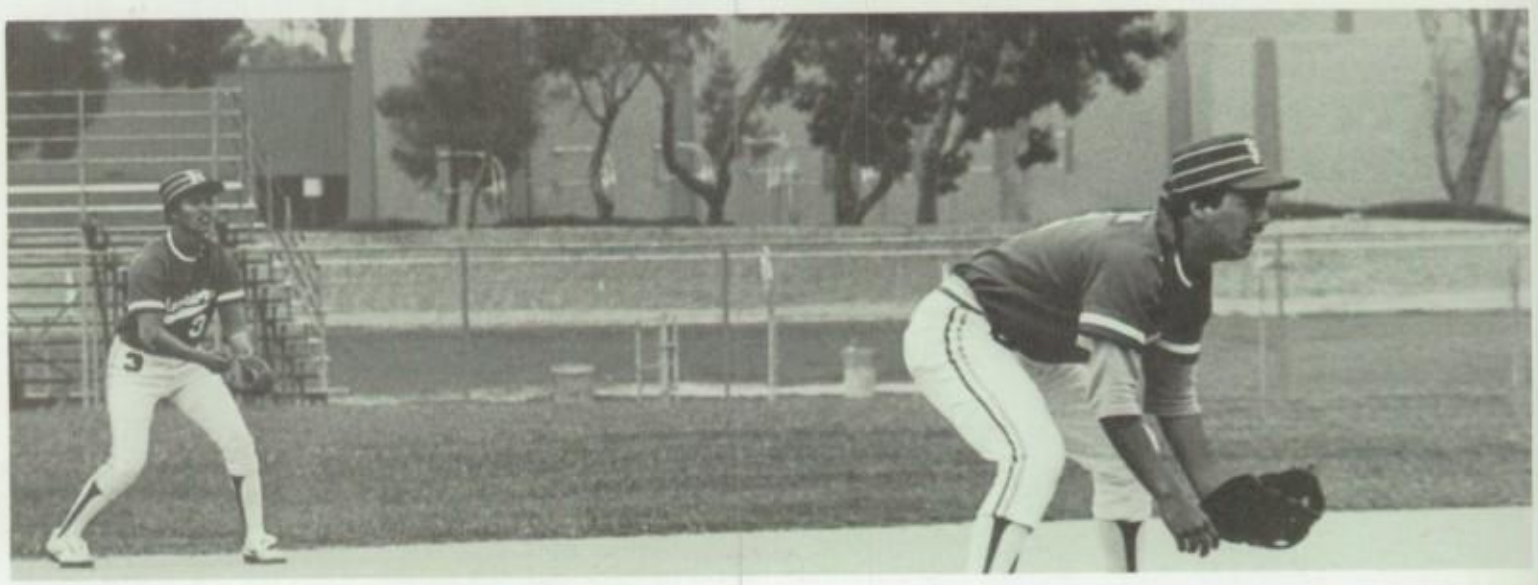
Varsity Soccer



Baseball



Warriors
in
Action!



Swimming

We are looking forward to a successful season in 1984. Leading the team will be Wesley Schropp, who holds school records in the 100 breast stroke, 200 individual medley, and is on both of our record setting relays. Returning swimmers are Perry Manole, Tin Hoang, Jerry Denny, David Zabel and Mark Hadley. Joining the team for their first season will be Pete Franco, David LaBerge, Carlos Perinat, Rick Kilduff, Khoi Pham, Tony McCoy, Thanh Luu, Kevin Wilson, Seng Nguy, and Thoai Tran.

We Can't be beat!

Varsity Badminton

Front Row: Trang Nguyen, Danh Dao, Leny Dizon, Estela Librado, Ngoc Hong, Grace Conde, Rosana Santiago (Manager). 2nd Row: Manical Meksavan, Van Nguyen, Susie Pettit, Trang Huynh, Juana Aranda, Bertha Andrade, Joy Bagube, Coach Acosta.

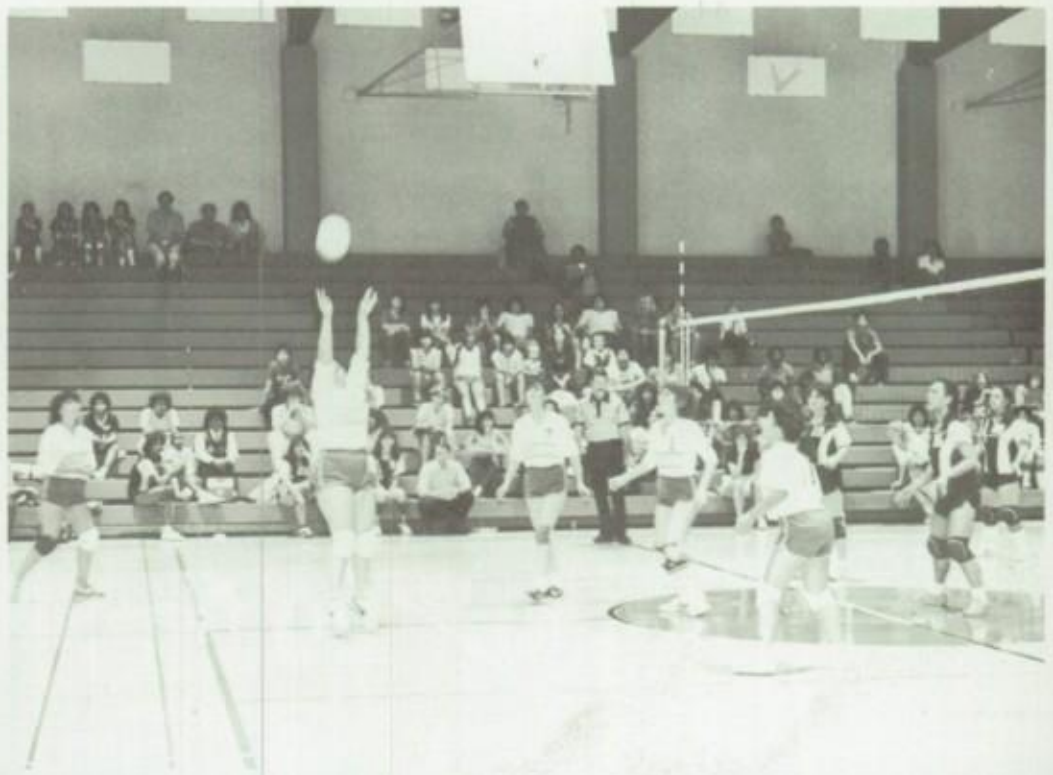
Varsity Tennis

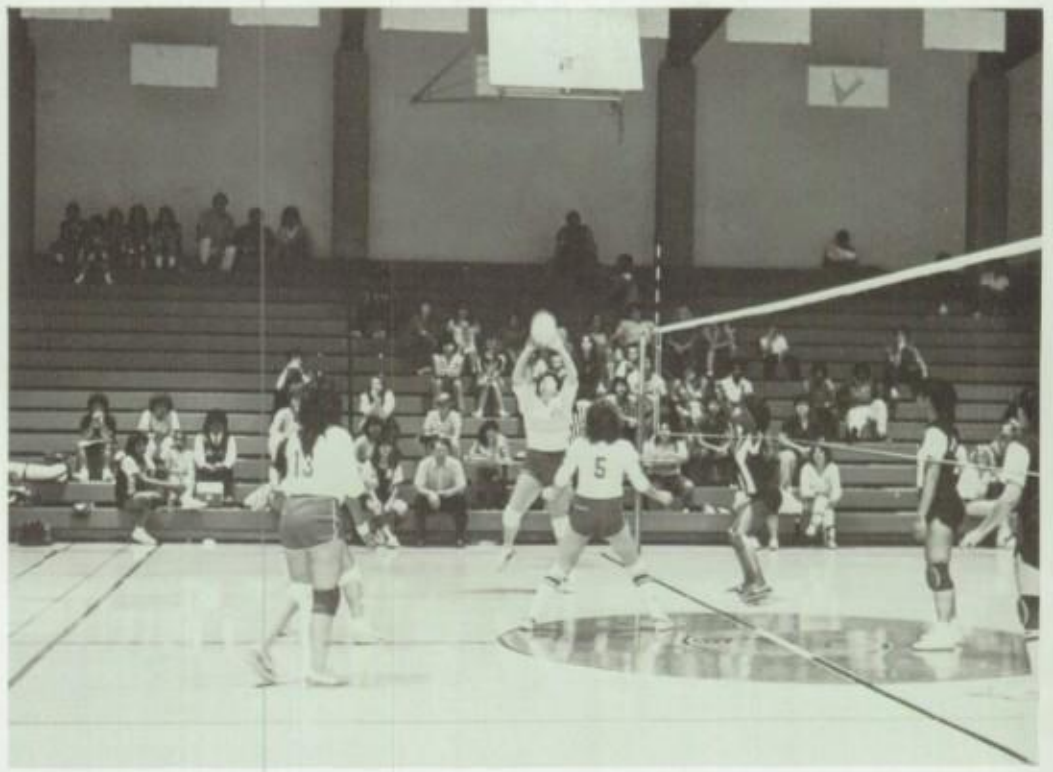
The Y.B. girls' tennis team had a very successful year. We took third place in MHAL with an overall season record of nine wins and four losses. Outstanding performances were accomplished by our number one singles player, Kim Dang (Senior), who placed as the second best player in the district. The doubles team of Trang Nguyen (Junior) and Thuy Duong (Senior) also took second place in the MHAL finals.

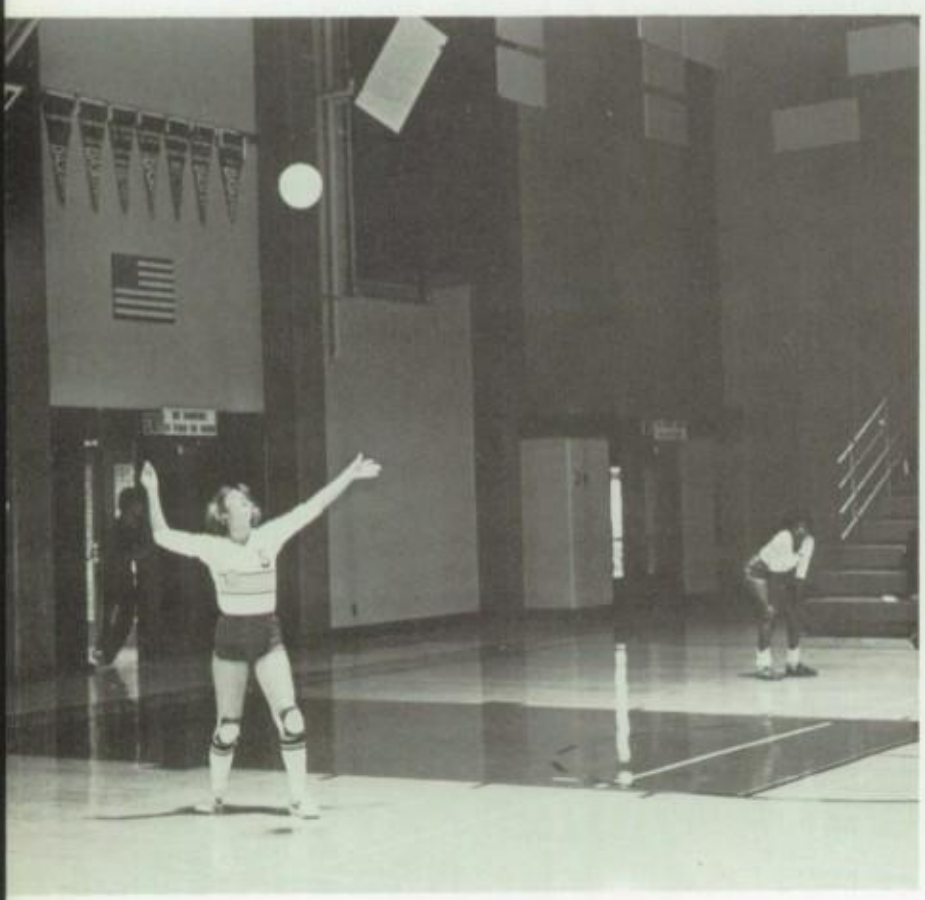
Varsity Volleyball

Record-wise, a non-winning season does not reflect the "wins" that went on behind the scenes. Even though they were frustrated at times, the girls never gave up either on themselves or each other. They continually encouraged and built each other up on the court. What the team members learned hopefully will stay with them a lifetime. They learned to be winners in a losing situation.

Dear Jeff-
I'm going to
else. Sign this somewhere







Frosh/Soph Volleyball

The Volleyball season was exciting. The Volleyball team placed fifth in MHAL. Our greatest foe was Overfelt. What else can be said about Y.B.'s Volleyball team? Plenty. Right and wrong, positive and negative, exciting and dull. Should I continue? Richelle, Dione, Melisa, Tina, Jacquetta, Tanya and Nina. All of these names equate power, strength, guts and a bright future in Volleyball at Y.B.

Furthermore, the team shows a lot of potential and strength; the team has the height to spike, bump, set and serve. These are the basic elements in having a tremendous team. The lack of moments inside the court can be eliminated with patience, determination and practice.

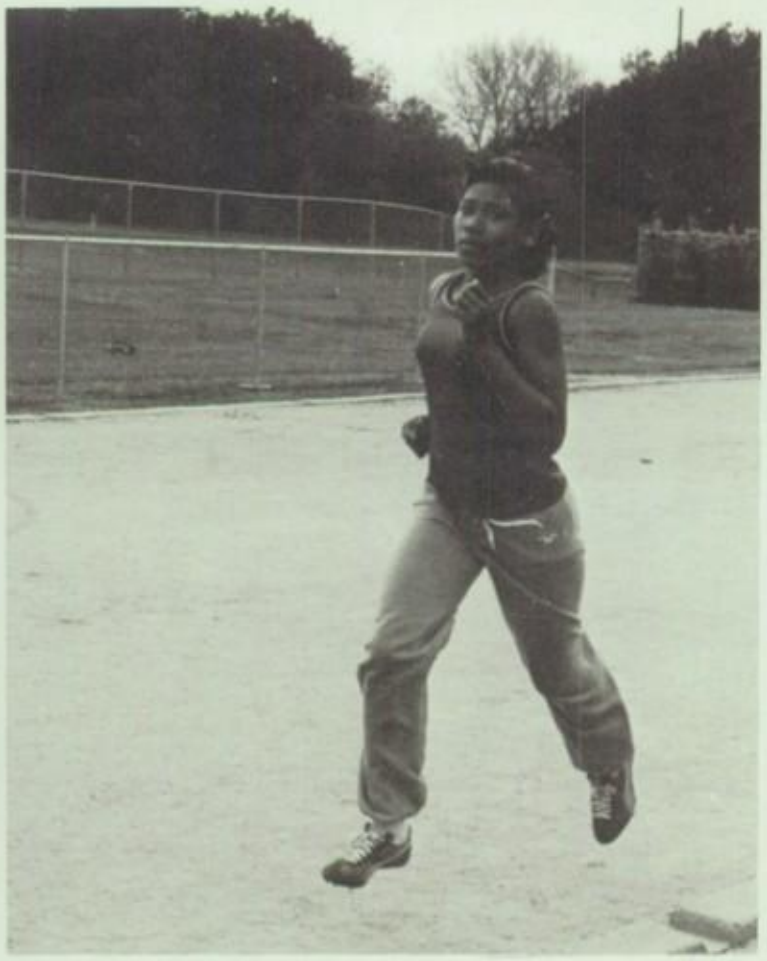
To place fifth in MHAL is not too shabby. What's important is that the Volleyball team will be ready for next year and the song will have a different tune. Watch out Overfelt, because Y.B.'s Volleyball team is ready for you and the scoreboard will read Y.B. . . . right on!

Coach Ortiz

Varsity Soccer

Varsity Basketball

Frosh/Soph Basketball



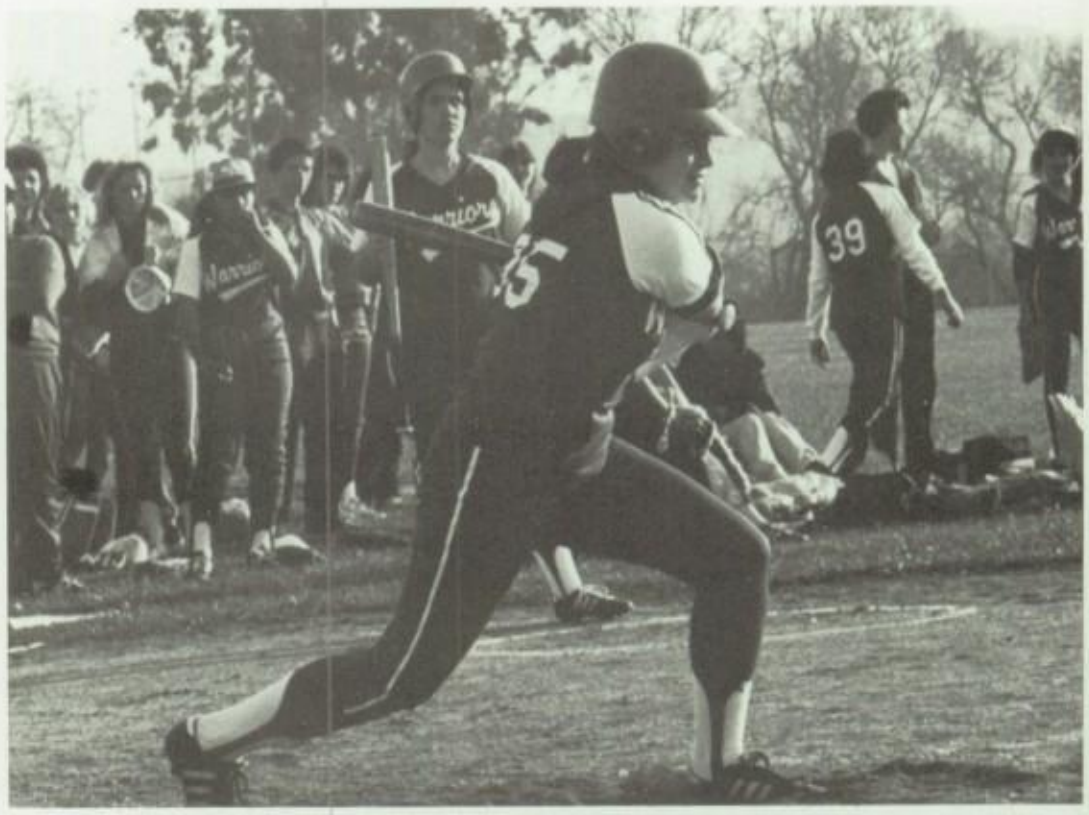
Track & Field

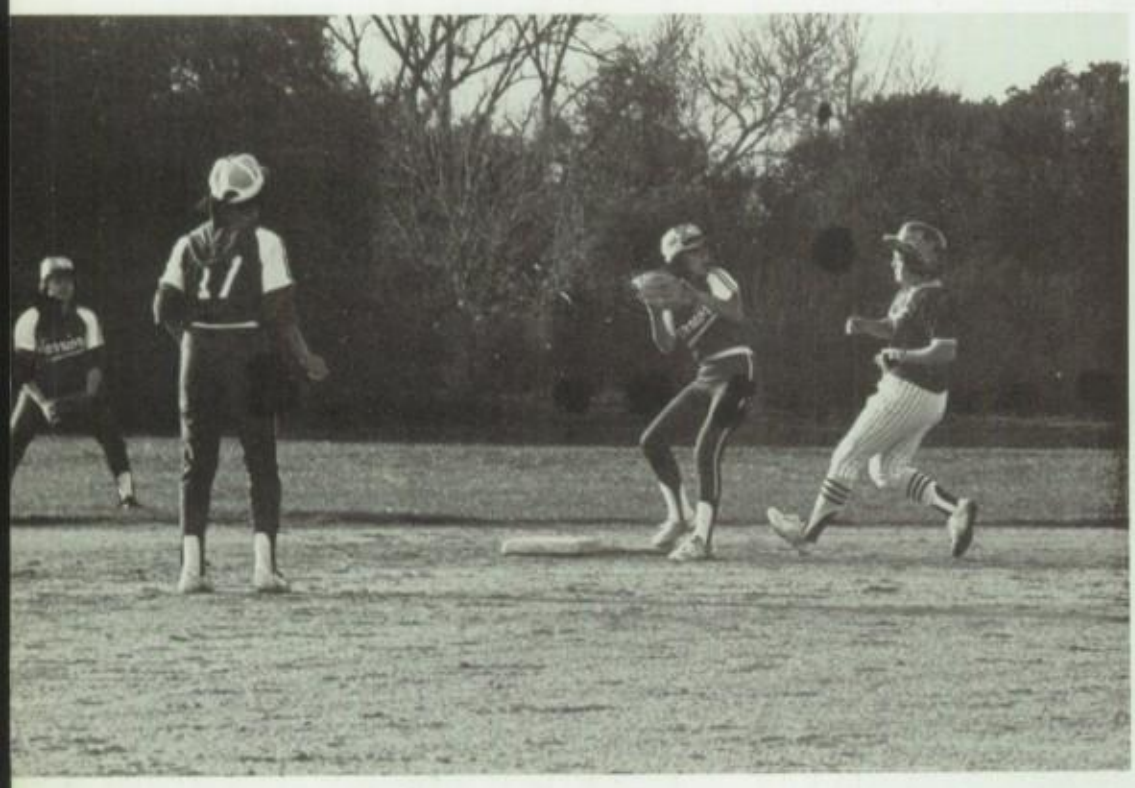
This year's Track Team was a small but dedicated group. Sheri Sledge and Kerri Kelly were strong in the running events, while Angie Williams, Lisa Daniels, and Angie Shacklefoot were strong in the field events. Betty Gongora was our distance runner with a lot of heart.

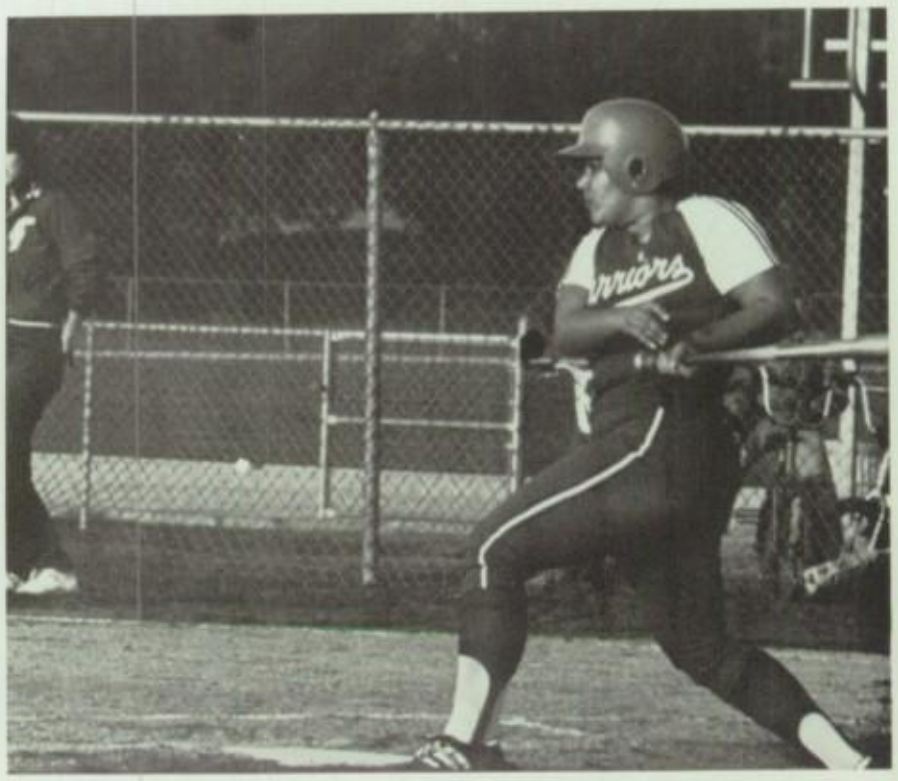
Softball

This year's team will be young and inexperienced. Our infield is looking solid and our pitchers are coming along. By the end of our practice season, I hope to have ironed out many of the bugs and opened the league with some success. The players I'm counting on for some leadership are Michele Tabares, Leticia Lujan, and Becky Fuentes.

Coach Martinez

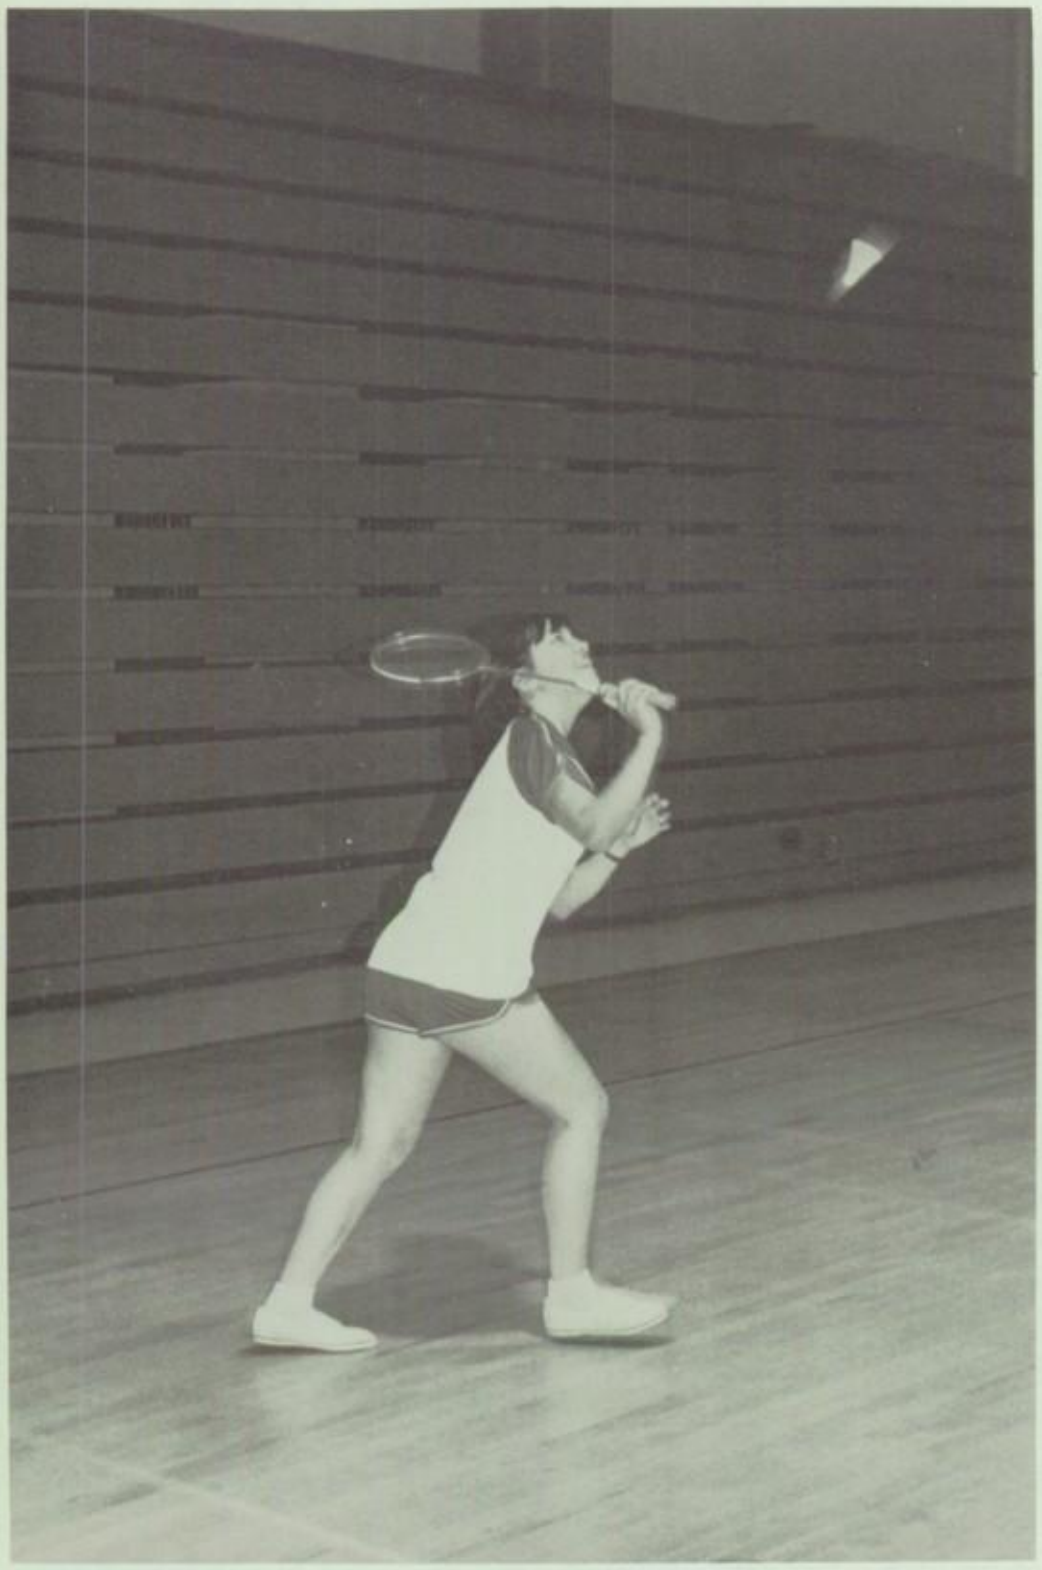






Warrior

Power!



Badminton

The Badminton Team this year was a good one. They had some loses, but they were good sports about it. When the season was started our singles players were #1 Trang Huynh, #2 Juana Aranda, and #3 Mayble Petrit. We hope to take the MHAL Championship next year if not this year.

The Y.B. Choir sang for us at Mead Hall.

Enjoying the food at Mead Hall.

Don Quixote and Sancho Panza.

Grease

The cast of the English Lit production of "Grease" presented a song at Mead Hall so that we would know how rousing the full production would be.

Room 108!!

Years from now, when 1983-84 is mentioned, many memories will be brought to mind: Entering high school. First date. Earning an "A" in Math. One's driver's license. A special award. Registering to vote in a national election. Graduation. The list goes on.

Hopefully, this edition of the AZTEC has captured some of the best moments of the school year for you so that they may be "relived" again through the years. May your future be a bright one!

To Jeff,
Good deal dude, finally
upper classmen
luck on the field, Everything
you'll never be as good as me.

Later Daze,
Terry (Smuggles) Stoker

To Charleston, hardest hitting
dude I ever went against.
one of the ever center because
People luck at put up a battle.
Good going at camp
I'm going at camp
see you

Riley Stevens

JEFF:
YOU'RE A HELLAVA
GUY I MET THIS YEAR.
YOU'RE A GOOD ATHELETE
TOO. GOOD LUCK IN BASE!
BALL HAVE A GOOD
SUMMER. SEE YOU IN
THE Y.B. Ball PIN
NEXT YEAR.
YOU'RE FRIEND
ALWAYS
DAVE

Jeffrey (my friend)
Well dude it's over thank God. You better keep up the good attitude and Keep Kickin peoples asses in football and out of the locker room. Have a good summer and a good next year.

TAKE CARE –
Chris "Golden Boy" Gurley

To Jeff
You're a really cool guy to be around. I hope your first year here at Y. B. was a good one. You did well up and whatever joining. Baseball and I hope to see you in elsie your second year Chemistry if you passed Bio. Visit Fates Days.
your friend
Aaron Carvajal

PS. Have a nice summer

To Jeff.

Well it looks like we made it! Juniors Next year! killer! I'm glad I met you and got to know you. Maybe you'll get lucky and I'll be in one of your classes next year. You better play good in football becous I'll be there watching and cheering you on. I hope Catherine doesn't make you dehydrate, since she's water girl. Lot of luck in whatever you do.

"86" Your Friend,

Angie DiCorza

t. I. T 225-5244

TO Jeff.
I have known you a long, long time, almost too long. (I.k) Well I'm glad your at Y.B. Because then It seems like our class at St. Pats is still together. Lets have that B.B.Q during the summer. youll have to call me or maybe I will call you to arrange it, kay? Well next year I will have to give you water during the football games but I'm going to put the team in your water! P.S. I.k. I'll be cheering on in your water!

t.I.T 292-3708

Your friend forever,
Catherine Perry

Have a great summer. See ya. Your friend, Jeff

TO JESS,

a real nice guy I have in math and ecology. I know you will really miss Ms. DeLaRosa. You always could break the boredom in 3rd period. See you next year. Good luck in the future.

Your friend,

April Lopez

To Jeff!
a Cool guy who I meet this year in Ecology. I know you just loved this class Ha.Ha. Have fun the last two years of Highschool because if you don't you will live to regret it. Good luck in baseball and in life.

Your friend Jack Gegenheimer

To Jeff
a nice guy I met this year I was glad to met even though his mean your still nice in a way I think hope to see you next year I think?

your friend
Frances Graziola

To Jeff

How could I start this? ooh I know! To Jeff Im really glad we got to become good friends. To bad Miguel wasn't to good of a friend, you know what I mean. but I guess it was all for the better. And also, too bad that Christine didn't get to you, or to your heart. She really did like you. Hey well, I've never much of a good writer. haven't really got much to say, but one things for sure you really are a great, good friend. Gonna miss everyone next. Im going to a different school. San Jose High, yeah I know, ugh what crumy school. but it really isn't. May God Bless You and keep you in his heart. Charish all that is given to you, because it was all given for a reason.

P.S.

Love always
Laura
Vasquez

To Jeff
a trippy
Sophmore I
met in football
to bad you were
never to good at
it. Have a nice
summer.

your friend
John Trujillo
(Peg leg)

To Jeff, one passed and the year passed and it was over. Yummy and I'm glad I got to know you. Cause what happens next year, I don't know. (I guess what comes, comes.) Thanks for being a friend and I'll always remember you. Have a good summer. Stay in touch. Write me. Call me. 265-1476 Jeff

To Jeff,
Hi, how's it going? Well I hope. Listen I'm sorry about the way I've been acting lately. I've been going through a lot of changes, problems, etc. and I've been taking it out on you. I'm sorry. I'll be a better friend to you from now on. Have a good summer. Stay cool. Keep in touch. Love, Lynn (Lynn Knox)

To Jeff,
Well, one year passed and it was over. Yummy and I'm glad I got to know you. Cause what happens next year, I don't know. (I guess what comes, comes.) That is what makes life interesting. Cause if we knew what was going to happen next year, it would be boring. I'm glad I got to know you. Cause you're a great friend. Sports always come first in your life, but I know you'll take care of the future. Have a good summer. Stay in touch. Write me. Call me. 265-1476 Jeff
